RULES OF SUPREME COURT OF VIRGINIA
PART ONE
RULES APPLICABLE TO ALL PROCEEDINGS

Rule 1:1. Finality of Judgments, Orders and Decrees.

All final judgments, orders, and decrees, irrespective of terms of court, shall remain under the control of the trial court and subject to be modified, vacated, or suspended for twenty-one days after the date of entry, and no longer. But notwithstanding the finality of the judgment, in a criminal case the trial court may postpone execution of the sentence in order to give the accused an opportunity to apply for a writ of error and supersedeas; such postponement, however, shall not extend the time limits hereinafter prescribed for applying for a writ of error. The date of entry of any final judgment, order, or decree shall be the date it is signed by the judge either on paper or by electronic means in accord with Rule 1:17.

Last amended by Order dated March 1, 2011; effective May 2, 2011.

RULES OF SUPREME COURT OF VIRGINIA
PART ONE
RULES APPLICABLE TO ALL PROCEEDINGS

Rule 1:1A. Recovery of Appellate Attorney's Fees in Circuit Court.

a) Notwithstanding any provision of Rule 1:1, in any civil action in which an appeal lies from the circuit court to the Supreme Court and a petition for appeal is denied by the Supreme Court (and, if a petition for rehearing has been filed pursuant to Rule 5:20, such petition has been denied), an appellee who has recovered attorneys' fees, costs or both in the circuit court pursuant to a contract, statute or other applicable law may make application in the circuit court in which judgment was entered for attorneys' fees, costs or both incurred on appeal. The application must be filed within thirty (30) days after denial of the petition for appeal or of any petition for rehearing, whichever is later, and may be made in the same case from which the appeal was taken, which case shall be reinstated on the circuit court docket upon the filing of the application. The appellee shall not be required to file a separate suit or action to recover the fees and costs incurred on appeal, and the circuit court shall have continuing jurisdiction of the case for the purpose of adjudicating the application. The circuit court's order granting or refusing the application, in whole or in part, shall be a final order for purposes of Rule 1:1.

b) Nothing in this Rule shall restrict or prohibit the exercise of any other right or remedy for the recovery of attorneys' fees or costs, by separate suit or action, or otherwise.

Rule 1:3. Reporters and Transcripts of Proceedings in Courts.

Reporters shall be first duly sworn to take down and transcribe the proceedings faithfully and accurately to the best of their ability, and shall be subject to the control and discipline of the judge.

The proceedings may be taken down by means of any recording device approved by the judge.

RULES OF SUPREME COURT OF VIRGINIA
PART ONE
RULES APPLICABLE TO ALL PROCEEDINGS

Rule 1:4. General Provisions as to Pleadings.

(a) Counsel tendering a pleading gives his assurance as an officer of the court that it is filed in good faith and not for delay.

(b) A pleading that is sworn to is an affidavit for all purposes for which an affidavit is required or permitted.

(c) Counsel or an unrepresented party who files a pleading shall sign it and state his address.

(d) Every pleading shall state the facts on which the party relies in numbered paragraphs, and it shall be sufficient if it clearly informs the opposite party of the true nature of the claim or defense.

(e) An allegation of fact in a pleading that is not denied by the adverse party's pleading, when the adverse party is required by these Rules to file such pleading, is deemed to be admitted. An allegation in a pleading that the party does not know whether a fact exists shall be treated as a denial that the fact exists.

(f) Requirements of pleadings applicable to instruments not under seal shall apply to instruments under seal.

(g) Requirements of pleadings applicable to legal defenses shall apply to equitable defenses.

(h) The clerk shall note and attest the filing date on every pleading. In an Electronically Filed Case, the procedures of Rule 1:17 shall be applicable to the notation by the clerk of the date of filing.

(i) The mention in a pleading of an accompanying exhibit shall, of itself and without more, make such exhibit a part of the pleading. Filing of such exhibits shall be governed by Rule 3:4.

(j) Brevity is enjoined as the outstanding characteristic of good pleading. In any pleading a simple statement, in numbered paragraphs, of the essential facts is sufficient.

(k) A party asserting either a claim, counterclaim, cross-claim, or third-party claim or a defense may plead alternative facts and theories of recovery against alternative parties, provided that such claims, defenses, or demands for relief so joined arise out of the same transaction or occurrence. When two or more statements are made in the

alternative and one of them if made independently would be sufficient, the pleading is not made insufficient by the insufficiency of one or more of the alternative statements. A party may also state as many separate claims or defenses as he has regardless of consistency and whether based on legal or equitable grounds.

(1) Every pleading, motion or other paper served or filed shall contain at the foot the office address and telephone number of the counsel of record submitting it, along with any facsimile number regularly used for business purposes by such counsel of record.

Last amended by Order dated March 1, 2011; effective May 2, 2011.

Rule 1:5. Counsel.

When used in these Rules, the word “counsel” includes a partnership, a professional corporation or an association of members of the Virginia State Bar practicing under a firm name.

When such firm name is signed to a pleading, notice or brief, the name of at least one individual member or associate of such firm must be signed to it. Papers filed electronically may be signed electronically or by inclusion of a digital image of the signature, as provided in Rule 1:17. Signatures to briefs and petitions for rehearing may be printed or typed and need not be in handwriting.

Service on one member or associate of such firm shall constitute service on the firm. Service is not required to be made on foreign attorneys.

“Counsel of record” includes a counsel or party who has signed a pleading in the case or who has notified the other parties and the clerk in writing that he appears in the case. Counsel of record shall not withdraw from a case except by leave of court after notice to the client of the time and place of a motion for leave to withdraw.

PART ONE
RULES APPLICABLE TO ALL PROCEEDINGS

Rule 1:6. Res Judicata Claim Preclusion.

(a) *Definition of Cause of Action.* A party whose claim for relief arising from identified conduct, a transaction, or an occurrence, is decided on the merits by a final judgment, shall be forever barred from prosecuting any second or subsequent civil action against the same opposing party or parties on any claim or cause of action that arises from that same conduct, transaction or occurrence, whether or not the legal theory or rights asserted in the second or subsequent action were raised in the prior lawsuit, and regardless of the legal elements or the evidence upon which any claims in the prior proceeding depended, or the particular remedies sought. A claim for relief pursuant to this rule includes those set forth in a complaint, counterclaim, cross-claim or third-party pleading.

(b) *Effective Date.* This rule shall apply to all Virginia judgments entered in civil actions commenced after July 1, 2006.

(c) *Exceptions.* The provisions of this Rule shall not bar a party or a party's insurer from prosecuting separate personal injury and property damage suits arising out of the same conduct, transaction or occurrence, and shall not bar a party who has pursued mechanic's lien remedies pursuant to Virginia Code § [43-1](#) et seq. from prosecuting a subsequent claim against the same or different defendants for relief not recovered in the prior mechanic's lien proceedings, to the extent heretofore permitted by law.

(d) *Privity.* The law of privity as heretofore articulated in case law in the Commonwealth of Virginia is unaffected by this Rule and remains intact. For purposes of this Rule, party or parties shall include all named parties and those in privity.

Rule 1:8. Amendments.

No amendments shall be made to any pleading after it is filed save by leave of court. Leave to amend shall be liberally granted in furtherance of the ends of justice. Unless otherwise provided by order of the court in a particular case, any written motion for leave to file an amended pleading shall be accompanied by a properly executed proposed amended pleading, in a form suitable for filing. If the motion is granted, the amended pleading accompanying the motion shall be deemed filed in the clerk's office as of the date of the court's order permitting such amendment. If the motion is granted in part, the court may provide for filing an amended pleading as the court may deem reasonable and proper. Where leave to amend is granted other than upon a written motion, whether on demurrer or oral motion or otherwise, the amended pleading shall be filed within 21 days after leave to amend is granted or in such time as the court may prescribe. In granting leave to amend the court may make such provision for notice thereof and opportunity to make response as the court may deem reasonable and proper.

The time allowed for filing pleadings may be extended by the court in its discretion and such extension may be granted although the time fixed already has expired; but the time fixed for the filing of a motion challenging the venue shall in no case be extended except to the extent permitted by § [8.01-264](#).

At any time before the court passes on the motion or within such time thereafter as the court may prescribe, the pleading may be sworn to or the affidavit filed. In an Electronically Filed Case, verification shall be subject to the provisions of Rule 1:17.

If the court overrules a motion to strike the evidence and there is a hung jury, the moving party may renew the motion immediately after the discharge of the jury, and, if the court is of opinion that it erred in denying the motion, it shall enter summary judgment or partial summary judgment in conformity with its ruling on the motion to strike.

Rule 1:12. Service of Papers after the Initial Process.

All pleadings, motions and other papers not required to be served otherwise and requests for subpoenas duces tecum shall be served by delivering, dispatching by commercial delivery service, transmitting by facsimile, delivering by electronic mail when Rule 1:17 so provides or when consented to in writing signed by the person to be served, or by mailing, a copy to each counsel of record on or before the day of filing.

Subject to the provisions of Rule 1:17, service pursuant to this Rule shall be effective upon such delivery, dispatch, transmission or mailing, except that papers served by facsimile transmission completed after 5:00 p.m. shall be deemed served on the next day that is not a Saturday, Sunday, or legal holiday. Service by electronic mail under this Rule is not effective if the party making service learns that the attempted service did not reach the person to be served.

At the foot of such pleadings and requests shall be appended either acceptance of service or a certificate of counsel that copies were served as this Rule requires, showing the date of delivery and method of service, dispatching, transmitting, or mailing. When service is made by electronic mail, a certificate of counsel that the document was served by electronic mail shall be served by mail or transmitted by facsimile to each counsel of record on or before the day of service.

- (5) Remote electronic access to documents submitted in an electronically filed case and stored electronically shall be limited to judges, court personnel, any persons assisting such persons in the administration of the electronic filing system, and to counsel of record, including parties appearing pro se, who have complied with the registration requirements to use the electronic filing system.
- (6) If the court accepts payment of fees by credit card, debit card, debit account, or electronic funds transfer, registration for the user identity shall include submission of all information required to effect the payment of fees. Electronic submission of this information shall be deemed a signature by the cardholder sender, authorizing the payment of document filing fees. This information shall be kept confidential. There shall be an electronic confirmation from the clerk of any charge to or the debit from the user's account.
- (7) No unauthorized person shall be permitted access to other court networks, data or applications unrelated to electronic filing. Administrative access to computer equipment and networks handling electronic filing will be restricted to designated court employees or authorized maintenance personnel.
- (8) Electronic filing systems must reasonably protect filed documents against system and security failures and must provide, at a minimum, for daily backup, periodic off-site backup storage if feasible, and prudent disaster recovery mechanisms.

(d) Electronic Service and Filing Practice and Procedures.

(1) In an Electronically Filed Case, all pleadings, motions, notices and other material filed with the court shall be in the form of Electronic Documents except where otherwise expressly provided by statute or the Rules of Court, or where the court orders otherwise in an individual case for good cause shown.

(2) Each attorney admitted to practice in the Commonwealth shall be entitled to a registered User ID and password issued by the clerk, or access using any comparable identification system approved by the Supreme Court, for the electronic filing and retrieval of documents.

(3) The clerk shall provide a means, in the courthouse or other designated location, for the parties, counsel and the public to review and copy electronic records from the electronic file during normal business hours.

(4) The format for electronically filed material shall be the Portable Document Format (PDF). Notice will be provided if any other format is approved.

