Policy Requiring the Timely Submission of Payment Requests

Applicability:

This Policy applies to all requests for payment submitted to the Office of the Executive Secretary of the Supreme Court of Virginia, including, but not limited to, requests for payment submitted by special justices, guardians *ad litem*, interpreters, mediators, court-appointed counsel, court-appointed experts, substitute judges, retired judges and others.

Requirements:

All requests for payment of fees or for travel or other expenses must be submitted no later than thirty (30) days after the service or the travel is completed. For court-appointed counsel, each time limit is measured from the completion of all proceedings in the court for which the request is being submitted. See Va. Code § 19.2-163.

If a request for payment is submitted more than thirty (30) days after the service or the travel is completed, the Office of the Executive Secretary may require additional documentation.

All requests for payment, whether initially submitted to the court or, as appropriate, to the Office of the Executive Secretary, and any additional documentation required, must be received by the Office of the Executive Secretary within twenty-four (24) months of the date on which the service or the travel is completed. The person submitting the payment request is responsible for ensuring that the request is received by the Office of the Executive Secretary within the twenty-four (24) month period. If necessary, the person submitting the payment request should contact the Office of the Executive Secretary in writing before the end of the 24 month period. Any such inquiry may be sent to: Office of the Executive Secretary, Supreme Court of Virginia, Attn. Fiscal Department, 100 N. 9th Street, Richmond, Virginia 23219. **NO PAYMENT WILL ISSUE AFTER 24 MONTHS FROM THE DATE ON WHICH THE SERVICE OR TRAVEL IS COMPLETED.**

Waiver Funds:

Virginia Code § 19.2-163 provides that if at any time the funds allocated for the waivers are exhausted, the Executive Secretary is to certify that fact to the courts, and no additional waivers may be approved. Waiver funds are appropriated annually and typically are exhausted before the end of the year. Therefore it is important that applications for fee cap waivers be submitted in the same year the service is performed and as early as possible since payment is subject to the availability of funds appropriated for that year.

Hourly Rate for Court-Appointed Counsel

Unless otherwise specified, the Supreme Court of Virginia's established rate of up to \$90 per hour (in and out of court) for court-appointed counsel shall apply.

- (2) For revocation of probation - indicate §19.2-306 as the original code section charged; note either felony or misdemeanor and the highest class of the original charges. Payment is allowed on the basis of only one charge. For example, if a defendant who is on probation for 5 charges were subject to a probation revocation proceeding, the court-appointed attorney would be reimbursed for only 1 charge --- the probation revocation. The fee cap in this example would be determined based on the highest fee cap of the original five charges.
- (3) Guardian ad litem or Juvenile Appeal must be indicated. The Supreme Court of Virginia's established rate of up to \$75/hour in court and \$55/hour out of court for guardians ad litem applies. The fee for counsel appointed pursuant to §16.1-266 to represent a parent or guardian in a civil matter is up to \$120 in J&DR court and up to \$158 in circuit court.
- (4) Authorization for payment out of the criminal fund of a guardian ad litem appointed in a circuit court is limited to an appeal from J&DR court and appointment of the guardian ad litem under §16.1-266.

- (5) If a judge concludes that counsel for an indigent respondent in a civil contempt proceeding for failure to pay child support is constitutionally required by the holding in *Turner v. Rogers*, 131 S. Ct. 2507, 2011 U.S. LEXIS 4566 (2011), an attorney may be appointed for a fee of up to \$120 in J&DR court and up to \$158 in circuit court.

Court order indicating that the respondent is indigent and that due process requires the appointment must be submitted with Form DC-40.

- (6) Payment for psychological evaluations and drug testing in custody matters pursuant to §16.1-278.15 is not authorized.
- (7) Counsel representing a defendant charged with a Class 1 felony (capital murder) or counsel representing an indigent prisoner under sentence of death in a state habeas corpus proceeding, may submit to the court on a monthly basis, a statement of all costs incurred and fees charged by him in the case during that month. Whenever the total charges are deemed reasonable by the court for which payment has not previously been made or requested exceed \$1,000, the court may direct that payment be made. Completed District Court Form DC-334 (Request for Appointment of a Lawyer) indicating "Capital Murder" or Circuit Court Order must be attached when submitting voucher for reimbursement.