(5) (i) Subject to the provisions of subsections (d)(6) and (7) of this Rule, an electronic document shall be filed by following the procedures of the applicable E-Filing Portal, and shall be deemed filed on the date that it is received in the E-Filing Portal. Filings will be accepted during normal business hours and until 11:59:59 p.m. on any day the clerk's office is open.

(ii) Upon electronic filing of a document, an electronic confirmation shall be transmitted to the filing party indicating that the document has been successfully filed through the E-Filing Portal. In addition, the court to which the document is directed shall promptly transmit an electronic acknowledgement of its receipt of the electronically filed document, specifying the identity of the receiving court, the date the document was received by the court, and a court-assigned document reference or docketing number.

(6) A person who files a document electronically shall have the same responsibility as a person filing a document in paper form to ensure that the document is properly filed, complete, and readable. However,

(i) if technical problems at the E-Filing Portal result in a failure to timely file the electronic document, counsel shall provide to the clerk of the court on the next business day all documentation which exists demonstrating the attempt to file the document through the E-Filing Portal, any delivery failure notice received in response to the attempt, and a copy of the document, and

(ii) in the event that the E-Filing Portal was not available due to technical problems during the last filing hours of a business day, the office of the clerk of the court to which the document is directed shall be deemed to have been closed on that day solely with respect to that attempted filing and the provisions of Virginia Code § [1-210\(B\)](#) and [\(C\)](#) shall apply to that particular attempted filing for purposes of computing the last day for performing any act in a judicial proceeding or the filing of any legal action.

(7) (i) If the clerk of court determines that an electronically filed document is defective because of an incorrect or missing filing fee or missing signature or required verification, notice shall be sent electronically to the filing party, who shall have a period of five business days after such notice is transmitted in which to cure the defect. A copy of this notice will be retained in the permanent electronic case file maintained by the court. The document remains validly filed during the period afforded for curing such defects and until an order of the court provides otherwise.

(ii) If the defect in an electronically filed document set forth in a notice transmitted pursuant to subsection (d)(7)(i) is not cured within the permitted period, or if any other defect considered grounds for rejection or striking of a filed document are identified by the clerk, the clerk shall prepare and transmit electronically to all parties a notice that the defect will be presented to a judge of the court at a specified date and time for consideration of an order striking the document from the court records or directing other action. The hearing date specified in the notice under this subsection shall be at least 10 calendar days after transmission of the notice for that hearing.

(8) The clerk's office must accommodate the submission of non-electronic documents in an Electronically Filed Case if filing in electronic form cannot, as a practical matter, be achieved. Such documents shall be imaged to facilitate the creation of a single electronic case file to the extent reasonably possible. An oversized document that is capable of being imaged shall be retained in the form submitted.

(9) When a judge enters an order, the judge or clerk will update the electronic record to indicate the identity of the judge entering the order and the date it was entered, and shall send a notification to counsel of record that the order has been entered, along with a copy of the order or an electronic link providing access to such order. If the entry of an order is done on a paper copy of the order, a digital image of such order shall be made a part of the electronic record, and the endorsed original paper shall be retained for the record.

(10) Hyperlinks between two portions of a filed document or between two or more documents filed in the same case, are permissible, but hyperlinks to other

documents, or to external websites, are prohibited. A hyperlink is not itself a part of the official filed document and each hyperlink must contain a text reference to the target of the link.

(e) *Application of, and Compliance with, Other Rules.* In an Electronically Filed Case:

(1) Unless otherwise agreed by all parties, or ordered by the court in an individual case for good cause shown, all documents required to be served – after the initial service of process – may be served by electronic transmission, or by delivering, dispatching by commercial delivery service, transmitting by facsimile, or mailing, a copy to each counsel of record on or before the day of filing. Such service shall be effective as provided in Rule 1:12.

(2) Annotation by the clerk as provided in Rule 1:4(h) is not required to be made physically upon the face of the pleading and – if it is made by a separate document – it shall specify the pleading to which such annotation pertains.

(3) An e-mail address of the counsel of record shall be included in the electronic documents filed as required by Rule 1:4(l).

(4) The approved electronic identification accompanying the document when filed shall constitute that person's signature on the document for purposes of Rule 1:5 and Virginia Code § [8.01-271.1](#).

(5) The provisions of Article 4.1 (§§ [17.1-258.2](#) et seq.) of Chapter 2 of Title 17.1 of the Code of Virginia shall be applicable where a document is to be notarized, sworn, attested, verified, or otherwise certified, or if any sworn signatures, stamps, seals or other authentications relating to the document are required by any statute or Rule, and an electronic or digitally imaged document with such accompanying entries shall be filed in the clerk's office. Electronic notarization in compliance with the Virginia Notary Act (§§ [47.1-1](#) et seq.) may also be employed with the filing.

(6) An acceptance of service or a certificate of counsel that electronic copies were served as this Rule requires, showing the date of delivery, shall electronically accompany the served papers and shall satisfy Rule 1:12.

(7) In compliance with Rule 1:13, drafts of orders, decrees and notices shall be served on each counsel of record. Such service may be by electronic transmission and shall make provision for electronic endorsement by multiple parties where applicable. Objections or other notations by the parties shall be entered upon the drafts so circulated, or appended to such drafts by specific cross-reference or other unambiguous association. Endorsed drafts shall be submitted electronically whenever possible, and shall be accompanied by proof of service or acceptance of service when required by the rules of court. If there is no practical

means of submitting an electronic or digitally imaged endorsed draft, the manually endorsed document shall be filed in the clerk's office. The clerk shall accommodate the imaging of the document into electronic form and shall retain the original endorsed document.

A. In any civil case the parties, by counsel of record, may agree and submit for approval and entry by the court a pretrial scheduling order. If the court determines that the submitted order is not consistent with the efficient and orderly administration of justice, then the court shall notify counsel and provide an opportunity to be heard.

No court shall enter the Uniform Pretrial Scheduling Order unless notice has been provided to all counsel of record at least 14 days prior to entry of the order. Upon motion by any party objecting to entry of the Uniform Pretrial Scheduling Order, the court shall hold a hearing prior to entry of the order. With the exception of domestic relations cases, a court may not enter a scheduling order which deviates from the terms of the Uniform Pretrial Scheduling Order unless either (1) counsel of record for all parties agree to different provisions, or (2) the court, after providing an opportunity for counsel of record to be heard, makes a finding that the scheduling order contained in the Appendix is not consistent with the efficient and orderly administration of justice under the specific circumstances of that case.

APPENDIX

Rule 3. Uniform Pretrial Scheduling Order (Rule 1:18B).

I. Trial

The trial date is (with a jury) (without a jury).

The estimated length of trial is

II. Discovery

The parties shall complete discovery, including depositions, by 30 days before trial; however, depositions taken in lieu of live testimony at trial will be permitted until 15 days before trial. "Complete" means that all interrogatories, requests for production, requests for admissions and other discovery must be served sufficiently in advance of trial to allow a timely response at least 30 days before trial. Depositions may be taken after the specified time period by agreement of counsel of record or for good cause shown, provided however, that the taking of a deposition after the deadline established herein shall not provide a basis for continuance of the trial date or the scheduling of motions inconsistent with the normal procedures of the court. The parties have a duty to seasonably supplement and amend discovery responses pursuant to Rule 4:1(e) of the Rules of Supreme Court of Virginia. Seasonably means as soon as practical. No provision of this Order supersedes the Rules of Supreme Court of Virginia governing discovery. Any discovery motion filed shall contain a certification that counsel has made a good faith effort to resolve the matters set forth in the motion with opposing counsel.

III. Designation of Experts

If requested in discovery, plaintiff's, counter-claimant's, third party plaintiff's, and cross-claimant's experts shall be identified on or before 90 days before trial. If requested in discovery, defendant's and all other opposing experts shall be identified on or before 60 days before trial. If requested in discovery, experts or opinions responsive to new matters raised in the opposing parties, identification of experts shall be designated no later than 45 days before trial. If requested, all information discoverable under Rule 4:1(b)(4)(A)(1) of the Rules of Supreme Court of Virginia shall be provided or the expert will not ordinarily be permitted to express any nondisclosed opinions at trial. The foregoing deadlines shall not relieve a party of the obligation to respond to discovery requests within the time periods set forth in the Rules of Supreme Court of Virginia, including, in particular, the duty to supplement or amend prior responses pursuant to Rule 4:1(e).

IV. Dispositive Motions

All dispositive motions shall be presented to the court for hearing as far in advance of the trial date as practical. All counsel of record are encouraged to bring on for hearing all demurrers, special pleas, motions for summary judgment or other dispositive motions not more than 60 days after being filed.

V. Exhibit and Witness List

Counsel of record shall exchange 15 days before trial a list specifically identifying each exhibit to be introduced at trial, copies of any exhibits not previously supplied in discovery, and a list of witnesses proposed to be introduced at trial. The lists of exhibits and witnesses shall be filed with the Clerk of the Court simultaneously therewith but the exhibits shall not then be filed. Any exhibit or witness not so identified and filed will not be received in evidence, except in rebuttal or for impeachment or unless the admission of such exhibit or testimony of the witness would cause no surprise or prejudice to the opposing party and the failure to list the exhibit or witness was through inadvertence. Any objections to exhibits or witnesses shall state the legal reasons therefor except on relevancy grounds, and shall be filed with the Clerk of the Court and a copy delivered to opposing counsel at least five days before trial or the objections will be deemed waived absent leave of court for good cause shown.

VI. Pretrial Conferences

Pursuant to Rule 4:13 of the Rules of Supreme Court of Virginia, when requested by any party or upon its own motion, the court may order a pretrial conference wherein motions in limine, settlement discussions or other pretrial motions which may aid in the disposition of this action can be heard.

VII. Motions in Limine

Absent leave of court, any motion in limine which requires argument exceeding five minutes shall be duly noticed and heard before the day of trial.

VIII. Witness Subpoenas

Early filing of a request for witness subpoenas is encouraged so that such subpoenas may be served at least 10 days before trial.

IX. Continuances

Continuances will only be granted by the court for good cause shown.

X. Jury Instructions

Counsel of record, unless compliance is waived by the court, shall, two business days before a civil jury trial date, exchange proposed jury instructions. At the commencement of trial, counsel of record shall tender the court the originals of all agreed upon

instructions and copies of all contested instructions with appropriate citations. This requirement shall not preclude the offering of additional instructions at the trial.

XI. Deposition Transcripts to be Used at Trial

Counsel of record shall confer and attempt to identify and resolve all issues regarding the use of depositions at trial. It is the obligation of the proponent of any deposition of any non-party witness who will not appear at trial to advise opposing counsel of record of counsel's intent to use all or a portion of the deposition at trial at the earliest reasonable opportunity. Other than trial depositions taken after completion of discovery under Paragraph II, designations of portions of non-party depositions, other than for rebuttal or impeachment, shall be exchanged no later than 15 days before trial, except for good cause shown or by agreement of counsel. It becomes the obligation of the opponent of any such deposition to bring any objection or other unresolved issues to the court for hearing before the day of trial, and to counter-designate any additional portions of designated depositions at least 5 days before such hearing.

XII. Waiver or Modification of Terms of Order

Upon motion, the time limits and prohibitions contained in this order may be waived or modified by leave of court for good cause shown.

Rule 1A:1. Foreign Attorneys - When Admitted to Practice in This State Without Examination.

Any person who has been admitted to practice law before the court of last resort of any state or territory of the United States or of the District of Columbia may file an application to be admitted to practice law in this Commonwealth without examination, if counsel licensed to practice here may be admitted to practice there without examination.

The applicant shall:

- (1) File with the secretary of the Virginia Board of Bar Examiners an application, under oath, upon a form furnished by the Board.
- (2) Furnish a certificate, signed by the presiding judge of the court of last resort of the jurisdiction in which the applicant is entitled to practice law, stating that the applicant has been so licensed for at least five years.
- (3) Complete the Applicant's Character and Fitness Questionnaire and furnish a report of the National Conference of Bar Examiners, or such other report as the Board may prescribe, concerning the applicant's past practice and record, and pay the fee for such report.
- (4) Pay such filing fee as may be fixed from time to time by the Board.

Thereafter, the Board will determine in accordance with guidelines approved by the Supreme Court whether the applicant has established by satisfactory evidence that he or she:

- (a) Is a proper person to practice law.
- (b) Has made such progress in the practice of law that it would be unreasonable to require the applicant to take an examination.
- (c) Intends to practice full time as a member of the Virginia State Bar.

In the determination of these matters the Board may require the applicant to appear personally before the Board, the Character and Fitness Committee of the Board, or a member of either the Board or the Committee, and furnish such information as may be required.

If it is determined that the applicant has established that he or she meets all of the aforementioned requirements, the Board shall notify the applicant that some member of

the Virginia State Bar who is qualified to practice before the Supreme Court may make an oral motion in open Court for the applicant's admission to practice law in this Commonwealth.

Upon such motion for admission, the applicant shall thereupon take and subscribe to the oaths required of attorneys at law, whereupon the Board shall issue to the applicant a certificate to practice law in the Commonwealth, and the applicant shall, upon payment of applicable dues, become an active member of the Virginia State Bar.

RULES OF SUPREME COURT OF VIRGINIA
PART ONE A

Rule 1A:4. Out-of-State Lawyers - When Allowed by Comity to Participate in a Case *Pro Hac Vice*.

1. *Introduction.* A lawyer who is not a member of the Virginia State Bar, but is currently licensed and authorized to practice law in another state, territory, or possession of the United States of America (hereinafter called an "out-of-state lawyer") may apply to appear as counsel *pro hac vice* in a particular case before any court, board or administrative agency (hereinafter called "tribunal") in the Commonwealth of Virginia upon compliance with this rule.

2. *Association of Local Counsel.* No out-of-state lawyer may appear *pro hac vice* before any tribunal in Virginia unless the out-of-state lawyer has first associated in that case with a lawyer who is an active member in good standing of the Virginia State Bar (hereinafter called "local counsel"). The name of local counsel shall appear on all notices, orders, pleadings, and other documents filed in the case. Local counsel shall personally appear and participate in pretrial conferences, hearings, trials, or other proceedings actually conducted before the tribunal. Local counsel associating with an out-of-state lawyer in a particular case shall accept joint responsibility with the out-of-state lawyer to the client, other parties, witnesses, other counsel and to the tribunal in that particular case. Any pleading or other paper required to be served (whether relating to discovery or otherwise) shall be invalid unless it is signed by local counsel. The tribunal in which such case is pending shall have full authority to deal with local counsel exclusively in all matters connected with the pending case. If it becomes necessary to serve notice or process in the case, any notice or process served upon local counsel shall be deemed valid as if served on the out-of-state lawyer.

3. *Procedure for applying.* Appearance *pro hac vice* in a case is subject to the discretion and approval of the tribunal where such case is pending. An out-of-state lawyer desiring to appear *pro hac vice* under this rule shall comply with the procedures set forth herein for each case in which *pro hac vice* status is requested. For good cause shown, a tribunal may permit an out-of-state lawyer to appear *pro hac vice* on a temporary basis prior to completion by the out-of-state lawyer of the application procedures set forth herein. At the time such temporary admission is granted, the tribunal shall specify a time limit within which the out-of-state lawyer must complete the application procedures, and any temporary *pro hac vice* admission shall be revoked in the event the out-of-state lawyer fails to complete the application procedure within the time limit.

(a) *Notarized Application.* In order to appear *pro hac vice* as counsel in any matter pending before a tribunal in the Commonwealth of Virginia, an out-of-state lawyer shall deliver to local counsel to file with the tribunal an original notarized application and a non-refundable application fee of \$250.00 payable to the Clerk of the Supreme Court. *Pro hac vice* counsel must submit a notarized

application with the non-refundable application fee of \$250.00 for each separate case before a tribunal. The fee shall be paid to the Clerk of the Supreme Court of Virginia. The tribunal shall file a copy of the notarized application, as well as its order granting *pro hac vice* admission in the case and the \$250.00 fee, with the Clerk of the Supreme Court of Virginia. Original, notarized applications and orders granting, denying or revoking applications to appear *pro hac vice* shall be retained in a separate file containing all applications. The clerk of the tribunal shall maintain the application for a period of three years after completion of the case and all appeals.

(b) Motion to associate counsel *pro hac vice*. Local counsel shall file a motion to associate the out-of-state lawyer as counsel *pro hac vice* with the tribunal where the case is pending, together with proof of service on all parties in accordance with the Rules of the Supreme Court of Virginia. The motion of local counsel shall be accompanied by: (1) the original, notarized application of the out-of-state lawyer; (2) a proposed order granting or denying the motion; and (3) the required application fee.

(c) Entry of Order. The order granting or denying the motion to associate counsel *pro hac vice* shall be entered by the tribunal promptly and a copy of the order shall be forwarded to the Clerk of the Supreme Court. An out-of-state lawyer shall make no appearance in a case until the tribunal where the case is pending enters the order granting the motion to associate counsel *pro hac vice* unless temporary admission has been approved pursuant to this rule. The order granting *pro hac vice* status shall be valid until the case is concluded in the courts of this Commonwealth or a court revokes the *pro hac vice* admission.

4. *Notarized Application.* The notarized application required by this rule shall be on a form approved by the Supreme Court of Virginia and available at the office of the clerk of the tribunal where the case is pending.

5. *Discretion and Limitation on Number of Matters.* The grant or denial of a motion pursuant to this rule by the tribunal is discretionary. The tribunal shall deny the motion if the out-of-state lawyer has been previously admitted *pro hac vice* before any tribunal or tribunals in Virginia in twelve (12) cases within the last twelve (12) months preceding the date of the current application. In the enforcement of this limitation, the tribunal may consider whether the pending case is a related or consolidated matter for which the out-of-state lawyer has previously applied to appear *pro hac vice*. Before ruling on a *pro hac vice* motion, the tribunal shall verify with the Supreme Court of Virginia the number of cases during the preceding twelve (12) months in which the out-of-state lawyer was admitted in Virginia *pro hac vice*.

6. *Transfer of Venue and Appeal.* The out-of-state lawyer's *pro hac vice* admission shall be deemed to continue in the event the venue in the case or proceeding is transferred to another tribunal or is appealed; provided, however, that the tribunal having

jurisdiction over such transferred or appealed case shall have the discretion to revoke the authority of the out-of-state lawyer to appear *pro hac vice*.

7. *Duty to Report Status.* An out-of-state lawyer admitted *pro hac vice* shall have a continuing obligation during the period of such admission to advise the tribunal promptly of any disposition made of pending disciplinary charges or the institution of any new disciplinary proceedings or investigations. The tribunal shall advise the Clerk of the Supreme Court of Virginia if the tribunal denies or revokes the out-of-state lawyer's permission to appear *pro hac vice*.

8. *Record-keeping.* The Clerk of the Supreme Court of Virginia will maintain an electronic database necessary for the administration and enforcement of this rule.

9. *Disciplinary Jurisdiction of the Virginia State Bar.* An out-of-state lawyer admitted *pro hac vice* pursuant to this rule shall be subject to the jurisdiction of all tribunals and agencies of the Commonwealth of Virginia, and the Virginia State Bar, with respect to the laws and rules of Virginia governing the conduct and discipline of out-of-state lawyers to the same extent as an active member of the Virginia State Bar. An applicant or out-of-state lawyer admitted *pro hac vice* may be disciplined in the same manner as a member of the Virginia State Bar.

10. *In-State Services Related to Out-of-State Proceedings.* Subject to the requirements and limitations of Rule 5.5 of the Virginia Rules of Professional Conduct, an out-of-state lawyer may provide the following services without the entry of a *pro hac vice* order:

(a) In connection with a proceeding pending outside of Virginia, an out-of-state lawyer admitted to appear in that proceeding may render legal services in Virginia pertaining to or in aid of such proceeding.

(b) In connection with a case in which an out-of-state lawyer reasonably believes he is eligible for admission *pro hac vice* under this rule: (1) the out-of-state lawyer may consult in Virginia with a member of the Virginia State Bar concerning a pending or potential proceeding in Virginia; (2) the out-of-state lawyer may, at the request of a person in Virginia contemplating or involved in a proceeding in Virginia, consult with that person about that person's retention of the out-of-state lawyer in connection with that proceeding; and (3) on behalf of a client residing in Virginia or elsewhere, the out-of-state lawyer may render legal services in Virginia in preparation for a potential case to be filed in Virginia.

(c) An out-of-state lawyer may render legal services to prepare for and participate in an ADR process, regardless of where the ADR process or proceeding is expected to take place or actually takes place.

(4) Certify that the applicant has read and is familiar with the Virginia Rules of Professional Conduct.

(5) Pay an application fee of one-hundred and fifty dollars.

(c) During the period in which an application for a Corporate Counsel Certificate is pending with the Virginia State Bar until the applicant is notified that either (i) his or her application is rejected; or (ii) he or she is eligible to practice pursuant to Part I of this rule, the applicant may be employed in Virginia as Certified Corporate Counsel on a provisional basis by an Employer furnishing the affidavit required by Part I(b)(3) of this rule.

(d) Upon a finding by the Virginia State Bar that the applicant has complied with the requirements of Part I(b) of this rule, the Virginia State Bar shall notify the applicant that he or she is eligible to be issued a Corporate Counsel Certificate. After the applicant has taken and subscribed to the oath required of attorneys at law, the applicant shall be issued a Corporate Counsel Certificate, which shall permit the applicant to practice law in Virginia solely as provided in Part I(f) of this rule. The applicant may take the required oath by appearing before the Justices of the Supreme Court of Virginia in Richmond at an appointed date and time or by appearing before a judge of a court of record in Virginia. The necessary motion and oath for an applicant who appears before a judge of a court of record can be found in the Appendix of Forms following Part One A of the Rules.

(e) A lawyer issued a Corporate Counsel Certificate shall immediately become an active member of the Virginia State Bar, with his or her practice limited as provided in Part I(f) of this rule, and shall pay to the Virginia State Bar the annual dues required of regularly admitted active members of the Virginia State Bar.

(f) The practice of a lawyer certified pursuant to Part I of this rule shall be limited to practice exclusively for the Employer furnishing the affidavit required by Part I(b)(3) of this rule, including its subsidiaries and affiliates, and may include appearing before a Virginia court or tribunal as counsel for the Employer. Except as specifically authorized under Part I (g) below, no lawyer certified pursuant to Part I of this rule shall (i) undertake to represent any person other than his or her Employer before a Virginia court or tribunal; (ii) offer or provide legal services to any person other than his or her Employer; (iii) undertake to provide legal services to any other person through his or her Employer; or (iv) hold himself or herself out to be authorized to provide legal services or advice to any person other than his or her Employer.

(g) Notwithstanding the restrictions set out in Part I (f) above on the scope of practice, a lawyer certified pursuant to Part I of this rule may, and is encouraged to, provide voluntary *pro bono publico* services in accordance with Rule 6.1 of the Virginia Rules of Professional Conduct.