****The Supreme Court of Virginia has established separate hourly rates for capital cases of up to \$200 per hour in court and \$150 per hour out of court.**

- (8) Representation by a court appointed attorney of a defendant with regard to an ancillary misdemeanor certified to circuit court along with a felony under Va. Code §19.2-190.1 is eligible for compensation of up to \$120 for each misdemeanor. Because that portion of the representation for the ancillary misdemeanor does not involve the conclusion of the matter, that representation of the ancillary misdemeanor in district court is not eligible for further compensation under the waiver provision of §19.2-163.

*Defense of an unclassified felony punishable by 20 years or less is compensated as a Felony class III or IV felony; by more than 20 years as a Class II.				

Fee waivers may only be approved by the court in which the case is concluded.

The General Assembly has authorized the above schedule for compensation for an attorney appointed by the court in non-capital cases. If co-counsel (more than one attorney) is appointed to represent a defendant at the same time in a non-capital case, then co-counsel shall share the statutory fee, supplemental statutory waiver amount, and fee for additional waiver permitted for one attorney. In the circuit court, court-appointed counsel who is granted leave of court to withdraw and who terminates the representation prior to conclusion of the case, is eligible for the statutory fee and the supplemental statutory waiver amount but is ineligible for a fee for additional waiver.

Upon submission by counsel of a detailed accounting of time expended for court-appointed representation, the court in its discretion and subject to guidelines issued by the Executive Secretary of the Supreme Court of Virginia may waive the limitation of the statutory fee and authorize additional compensation up to the supplemental statutory waiver amount when the effort expended by counsel, the time reasonably necessary for the particular representation, the novelty and difficulty of the issues, or other circumstances warrant such a waiver.

Counsel may also request additional compensation exceeding these amounts by submitting a written request with a detailed accounting of the time spent and justification for the additional amount. The presiding judge shall determine, subject to guidelines issued by the Executive Secretary of the Supreme Court of Virginia, whether this request for additional compensation above the supplemental statutory waiver amount is justified, in whole or part, by considering the effort expended and time reasonably necessary for the particular representation, and, if so, shall forward the request as approved to the chief judge of the circuit court or district court for approval.

If both the presiding judge and the chief judge determine that an additional amount is justified based upon the novelty, difficulty, effort expended and time required for the particular representation and they approve a fee for such an additional waiver amount greater than:

- \$2,000 in any district court,
- \$3,000 in any circuit court misdemeanor or circuit delinquency charge,
- \$5,000 in any circuit court felony, class III to VI charge, or
- \$15,000 in any circuit court felony class II charge,

then such request for an additional waiver amount in excess of the foregoing amounts shall be submitted by the Chief Judge to the Office of the Executive Secretary, with the DC-40A and all supporting documentation, and upon review by the Chief Justice of the Supreme Court, may be paid in full, or, in lieu of full payment, be approved for a partial payment. Partial payments shall be made only in the event the Chief Justice finds such partial payment is necessary to promote the equitable distribution of waiver funds through the end of the fiscal year.

These procedures are in addition to guidelines posted at http://www.courts.state.va.us/forms/district/statutory_criteria_fee_cap_waiver_guidelines.pdf

The payment approval process,¹ including review and approval of invoices by the Office of the Executive Secretary, is a function of the Supreme Court of Virginia's oversight of the judiciary's budget and management of funds, including the Criminal Fund. Fee waivers are paid from a finite appropriation allocated to the fiscal year. The foregoing process is necessary to facilitate the fair distribution of funds as provided for in the Code of Virginia and the Budget.²

There is no appeal process available if an application for waiver of fee caps is denied. Additionally, if at any time the funds appropriated to pay for waivers become insufficient, the Executive Secretary of the Supreme Court of Virginia shall so certify to the courts and no further waivers shall be approved or paid.