(h) All legal services provided in Virginia by a lawyer certified pursuant to Part I of this rule shall be deemed the practice of law in Virginia and shall subject the lawyer to all rules governing the practice of law in Virginia, including the Virginia Rules of Professional Conduct and Part 6, Section IV, Paragraph 13 of the Rules of the Supreme Court of Virginia. Jurisdiction of the Virginia State Bar shall continue whether or not the lawyer retains the Corporate Counsel Certificate and irrespective of the lawyer's presence in Virginia.

(i) A lawyer certified pursuant to Part I of this rule shall be subject to the same membership obligations as other active members of the Virginia State Bar, including Mandatory Continuing Legal Education requirements. A lawyer certified pursuant to Part I of this rule shall use as his or her address of record with the Virginia State Bar a business address in Virginia of the Employer furnishing the affidavit required by Part I(b)(3) of this rule.

(j) A lawyer certified pursuant to Part I of this rule shall promptly report to the Virginia State Bar any change in employment, any change in bar membership status in any state, territory of the United States or the District of Columbia in which the lawyer has been admitted to the practice of law, or the imposition of any disciplinary sanction in a state, territory of the United States or the District of Columbia or by any federal court or agency before which the lawyer has been admitted to practice.

(k) A lawyer's authority to practice law which may be permitted pursuant to Part I of this rule shall be automatically suspended when (i) employment by the Employer furnishing the affidavit required by Part I(b)(3) of this rule is terminated, (ii) the lawyer fails to comply with any provision of Part I of this rule, or (iii) when the lawyer is suspended or disbarred for disciplinary reasons in any state, territory of the United States or the District of Columbia or by any federal court or agency before which the lawyer has been admitted to practice. Any lawyer whose authority to practice is suspended pursuant to (i) above shall be reinstated upon evidence satisfactory to the Virginia State Bar that the lawyer is in full compliance with the requirements of Part I of this rule, which shall include an affidavit furnished by the lawyer's new Employer. Any lawyer whose authority to practice is suspended pursuant to (ii) above may be reinstated by compliance with applicable provisions of Part 6, Section IV, Paragraph 19 of the Rules of the Supreme Court of Virginia. Any lawyer whose authority to practice is suspended or terminated under (iii) above shall petition for reinstatement pursuant to Part 6, Section IV, Paragraph 13 I.7. of the Rules of the Supreme Court of Virginia.

The period of time a lawyer practices law is permitted by a Corporate Counsel Certificate issued pursuant to Part I of this rule shall be considered in determining whether the lawyer has fulfilled the requirements for admission to practice law in

Virginia without examination pursuant to Rule 1A:1 and any guidelines approved by the Supreme Court of Virginia for review of applications for admission without examination.

(m) The Virginia State Bar may adopt regulations as needed to implement the requirements of Part I of this rule.

Part II

(a) Notwithstanding the requirements of Part I of this rule, any lawyer as defined in the Introduction and Part I(a) of this rule may register with the Virginia State Bar as a "Corporate Counsel Registrant." A person admitted to the practice of law only in a country other than the United States, and who is a member in good standing of a recognized legal profession in that country, the members of which are admitted to practice law as lawyers, counselors at law, or the equivalent, and are subject to effective regulation and discipline by a duly constituted professional body or public authority, may also register under Part II of this rule.

(a) A lawyer admitted to the practice of law in a state or territory of the United States, other than Virginia, who is serving in or employed by the armed services and is authorized to provide legal assistance pursuant to 10 U.S. Code § 1044, may apply to the Board of Bar Examiners for a certificate as a Registered Military Legal Assistance Attorney in Virginia ("Military Legal Assistance Attorney Certificate") to represent clients eligible for legal assistance in the courts and tribunals of this Commonwealth while the lawyer is employed, stationed, or assigned within Virginia.

(1) File with the secretary of the Virginia Board of Bar Examiners an application, under oath, upon a form furnished by the Board.

(2) Furnish a certificate, signed by the presiding judge of the court of last resort, or other appropriate official of the jurisdiction in which the applicant is admitted to practice law, stating that the applicant is licensed to practice law and is an active member in good standing of the bar of such jurisdiction.

(3) File an affidavit, upon a form furnished by the Board, from commanding officer, staff judge advocate or chief legal officer of the military base in Virginia where the applicant is employed, stationed, or assigned, attesting to the fact that the applicant is serving as a lawyer to provide legal services exclusively for the military, that the nature of the applicant's employment or service conforms to the requirements of this rule, and that the commanding officer, staff judge advocate or chief legal officer, or his or her successor, shall notify the Virginia State Bar immediately upon the termination of the applicant's employment or service at the military base.

(c) Upon a finding by the Board of Bar Examiners that the applicant has produced evidence sufficient to satisfy the Board that the applicant is a person of honest demeanor and good moral character who possesses the requisite fitness to perform the obligations and responsibilities of a practicing attorney at law and satisfies all other requirements of this rule, the Board shall notify the applicant that he or she is eligible to be issued a Military Legal Assistance Attorney Certificate. After the applicant has taken and subscribed to the oaths required of attorneys at law, the Board shall issue to the applicant a Military Legal Assistance Attorney Certificate, which shall entitle the applicant to represent clients eligible for legal assistance in the courts and tribunals of this Commonwealth solely as provided in this rule.

(d) Each lawyer issued a Military Legal Assistance Attorney Certificate shall immediately register as an active member of the Virginia State Bar, with his or her practice limited as provided in this rule, and pay to the Virginia State Bar the same dues required of regularly admitted active members. (The requirement to pay dues shall be waived for a lawyer during the first two years immediately following the initial issue of a Military Legal Assistance Attorney Certificate to that lawyer.)

(e) The practice of a lawyer registered under this rule shall be limited within this Commonwealth to practice exclusively pursuant to the laws, rules, and regulations governing the military services, and may include appearing before a court or tribunal of this Commonwealth as counsel for a client eligible for legal assistance on:

- (1) Adoptions,
- (2) Guardianships,
- (3) Name changes,
- (4) Divorces,
- (5) Paternity,
- (6) Child custody and visitation, and child and spousal support,
- (7) Landlord-tenant disputes on behalf of tenants,
- (8) Consumer advocacy cases involving alleged breaches of contracts or warranties, repossession, or fraud,
- (9) Garnishment defense,
- (10) Probate,
- (11) Enforcement of rights under the Soldiers' and Sailors' Civil Relief Act of 1940 (50 U.S. Code App. §§ 501-548, 560-593),
- (12) Enforcement of rights under the Uniformed Services Employment and Reemployment Rights Act of 1994 (38 U.S. Code §§ 4301-4333), and
- (13) Such other cases within the discretion of the court or tribunal before which the matter is pending.

(f) Representation in proceedings before courts or tribunals of this Commonwealth shall be limited to low-income legal assistance clients for whom hiring a lawyer in private practice would entail a substantial financial hardship to themselves or their families. All pleadings filed by a legal assistance attorney will cite this rule, include

the name, complete address, and telephone number of the military legal office representing the client and the name, rank or grade, and armed service of the lawyer registered under this rule providing representation.

(g) No lawyer registered under this rule shall (i) undertake to represent any person other than an eligible legal assistance client before a court or tribunal of this Commonwealth, (ii) offer to provide legal services in this Commonwealth to any person other than as authorized by his or her military service, (iii) undertake to provide legal services in this Commonwealth to any person other than as authorized by his or her military service, or (iv) hold himself or herself out in this Commonwealth to be authorized to provide legal services to any person other than as authorized by his or her military service.

(h) Representing clients eligible for legal assistance in the courts or tribunals of this Commonwealth under this rule shall be deemed the practice of law and shall subject the lawyer to all rules governing the practice of law in Virginia, including the Virginia Rules of Professional Conduct and the Rules of Procedure for Disciplining Lawyers (Rules of Court, Pt. 6, Section IV, Paragraph 13). Jurisdiction of the Virginia State Bar shall continue whether or not the lawyer retains the Military Legal Assistance Attorney Certificate and irrespective of the lawyer's presence in Virginia.

A lawyer registered under this rule shall use as his or her address of record with the Virginia State Bar the military address in Virginia of the commanding officer, staff judge advocate or chief legal officer which filed the affidavit on the lawyer's behalf.

(j) Each person issued a Military Legal Assistance Attorney Certificate shall promptly report to the Virginia State Bar any change in employment or military service, any change in bar membership status in any state or territory of the United States, or the District of Columbia where the applicant has been admitted to the practice of law, or the imposition of any disciplinary sanction in a state or territory of the United States or the District of Columbia or by any federal court or agency where the applicant has been admitted to the practice of law.

(k) The limited authority to practice law which may be granted under this rule shall be automatically terminated when (i) the lawyer is no longer employed, stationed, or assigned at the military base in Virginia from which affidavit required by this rule was filed, (ii) the lawyer has been admitted to the practice of law in this state by examination or pursuant to any other provision of part 1A of these Rules, (iii) the lawyer fails to comply with any provision of this rule, (iv) the lawyer fails to maintain current good standing as an active member of a bar in at least one state or territory of the United States, other than Virginia, or the District of Columbia, or (v) when suspended or disbarred for disciplinary reasons in any state or territory of the United States or the

District of Columbia or by any federal court or agency where the lawyer has been admitted to the practice of law. If a lawyer is no longer employed, stationed, or assigned at the military base in Virginia from which affidavit required by this rule was filed, but the lawyer, within six months after the last day of employment or service, is re-employed by, or militarily reassigned to, the same military base or by another military base in Virginia filing the affidavit required by this rule, the Military Legal Assistance Attorney Certificate shall be reinstated upon evidence satisfactory to the Board that the lawyer remains in full compliance with all requirements of this rule.

The period of time a lawyer practices law full time on the basis of a Military Legal Assistance Attorney Certificate issued pursuant to this rule shall be considered in determining whether such lawyer has fulfilled the requirements for admission to practice law in this Commonwealth without examination under Rule 1A:1 and any guidelines approved by the Supreme Court of Virginia for review of applications for admission without examination.

RULES OF SUPREME COURT OF VIRGINIA
PART ONE A
FOREIGN ATTORNEYS

Rule 1A:7. Certification of Foreign Legal Consultants.

(a) *General Requirements.* A person admitted to practice law by the duly constituted and authorized professional body or governmental authority of any foreign nation may apply to the Virginia Board of Bar Examiners ("Board") for a certificate as a foreign legal consultant, provided the applicant:

(1) is a member in good standing of a recognized legal profession in a foreign nation, the members of which are admitted to practice as attorneys or counselors at law or the equivalent and are subject to effective regulation and discipline by a duly constituted professional body or a governmental authority;

(2) for at least five of the seven years immediately preceding his or her application has been a member in good standing of such legal profession and has actually been engaged in the authorized practice of law, substantially involving or relating to the rendering of advice or the provision of legal services concerning the law of the said foreign nation;

(3) possesses the good moral character and general fitness requisite for a member of the bar of this Commonwealth;

(4) is at least twenty-six years of age; and

(5) intends to practice as a foreign legal consultant in this Commonwealth and maintain an office in this Commonwealth for that purpose.

(b) *Proof Required.* An applicant under this rule shall file with the secretary of the Board:

(1) an application for a foreign legal consultant certificate, on a form furnished by the Board,

(2) a certificate, for each foreign nation in which the applicant is admitted to practice, from the professional body or governmental authority in such foreign country having final jurisdiction over professional discipline, certifying as to the applicant's admission to practice and the date thereof, and as to his or her good standing as an attorney or counselor at law or the equivalent;

(3) a letter of recommendation, for each foreign nation in which the applicant is admitted to practice, from one of the members of the executive body of such professional body or governmental authority or from one of the judges of the highest law court or court of original jurisdiction of such foreign country;

(4) a duly authenticated English translation of each certificate and letter if, in either case, it is not in English;

(5) a copy or summary of the law, regulations, and customs of the foreign country that describes the opportunity afforded to a member of the Virginia State Bar ("the Bar") to establish an office to provide legal services to clients in such foreign country, together with an authenticated English translation if it is not in English;

(6) the requisite documentation establishing the applicant's compliance with the immigration laws of the United States; and

(7) such other evidence as to the applicant's educational and professional qualifications, good moral character and general fitness, and compliance with the requirements of paragraph (a) of this rule as the Board may require.

(c) *Reciprocal Treatment of Members of the Bar of this Commonwealth.* In considering whether to certify an applicant to practice as a foreign legal consultant, the Board may in its discretion take into account whether a member of the Bar would have a reasonable and practical opportunity to establish an office and give legal advice to clients in the applicant's country of admission. Any member of the Bar who is seeking or has sought to establish an office or give advice in that country may request the Board to consider the matter, or the Board may do so sua sponte.

(d) *Scope of Practice.* A person certified to practice as foreign legal consultant under this Rule may render legal services in the Commonwealth only with regard to matters involving the law of foreign nation(s) in which the person is admitted to practice or international law. For purposes of this paragraph, the term "international law" means a body of laws, rules or legal principles that are based on custom, treaties or legislation and that control or affect (1) the rights and duties of nations in relation to other nations or their citizens, or (2) the rights and obligations pertaining to international transactions.

The practice permitted under this rule does not authorize the foreign legal consultant to appear in court.

(e) *Rights and Obligations.* Subject to the scope of practice limitations set forth in paragraph (d) of this rule, a person certified as a foreign legal consultant under this rule shall be entitled and subject to:

(1) the rights and obligations contained in the Virginia Rules of Professional Conduct as set forth in Part 6, Section II of the Rules of the Supreme Court of Virginia; and the procedure for disciplining attorneys as set forth in Part 6, Section IV, Paragraph 13 of the Rules of the Supreme Court of Virginia

(2) the rights and obligations of a member of the Bar with respect to:

(i) affiliation in the same law firm with one or more members of the bar of this Commonwealth, including by:

(A) employing one or more members of the Bar;

(B) being employed by one or more members of the Bar or by any partnership or other limited liability entity authorized to practice law pursuant to Part 6, Section IV, Paragraph 14 of the Rules of the Supreme Court of Virginia, which such entity includes an active member of the Bar or which maintains an office in this Commonwealth;

(C) being a director, partner, member, manager or shareholder in any partnership or other professional limited liability entity authorized by Part 6, Section IV, Paragraph 14 to practice law in this Commonwealth which includes an active member of the Bar or which maintains an office in this Commonwealth;

(ii) employment as in-house counsel under Part II of Rule 1A:5;
and

(iii) attorney-client privilege, work-product privilege and similar professional privileges.

(3) No time spent practicing as a foreign legal consultant shall be considered in determining eligibility for admission to the Virginia bar without examination.

(f) *Disciplinary Provisions.* A person certified to practice as a foreign legal consultant under this Rule shall be subject to professional discipline in the same manner and to the same extent as any member of the Bar and to this end:

(1) Every person certified to practice as a foreign legal consultant under these Rules:

(i) shall be subject to regulation by the Bar and to admonition, reprimand, suspension, removal or revocation of his or her certificate to practice in accordance with the rules of procedure for disciplinary proceedings set forth in Part 6, Section IV, Paragraph 13 of the Rules of the Supreme Court of Virginia; and

(ii) shall execute and file with the Bar, in such form and manner as the Bar may prescribe:

(A) his or her commitment to observe the Virginia Rules of Professional Conduct and any other rules of court governing members of the bar to the extent they may be applicable to the legal services authorized under paragraph (d) of this Rule;

(B) a written undertaking to notify the Bar of any change in such person's good standing as a member of any foreign legal profession referred to in paragraph (a)(1) of this rule and of any final action of any professional body or governmental authority referred to in paragraph (b)(2) of this rule imposing any disciplinary censure, suspension, or other sanction upon such person; and

(C) a duly acknowledged instrument, in writing, setting forth his or her address in this Commonwealth which shall be both his or her address of record with the Bar and such person's actual place of business for rendering services authorized by this rule. Such address shall be one where process can be served and the foreign legal consultant shall have a duty to promptly notify the Membership Department of the Bar in writing of any changes in his or her address of record.

(g) *Application and Renewal Fees.* An applicant for a certificate as a foreign legal consultant under this rule shall pay to the Virginia Board of Bar Examiners the application fee and costs as may be fixed from time to time by the Board. A person certified as a foreign legal consultant shall pay an annual fee to the Virginia State Bar which shall also be fixed by the Supreme Court of Virginia. A person certified as a foreign legal consultant who fails to complete and file the renewal form supplied by the Bar or pay the annual fee shall have his or her certificate as a foreign legal consultant administratively suspended in accordance with the procedures set out in Part 6, Section IV, Paragraph 19 of the Rules of the Supreme Court of Virginia.

(h) *Revocation of Certificate for Non-Compliance.* In the event that the Bar determines that a person certified as a foreign legal consultant under this rule no longer meets the requirements under this rule, it shall revoke the certificate granted to such person hereunder.

(i) *Reinstatement.* Any foreign legal consultant whose authority to practice is suspended shall be reinstated upon evidence satisfactory to the Bar that such person is in full compliance with this rule; however, a reinstatement of a foreign legal consultant's certificate following a suspension for non-compliance with paragraph (g) of this rule shall be governed by Part 6, Section IV, Paragraph 19 of the Rules of the Supreme Court of Virginia; and reinstatement of a foreign legal consultant's certificate following a disciplinary suspension or revocation shall be governed by Part Six, Section IV, Paragraph 13 of the Rules of the Supreme Court of Virginia.

(j) *Admission to Bar.* In the event that a person certified as a foreign legal consultant under this rule is subsequently admitted as a member of the Bar under the provisions of the rules governing such admission, the certificate granted to such person hereunder shall be deemed superseded by the admission of such person to the Bar.

(k) *Regulations.* The Bar and the Board may adopt regulations as needed to implement their respective responsibilities under this rule.

(l) *Effective Date.* This rule shall become effective on January 1, 2009.

EQUITY PRACTICE AND PROCEDURE

Rules 2:1 through 2:21. (Repealed).

By Order dated June 14, 2005, and effective January 1, 2006, the Supreme Court repealed Part Two of the Rules of Court and reserved for future use the Part Two nomenclature.

RULES OF SUPREME COURT OF VIRGINIA
PART TWO A
APPEALS PURSUANT TO THE
ADMINISTRATIVE PROCESS ACT

Rule 2A:1. Authorization; Definitions; Application.

(a) These rules are promulgated pursuant to § [2.2-4026](#) of the Code of Virginia. They shall apply to the review of, by way of direct appeal from, the adoption of a regulation or the decision of a case by an agency.

(b) All terms used in this part that are defined in Chapter 40, Article 1 of Title 2.2 are used with the definitions therein contained. Every agency may designate some individual to perform the function of "agency secretary." If there is no designated "agency secretary," that term shall mean the executive officer of the agency.

(c) The term "party" means any person affected by and claiming the unlawfulness of a regulation, or a party aggrieved who asserts a case decision is unlawful or any other affected person or aggrieved person who appeared in person or by counsel at a hearing, as defined in § [2.2-4001](#), with respect to the regulation or case decision as well as the agency itself. Whenever a case decision disposes of an application for a license, permit or other benefit, the applicant, licensee or permittee shall be a necessary party to any proceeding under this part.

PART TWO A
APPEALS PURSUANT TO THE
ADMINISTRATIVE PROCESS ACT

Rule 2A:2. Notice of Appeal.

(a) Any party appealing from a regulation or case decision shall file with the agency secretary, within 30 days after adoption of the regulation or after service of the final order in the case decision, a notice of appeal signed by the appealing party or that party's counsel. In the event that a case decision is required by § [2.2-4023](#) or by any other provision of law to be served by mail upon a party, 3 days shall be added to the 30-day period for that party. Service under this Rule shall be sufficient if sent by registered or certified mail to the party's last address known to the agency.

(b) The notice of appeal shall identify the regulation or case decision appealed from, shall state the names and addresses of the appellant and of all other parties and their counsel, if any, shall specify the circuit court to which the appeal is taken, and shall conclude with a certificate that a copy of the notice of appeal has been mailed to each of the parties. Any copy of a notice of appeal that is sent to a party's counsel or to a party's registered agent, if the party is a corporation, shall be deemed adequate and shall not be a cause for dismissal of the appeal; provided, however, sending a notice of appeal to an agency's counsel shall not satisfy the requirement that a notice of appeal be filed with the agency secretary. The omission of a party whose name and address cannot, after due diligence, be ascertained shall not be cause for dismissal of the appeal.

(c) Any final agency case decision as described in § [2.2-4023](#) shall advise the party of the time for filing a notice of appeal under this Rule.

Last amended by Order dated Friday, February 26, 2010; effective May 3, 2010.

PART TWO A

ADMINISTRATIVE PROCESS ACT

Rule 2A:3. Record on Appeal.

(a) If a formal hearing was held before the agency, the appellant shall deliver to the agency secretary with his notice of appeal, or within 30 days thereafter, a transcript of the testimony if it was taken down in writing, or if it was not taken down in writing, a statement of the testimony in narrative form. If the agency secretary deems the statement inaccurate, he may append a further statement specifying the inaccuracies.

(b) The agency secretary shall prepare and certify the record as soon as possible after the notice of appeal and transcript or statement of testimony is filed and served. Once the court has entered an order overruling any motions, demurrers and other pleas filed by the agency, or if none have been filed within the time provided by Rule 3:8 for the filing of a response to the process served under Rule 2A:4, the agency secretary shall, as soon as practicable or within such time as the court may order, transmit the record to the clerk of the court named in the notice of appeal. In the event of multiple appeals in the same proceeding, only one record need be prepared and it shall be transmitted to the clerk of the court named in the first notice of appeal filed. If there are multiple appeals to different courts from the same regulation or case decision, all such appeals shall be transferred to and heard by the court having jurisdiction that is named in the notice of appeal that is the first to be filed. The agency secretary shall notify all parties in writing when the record is transmitted, naming the court to which it is transmitted. Papers filed in any other clerk's office shall be forwarded by such clerk to the proper clerk's office.

(c) The record on appeal from an agency proceeding shall consist of all notices of appeal, any application or petition, all orders or regulations promulgated in the proceeding by the agency, the opinions, the transcript or statement of the testimony filed by appellant, and all exhibits accepted or rejected, together with such other material as may be certified by the agency secretary to be a part of the record.

(d) Upon the adoption of standards for the preparation of electronic or digital records for use in appeals, records under this Rule shall comply with such standards.

(e) In the event the agency secretary determines that the record is so voluminous that its certification and filing pursuant to part (b) of this Rule would be unduly burdensome upon the agency or upon the clerk of the court, the agency may, prior to and in lieu of filing the entire record, move the court for leave to file an index to such record. A party shall have the opportunity to respond to the agency's motion within 10 days of filing the motion. Thereafter, if the court grants the agency's motion, the record, or such parts thereof as the parties may agree upon or as the court may determine, shall be filed in the form of a joint appendix or in such other form as the court may direct. The agency

shall nevertheless retain the entire record and make it available to the parties on reasonable request during the pendency of the appeal.

Such filing shall include within such 30-day period both the payment of all fees and the taking of all steps provided in Rules 3:2, 3:3 and 3:4 to cause a copy of the petition for appeal to be served (as in a civil action) on the agency secretary and on every other party. The petition may be filed electronically as provided under Rule 1:17.

PRACTICE AND PROCEDURE IN CIVIL ACTIONS

Rule 3:1. Scope.

There shall be one form of civil case, known as a civil action. These Rules apply to all civil actions, in the circuit courts, whether the claims involved arise under legal or equitable causes of action, unless otherwise provided by law. These rules apply in cases appealed or removed to such courts from inferior courts whenever applicable to such cases. These Rules shall not apply in petitions for a writ of habeas corpus. In matters not covered by these Rules, the established practices and procedures are continued. PART THREE
PRACTICE AND PROCEDURE IN CIVIL ACTIONS

Rule 3:2. Commencement of Civil Actions.

(a) *Commencement.* A civil action shall be commenced by filing a complaint in the clerk's office. When a statute or established practice requires, a proceeding may be commenced by a pleading styled "Petition." Upon filing of the pleading, the action is then instituted and pending as to all parties defendant thereto. The statutory writ tax and clerk's fees shall be paid before the summons is issued.

(b) *Caption.* The complaint shall be captioned with the name of the court and the full style of the action, which shall include the names of all the parties. The requirements of Code § [8.01-290](#) may be met by giving the address or other data after the name of each defendant.

(c) *Form and Content of the Complaint.*

(i) It shall be sufficient for the complaint to ask for the specific relief sought. Without more it will be understood that all defendants mentioned in the caption are made parties defendant and required to answer the complaint; that proper process against them is requested; that answers under oath are waived, except when required by law, and that all relief authorized by law and demanded in the complaint may be granted. No formal conclusion is necessary.

(ii) Every complaint requesting an award of money damages shall contain an ad damnum clause stating the amount of damages sought. Leave to amend the ad damnum clause shall be available under Rule 1:8.

(b) *Exhibits.* It is not required that physical copies of exhibits filed with the complaint be furnished or served. Unless an individual case is exempted by order of the court for good cause shown, an electronic or digitally imaged copy of all exhibits that are incorporated by reference in the pleading shall be filed with the complaint. Upon the adoption of standards for the preparation of electronic or digital records for use in appeals, exhibits under this Rule shall comply with such standards.

(c) *Additional copies.* A deficiency in the number of copies of the complaint shall not affect the pendency of the action. If the plaintiff fails to furnish the required number of copies, the clerk shall request that additional copies be furnished as needed, and if the plaintiff fails to do so promptly, the clerk shall bring the fact to the attention of the judge, who shall notify the plaintiff's counsel, or the plaintiff personally if no counsel has appeared for plaintiff, to furnish them by a specified date. All allegations contained in a reply shall be taken as denied or avoided without further pleading.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE
PRACTICE AND PROCEDURE IN CIVIL ACTIONS

Rule 3:12. Joinder of Additional Parties.

(a) *Persons to Be Joined if Feasible.* A person who is subject to service of process may be joined as a party in the action if (1) in the person's absence complete relief cannot be accorded among those already parties, or (2) the person claims an interest relating to the subject of the action and is so situated that the disposition of the action in the person's absence may (i) as a practical matter impair or impede the person's ability to protect that interest or (ii) leave any of the persons already parties subject to a substantial risk of incurring double, multiple, or otherwise inconsistent obligations by reason of the claimed interest of the person to be joined. If such a person should join as a plaintiff but refuses to do so, the person may be made a defendant, or, in a proper case, an involuntary plaintiff.

(b) *Method of Joinder.* A motion to join an additional party shall, subject to the provisions of Rule 1:9, be filed with the clerk within 21 days after service of the complaint and shall be served on the party sought to be joined who shall thereafter be subject to all provisions of these Rules, except the provisions requiring payment of writ tax and clerk's fees.

(c) *Determination by Court Whenever Joinder Not Feasible.* If a person as described in subdivision (a) hereof cannot be made a party, the court shall determine whether in equity and good conscience the action should proceed among the parties before it, or should be dismissed, the absent person being thus regarded as indispensable. The factors to be considered by the court include: first, to what extent a judgment rendered in the person's absence might be prejudicial to the absent person or those already parties; second, the extent to which, by protective provisions in the judgment, by the shaping of relief, or other measures, the prejudice can be lessened or avoided; third, whether a judgment rendered in the person's absence will be adequate; fourth, whether the plaintiff will have an adequate remedy if the action is dismissed for nonjoinder.

(d) *Pleading Reasons for Nonjoinder.* A pleading asserting a claim for relief shall state the names, if known to the pleader, of any persons as described in subdivision (a) hereof who are not joined, and the reasons why they are not joined.

PRACTICE AND PROCEDURE IN CIVIL ACTIONS

Rule 3:13. Third-Party Practice.

(a) *When Defendant May Bring in Third Party.* At any time after commencement of the action a defending party, as a third-party plaintiff, may file and serve a third-party complaint upon a person not a party to the action who is or may be liable to the third-party plaintiff for all or part of the plaintiff's claim against the third-party plaintiff. The third-party plaintiff need not obtain leave therefore if the third-party complaint is filed not later than 21 days after the third-party plaintiff serves an original pleading in response. Otherwise the third-party plaintiff must obtain leave therefore on motion after notice to all parties to the action. The person served with the third-party complaint, hereinafter called the third-party defendant, shall make defenses to the third-party plaintiff's claim as provided in Rules 3:7 and 3:8. The third-party defendant may plead counterclaims against the third-party plaintiff and cross-claims against other third-party defendants as provided in Rules 3:9 and 3:10. The third-party defendant may assert against the plaintiff any defenses that the third-party plaintiff has to the plaintiff's claim. The third-party defendant may also assert any claim against the plaintiff arising out of the transaction or occurrence that is the subject matter of the plaintiff's claim against the third-party plaintiff. The plaintiff may, at plaintiff's option, within 21 days after service of the third-party complaint upon the third-party defendant, assert any claim against the third-party defendant arising out of the transaction or occurrence that is the subject matter of the plaintiff's claim against the third-party plaintiff, and the third-party defendant thereupon shall assert defenses as provided in Rules 3:7 and 3:8 and any counterclaims and cross-claims, including claims against the plaintiff, as provided in Rules 3:9 and 3:10. Any party may move to strike the third-party complaint, or for its severance or separate trial. A third-party defendant may proceed under this rule against any person not a party to the action who is or may be liable to the third-party defendant for all or part of the claim made in the action against the third-party defendant.

(b) *When Plaintiff May Bring in Third Party.* When a counterclaim is asserted against a plaintiff, the plaintiff may cause a third party to be brought in under circumstances that under this rule would entitle a defendant to do so.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE
PRACTICE AND PROCEDURE IN CIVIL ACTIONS

Rule 3:19. Default.

(a) *Failure Timely to Respond.* A defendant who fails timely to file a responsive pleading as prescribed in Rule 3:8 is in default. A defendant in default is not entitled to notice of any further proceedings in the case, including notice to take depositions, except that written notice of any further proceedings shall be given to counsel of record, if any. The defendant in default is deemed to have waived any right to trial of issues by jury.

(b) *Relief from Default.* Prior to the entry of judgment, for good cause shown the court may grant leave to a defendant who is in default to file a late responsive pleading. Relief from default may be conditioned by the court upon such defendant reimbursing any extra costs and fees, including attorney's fees, incurred by the plaintiff solely as a result of the delay in the filing of a responsive pleading by the defendant.

(c) *Default Judgment and Damages.*

(1) Except in suits for divorce or annulling a marriage, the court shall, on motion of the plaintiff, enter judgment for the relief appearing to the court to be due. When service of process is effected by posting, no judgment by default shall be entered until the requirements of Code § [8.01-296\(2\)\(b\)](#) have been satisfied.

(2) If the relief demanded is unliquidated damages, the court shall hear evidence and fix the amount thereof, unless the plaintiff demands trial by jury, in which event, a jury shall be impaneled to fix the amount of damages.

(3) If a defendant participates in the hearing to determine the amount of damages such defendant may not offer proof or argument on the issues of liability, but may (i) object to the plaintiff's evidence regarding damages, (ii) offer evidence regarding the quantum of damages, (iii) participate in jury selection if a jury will hear the damage inquiry, (iv) submit proposed jury instructions regarding damages, and (v) make oral argument on the issues of damages.

(d) *Relief from Default Judgment.*

(1) *Within 21 Days.* - During the period provided by Rule 1:1 for the modification, vacation or suspension of a judgment, the court may by written order relieve a defendant of a default judgment after consideration of the extent and causes of the defendant's delay in tendering a responsive pleading, whether service of process and actual notice of the claim were timely provided to the defendant, and the effect of the delay upon the plaintiff. Relief from default may be conditioned by the court upon the defendant reimbursing any extra costs and

fees, including attorney's fees, incurred by the plaintiff solely as a result of the delay in the filing of a responsive pleading by the defendant.

(2) *After 21 Days*. - A final judgment no longer within the jurisdiction of the trial court under Rule 1:1 may not be vacated by that court except as provided in Virginia Code §§ [8.01-428](#) and [8.01-623](#).

PRACTICE AND PROCEDURE IN CIVIL ACTIONS

Rule 3:20. Summary Judgment.

Any party may make a motion for summary judgment at any time after the parties are at issue, except in an action for divorce or for annulment of marriage. If it appears from the pleadings, the orders, if any, made at a pretrial conference, the admissions, if any, in the proceedings, or, upon sustaining a motion to strike the evidence, that the moving party is entitled to judgment, the court shall enter judgment in that party's favor. Summary judgment, interlocutory in nature, may be entered as to the undisputed portion of a contested claim or on the issue of liability alone although there is a genuine issue as to the amount of damages. Summary judgment shall not be entered if any material fact is genuinely in dispute. No motion for summary judgment or to strike the evidence shall be sustained when based in whole or in part upon any discovery depositions under Rule 4:5, unless all parties to the action shall agree that such deposition may be so used.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE
PRACTICE AND PROCEDURE IN CIVIL ACTIONS

Rule 3:21. Jury Trial of Right.

(a) *Jury Trial Situations Unchanged.* The right of trial by jury as declared by the Constitution of Virginia, or as given by an applicable statute or other authority, is unchanged by these rules, and shall be implemented as established law provides. Established practice for the trial and decision of equitable claims by the judge alone shall be continued.

(b) *Demand.* Any party may demand a trial by jury of any issue triable of right by a jury in the complaint or by (1) serving upon other parties a demand therefore in writing at any time after the commencement of the action and not later than 10 days after the service of the last pleading directed to the issue, and (2) filing the demand with the trial court. Such demand may be endorsed upon a pleading of the party. In an Electronically Filed Case, endorsement of such demand may be made as provided in Rule 1:17. The court may set a final date for service of jury demands. Leave to file amended pleadings shall not extend the time for serving and filing a jury demand unless the order granting leave to amend expressly so states.

(c) *Specification of Issues.* In the demand a party may specify the issues which the party wishes so tried; otherwise the party shall be deemed to have demanded trial by jury for all the issues so triable. If the party has demanded trial by jury for only some of the issues, any other party within 10 days after service of the demand or such lesser time as the court may order, may serve a demand for trial by jury of any other or all of the issues of fact in the action.

(d) *Waiver.* Absent leave of court for good cause shown, the failure of a party to serve and file a demand as required by this rule constitutes a waiver by the party of trial by jury.

PART THREE
PRACTICE AND PROCEDURE IN CIVIL ACTIONS

Rule 3:22. Trial by Jury or by the Court.

(a) *By Jury.* When trial by jury has been demanded as provided in Rule 3:21, the action shall be designated upon the docket as a jury action. The trial of all issues so demanded shall be by jury, unless (1) the parties or their attorneys of record, by written stipulation filed with the court or by an oral stipulation made in open court and entered in the record, consent to trial by the court sitting without a jury; or (2) the court upon motion or of its own initiative finds that a right of trial by jury on some or all of those issues does not exist under applicable law.

(b) *By the Court.* Except as otherwise provided in this Rule, issues not demanded for trial by jury as provided in Rule 3:21, and issues as to which a right of trial by jury does not exist, shall be tried by the court.

(c) *Statutory Jury Rights in Certain Equitable Claims.*

(1) In an equitable claim where no right to a jury trial otherwise exists, where impaneling of an advisory jury pursuant to Code § [8.01-336\(E\)](#) to hear an issue will be helpful to the court concerning disputed fact issues, such a jury may be seated. Decision on such claims and issues shall be made by the judge.

(2) Where a jury trial on a defendant's plea in an equitable claim is authorized under Code § [8.01-336\(D\)](#), trial of the issues presented by the plea shall be by a jury whose verdict on those issues has the same effect as if trial by jury had been a matter of right.

(d) *Party Consent to Jury.* As to any claim not triable of right by a jury, the court, with the consent of the parties, may (i) order trial of any claim or issue with an advisory jury or, (ii) a trial with a jury whose verdict has the same effect as if trial by jury had been a matter of right.

(e) *Trial by Mixed Jury and Non-Jury Claims.* In any case when there are both jury and non-jury issues to be tried, the court shall adopt trial procedures and a sequence of proceedings to assure that all issues properly heard by the jury are decided by it, and applicable factual determinations by the jury shall be used by the judge in resolving the non-jury issues in the case.

PRACTICE AND PROCEDURE IN CIVIL ACTIONS

Rule 3:23. Use of and Proceedings Before a Commissioner in Chancery.

(a) Commissioners in chancery may be appointed in cases in circuit court, including uncontested divorce cases, only when (1) there is agreement by the parties with concurrence of the court or (2) upon motion of a party or the court on its own motion with a finding of good cause shown in each individual case.

(b) Upon entry of a decree by the court referring any matter to a commissioner in chancery, the clerk shall mail or deliver to the commissioner a copy of the decree of reference. Unless the decree prescribes otherwise, the commissioner shall promptly set a time and place for the first meeting of the parties or their attorneys, and shall notify the parties or their attorneys of the time and place so set. It shall be the duty of the commissioner to proceed with all reasonable diligence to execute the decree of reference.

(c) A commissioner may require the production of evidence upon all matters embraced in the decree of reference including the production of all books, papers, vouchers, documents and writings applicable thereto. The commissioner shall have the authority to call witnesses or the parties to the action to testify and may examine them upon oath. The commissioner may rule upon the admissibility of evidence unless otherwise directed by the decree of reference; but when a party so requests, the commissioner shall cause a record to be made of all proffered evidence which is excluded by the commissioner as inadmissible.

(d) The commissioner shall prepare a report stating his findings of fact and conclusions of law with respect to the matters submitted by the decree of reference. The commissioner shall file the report, together with all exhibits admitted in evidence and a transcript of the proceedings and of the testimony, with the clerk of the court. In an Electronically Filed Case, filing as required in this Rule shall be in accord with the requirements of Rule 1:17. The commissioner shall mail or deliver to counsel of record and to parties not represented by counsel, using the last address shown in the record, written notice of the filing of the report. Provided, however, that in divorce cases a copy of the report shall accompany the notice. Provided, further, that no such notice or copy shall be given parties who have not appeared in the proceeding.

Error in the citation of the statute or ordinance that defines the offense or prescribes the punishments therefor, or omission of the citation, shall not be grounds for dismissal of an indictment or information, or for reversal of a conviction, unless the court finds that the error or omission prejudiced the accused in preparing his defense.

Rule 3A:8. Pleas.

(a) *Pleas by a Corporation.* A corporation, acting by counsel or through an agent, may enter the same pleas as an individual.

(b) *Determining Voluntariness of Pleas of Guilty or Nolo Contendere.*

(1) A circuit court shall not accept a plea of guilty or nolo contendere to a felony charge without first determining that the plea is made voluntarily with an understanding of the nature of the charge and the consequences of the plea.

(2) A circuit court shall not accept a plea of guilty or nolo contendere to a misdemeanor charge except in compliance with Rule 7C:6.

(c) *Plea Agreement Procedure.*

(1) The attorney for the Commonwealth and the attorney for the defendant or the defendant when acting pro se may engage in discussions with a view toward reaching an agreement that, upon entry by the defendant of a plea of guilty, or a plea of nolo contendere, to a charged offense, or to a lesser or related offense, the attorney for the Commonwealth will do any of the following:

(A) Move for nolle prosequi or dismissal of other charges;

(B) Make a recommendation, or agree not to oppose the defendant's request, for a particular sentence, with the understanding that such recommendation or request shall not be binding on the court;

(C) Agree that a specific sentence is the appropriate disposition of the case.

In any such discussions under this Rule, the court shall not participate.

(2) If a plea agreement has been reached by the parties, it shall, in every felony case, be reduced to writing, signed by the attorney for the Commonwealth, the defendant, and, in every case, his attorney, if any, and presented to the court. The court shall require the disclosure of the agreement in open court or, upon a showing of good cause, in camera, at the time the plea is offered. If the agreement is of the type specified in subdivision (c) (1) (A) or (C), the court may accept or reject the agreement, or may defer its decision as to the acceptance or rejection until there has been an opportunity to consider a presentence report. If the agreement is of the type specified in subdivision (c) (1) (B), the court shall advise

the defendant that, if the court does not accept the recommendation or request, the defendant nevertheless has no right to withdraw his plea, unless the Commonwealth fails to perform its part of the agreement. In that event, the defendant shall have the right to withdraw his plea.

(3) If the court accepts the plea agreement, the court shall inform the defendant that it will embody in its judgment and sentence the disposition provided for in the agreement.

(4) If the agreement is of the type specified in subdivision (c) (1) (A) or (C) and if the court rejects the plea agreement, the court shall inform the parties of this fact, and advise the defendant personally in open court or, on a showing of good cause, in camera, that the court will not accept the plea agreement. Thereupon, neither party shall be bound by the plea agreement. The defendant shall have the right to withdraw his plea of guilty or plea of nolo contendere and the court shall advise the defendant that, if he does not withdraw his plea, the disposition of the case may be less favorable to him than that contemplated by the plea agreement; and the court shall further advise the defendant that, if he chooses to withdraw his plea of guilty or of nolo contendere, his case will be heard by another judge, unless the parties agree otherwise.

(5) Except as otherwise provided by law, evidence of a plea of guilty later withdrawn, or a plea of nolo contendere, or of an offer to plead guilty or nolo contendere to the crime charged, or any other crime, or of statements made in connection with and relevant to any of the foregoing pleas or offers, is not admissible in the case-in-chief in any civil or criminal proceeding against the person who made the plea or offer. But evidence of a statement made in connection with and relevant to a plea of guilty, later withdrawn, a plea of nolo contendere, or any offer to plead guilty or nolo contendere to the crime charged or to any other crime, is admissible in any criminal proceeding for perjury or false statement, if the statement was made by the defendant under oath and on the record. In the event that a plea of guilty or a plea of nolo contendere is withdrawn in accordance with this Rule, the judge having received the plea shall take no further part in the trial of the case, unless the parties agree otherwise.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE A
CRIMINAL PRACTICE AND PROCEDURE

Rule 3A:9. Pleadings and Motions for Trial; Defenses and Objections.

(a) *Pleadings and Motions.* Pleadings in a criminal proceeding shall be the indictment, information, warrant or summons on which the accused is to be tried and the plea of not guilty, guilty or nolo contendere. Defenses and objections made before trial that heretofore could have been made by other pleas or by demurrers and motions to quash shall be made only by motion to dismiss or to grant appropriate relief, as provided in these Rules.

(b) *The Motion Raising Defenses and Objections.*

(1) Defenses and Objections That Must Be Raised Before Trial. Defenses and objections based on defects in the institution of the prosecution or in the written charge upon which the accused is to be tried, other than that it fails to show jurisdiction in the court or to charge an offense, must be raised by motion made within the time prescribed by paragraph (c) of this Rule. The motion shall include all such defenses and objections then available to the accused. Failure to present any such defense or objection as herein provided shall constitute a waiver thereof. Lack of jurisdiction or the failure of the written charge upon which the accused is to be tried to state an offense shall be noticed by the court at any time during the pendency of the proceeding.

(2) Defenses and Objections That May Be Raised Before Trial. In addition to the defenses and objections specified in subparagraph (b) (1) of this Rule, any defense or objection that is capable of determination without the trial of the general issue may be raised by motion before trial. Failure to present any such defense or objection before the jury returns a verdict or the court finds the defendant guilty shall constitute a waiver thereof.

(3) Form of Motion. Any motion made before trial shall be in writing if made in a circuit court, unless the court for good cause shown permits an oral motion. A motion shall state with particularity the grounds or grounds on which it is based.

(4) Hearing on Motion. A motion before trial raising defenses or objections shall be determined before the trial unless the court orders that it be deferred for determination at the trial of the general issue. An issue of fact shall be heard and determined by the court, unless a jury trial is required by constitution or statute.

(5) Effect of Determination. If a motion is determined adversely to the accused, his plea shall stand or he may plead over or, if the accused has not previously pleaded, he shall be permitted to plead. The motion need not be renewed if the accused properly saves the point for the purpose of appeal when the court first determines the motion.

(c) *Time of Filing Notice or Making Motion.* A motion referred to in subparagraph (b) (1) shall be filed or made before a plea is entered and, in a circuit court, at least 7 days before the day fixed for trial, or, if the motion raises speedy trial or Double Jeopardy grounds as specified in Code § [19.2-266.2](#) A (ii), at such time prior to trial as the grounds for the motion or objection shall arise, whichever occurs last. A copy of such motion shall, at the time of filing, be submitted to the judge of the circuit court who will hear the case, if known.

(d) *Relief From Waiver.* For good cause shown the court may grant relief from any waiver provided for in this Rule.

Rule 3A:10. Trial Together of More Than One Accused or More Than One Offense.

(a) *More Than One Accused - Joinder of Defendants.* On motion of the Commonwealth, for good cause shown, the court shall order persons charged with participating in contemporaneous and related acts or occurrences or in a series of acts or occurrences constituting an offense or offenses to be tried jointly unless such joint trial would constitute prejudice to a defendant.

(b) *More Than One Accused - Severance of Defendants.* If the court finds that a joint trial would constitute prejudice to a defendant, the court shall order severance as to that defendant or provide such other relief as justice requires.

(c) *An Accused Charged With More Than One Offense.* The court may direct that an accused be tried at one time for all offenses then pending against him, if justice does not require separate trials and (i) the offenses meet the requirements of Rule 3A:6 (b) or (ii) the accused and the Commonwealth's attorney consent thereto.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE A
CRIMINAL PRACTICE AND PROCEDURE

Rule 3A:11. Discovery and Inspection.

(a) *Application of Rule.* This Rule applies to any prosecution for a felony in a circuit court and to any misdemeanor brought on direct indictment.

(b) *Discovery by the Accused.*

(1) Upon written motion of an accused a court shall order the Commonwealth's attorney to permit the accused to inspect and copy or photograph any relevant (i) written or recorded statements or confessions made by the accused, or copies thereof, or the substance of any oral statements or confessions made by the accused to any law enforcement officer, the existence of which is known to the attorney for the Commonwealth, and (ii) written reports of autopsies, ballistic tests, fingerprint analyses, handwriting analyses, blood, urine and breath tests, other scientific reports, and written reports of a physical or mental examination of the accused or the alleged victim made in connection with the particular case, or copies thereof, that are known by the Commonwealth's attorney to be within the possession, custody or control of the Commonwealth.

(2) Upon written motion of an accused a court shall order the Commonwealth's attorney to permit the accused to inspect and copy or photograph designated books, papers, documents, tangible objects, buildings or places, or copies or portions thereof, that are within the possession, custody, or control of the Commonwealth, upon a showing that the items sought may be material to the preparation of his defense and that the request is reasonable. This subparagraph does not authorize the discovery or inspection of statements made by Commonwealth witnesses or prospective Commonwealth witnesses to agents of the Commonwealth or of reports, memoranda or other internal Commonwealth documents made by agents in connection with the investigation or prosecution of the case, except as provided in clause (ii) of subparagraph (b)(1) of this Rule.

(c) *Discovery by the Commonwealth.* If the court grants relief sought by the accused under clause (ii) of subparagraph (b) (1) or under subparagraph (b) (2) of this Rule, it shall, upon motion of the Commonwealth, condition its order by requiring that:

(1) The accused shall permit the Commonwealth within a reasonable time but not less than ten (10) days before trial or sentencing, as the case may be, to inspect, copy or photograph any written reports of autopsy examinations, ballistic tests, fingerprint, blood, urine and breath analyses, and other scientific tests that may be within the accused's possession, custody or control and which the defense intends to proffer or introduce into evidence at trial or sentencing.

(2) The accused disclose whether he intends to introduce evidence to establish an alibi and, if so, that the accused disclose the place at which he claims to have been at the time of the commission of the alleged offense.

(3) If the accused intends to rely upon the defense of insanity or feeble-mindedness, the accused shall permit the Commonwealth to inspect, copy or photograph any written reports of physical or mental examination of the accused made in connection with the particular case, provided, however, that no statement made by the accused in the course of an examination provided for by this Rule shall be used by the Commonwealth in its case-in-chief, whether the examination shall be with or without the consent of the accused.

(d) *Time of Motion.* A motion by the accused under this Rule must be made at least 10 days before the day fixed for trial. The motion shall include all relief sought under this Rule. A subsequent motion may be made only upon a showing of cause why such motion would be in the interest of justice.

(e) *Time, Place and Manner of Discovery and Inspection.* An order granting relief under this Rule shall specify the time, place and manner of making the discovery and inspection permitted and may prescribe such terms and conditions as are just.

(f) *Protective Order.* Upon a sufficient showing the court may at any time order that the discovery or inspection be denied, restricted or deferred, or make such other order as is appropriate. Upon motion by the Commonwealth the court may permit the Commonwealth to make such showing, in whole or in part, in the form of a written statement to be inspected by the court in camera. If the court denies discovery or inspection following a showing in camera, the entire text of the Commonwealth's statement shall be sealed and preserved in the records of the court to be made available to the appellate court in the event of an appeal by the accused.

(g) *Continuing Duty to Disclose; Failure to Comply.* If, after disposition of a motion filed under this Rule, and before or during trial, counsel or a party discovers additional material previously requested or falling within the scope of an order previously entered, that is subject to discovery or inspection under this Rule, he shall promptly notify the other party or his counsel or the court of the existence of the additional material. If at any time during the course of the proceedings, it is brought to the attention of the court that a party has failed to comply with this Rule or with an order issued pursuant to this Rule, the court shall order such party to permit the discovery or inspection of materials not previously disclosed, and may grant such other relief as it may deem appropriate.

A subpoena for the attendance of a witness to testify before a circuit court or a grand jury shall be issued by the clerk or Commonwealth's Attorney and, for the attendance of a witness to testify before a circuit court, by the attorney for the defendant as well. The subpoena shall (i) be directed to an appropriate officer or officers, (ii) name the witness to be summoned, (iii) state the name of the court and the title, if any, of the proceeding, (iv) command the officer to summon the witness to appear at the time and place specified in the subpoena for the purpose of giving testimony, and (v) state on whose application the subpoena was issued.

No subpoena or subpoena duces tecum shall be issued in any criminal case or proceeding, including any proceeding before any grand jury, which subpoena or subpoena duces tecum is (i) directed to a member of the bar of this Commonwealth or any other jurisdiction, and (ii) compels production or testimony concerning any present or former client of the member of the bar, unless the subpoena request has been approved in all specifics, in advance, by a judge of the circuit court wherein the subpoena is requested after reasonable notice to the attorney who is the subject of the proposed subpoena. The proceedings for approval may be conducted in camera, in the judge's discretion, and the judge may seal such proceedings. Such subpoena request shall be made by the Commonwealth's attorney for the jurisdiction involved, either on motion of the Commonwealth's attorney or upon request to the Commonwealth's attorney by the foreman of any grand jury.

(b) *For Production of Documentary Evidence and of Objects Before a Circuit Court.* Upon notice to the adverse party and on affidavit by the party applying for the subpoena that the requested writings or objects are material to the proceedings and are in the possession of a person not a party to the action, the judge or the clerk may issue a subpoena duces tecum for the production of writings or objects described in the subpoena. Such subpoena shall command either (1) that the person to whom it is addressed shall appear with the items described either before the court or the clerk or (2) that such person shall deliver the items described to the clerk. The subpoena may direct that the writing or object be produced at a time before the trial or before the time when it is to be offered in evidence.

Any subpoenaed writings and objects, regardless by whom requested, shall be available for examination and review by all parties and counsel. Subpoenaed writings or objects shall be received by the clerk and shall not be open for examination and review

except by the parties and counsel unless otherwise directed by the court. The clerk shall adopt procedures to ensure compliance with this paragraph.

Where subpoenaed writings and objects are of such nature or content that disclosure to other parties would be unduly prejudicial, the court, upon written motion and notice to all parties, may grant such relief as it deems appropriate, including limiting disclosure, removal and copying.

If a subpoena requires the production of information that is stored in an electronic format, the person to whom it is addressed shall produce a tangible copy of the information. If a tangible copy cannot be reasonably produced, the subpoenaed person shall permit the parties to review the information on a computer or by electronic means during normal business hours, provided that the information can be accessed and isolated. If a tangible copy cannot reasonably be produced and the information is commingled with information other than that requested in the subpoena and cannot reasonably be isolated, the person to whom the subpoena is addressed may file a motion for a protective order or motion to quash.

(c) *Service and Return.* A subpoena may be executed anywhere in the State by an officer authorized by law to execute the subpoena in the place where it is executed. The officer executing a subpoena shall make return thereof to the court named in the subpoena.

(d) *Contempt.* Failure by any person without adequate excuse to obey a subpoena served upon him may be deemed a contempt of the court to which the subpoena is returnable.

(e) *Recognizance of a Witness.* If it appears that the testimony of a person is material in any criminal proceeding, a judicial officer may require him to give a recognizance for his appearance.

(f) *Photocopying of Subpoenaed Documents.* Subject to the provisions of subsection (b), removal and photocopying of subpoenaed documents by any party or counsel shall be permitted. The court shall direct a procedure for removal, photocopying and return of such documents.

CRIMINAL PRACTICE AND PROCEDURE

Rule 3A:13. Trial by Jury or by Court.

(a) *Right to Jury; Duty of Court in Nonjury Trial.* The accused is entitled to a trial by jury only in a circuit court on a plea of not guilty.

(b) *Waiver of Jury in Circuit Court.* If an accused who has pleaded not guilty in a circuit court consents to trial without a jury, the court may, with the concurrence of the Commonwealth's attorney, try the case without a jury. The court shall determine before trial that the accused's consent was voluntarily and intelligently given, and his consent and the concurrence of the court and the Commonwealth's attorney shall be entered of record.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE A
CRIMINAL PRACTICE AND PROCEDURE

Rule 3A:14. Trial Jurors.

(a) *Examination.* After the prospective jurors are sworn on the voir dire, the court shall question them individually or collectively to determine whether anyone:

- (1) Is related by blood or marriage to the accused or to a person against whom the alleged offense was committed;
- (2) Is an officer, director, agent or employee of the accused;
- (3) Has any interest in the trial or the outcome of the case;
- (4) Has acquired any information about the alleged offense or the accused from the news media or other sources and, if so, whether such information would affect his impartiality in the case;
- (5) Has expressed or formed any opinion as to the guilt or innocence of the accused;
- (6) Has a bias or prejudice against the Commonwealth or the accused; or
- (7) Has any reason to believe he might not give a fair and impartial trial to the Commonwealth and the accused based solely on the law and the evidence.

Thereafter, the court, and counsel as of right, may examine on oath any prospective juror and ask any question relevant to his qualifications as an impartial juror. A party objecting to a juror may introduce competent evidence in support of the objection.

(b) *Challenge for Cause.* The court, on its own motion or following a challenge for cause, may excuse a prospective juror if it appears he is not qualified, and another shall be drawn or called and placed in his stead for the trial of that case.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE A
CRIMINAL PRACTICE AND PROCEDURE

Rule 3A:14.1 Confidentiality of Juror Personal Information.

(a) *Motion for Order Regulating Disclosure of Jurors' Personal Information.* As provided in Code § [19.2-263.3](#), on motion of any party or its own motion, and only upon a finding of good cause sufficient to warrant departure from the norm of open proceedings, the court may issue an order which may include provisions:

- (1) regulating the disclosure of the personal information of jurors or prospective jurors in a criminal trial. The court may limit or preclude dissemination of such information to particular persons, but in no event shall such information be denied to counsel for either party; and/or
- (2) requiring that during the course of the trial, counsel for the parties, and the jurors themselves, shall refer to jurors by number and not by name.

Under this Rule, a finding of "*good cause*" includes, but is not limited to, a determination by the court in a particular case that if personal information of jurors or prospective jurors is disclosed there is a reasonable possibility of bribery, tampering, physical injury, harassment, intimidation of a juror, or any other material interference with the proper discharge of the jury's functions, such as a reasonably perceived threat to the jury's safety, well-being, or capacity to properly focus upon and perform its trial and deliberative duties.

(b) *Modification of Order.* An order under this Rule regulating the disclosure of personal information of the jurors in a criminal case may be modified by the court in the exercise of its discretion and for good cause shown, and such information may be disseminated to a person having a legitimate interest or need for the information, with such restrictions upon its use and further dissemination as may be deemed appropriate by the court.

(c) *Personal Information.* For purposes of this Rule, "*personal information*" means any information collected by the court, clerk, or jury commissioner at any time, including but not limited to, a juror's name, age, occupation, home and business addresses, telephone numbers, email addresses, and any other identifying information that would assist another in locating or contacting the juror.

Promulgated by Order dated March 1, 2011; effective May 2, 2011.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE A
CRIMINAL PRACTICE AND PROCEDURE

Rule 3A:15. Motion to Strike or to Set Aside Verdict; Judgment of Acquittal or New Trial.

(a) *Motion to Strike Evidence.* After the Commonwealth has rested its case or at the conclusion of all the evidence, the court on motion of the accused may strike the Commonwealth's evidence if the evidence is insufficient as a matter of law to sustain a conviction. If the court overrules a motion to strike the evidence and there is a hung jury, the accused may renew the motion within the time specified in Rule 1:11 and the court may take the action authorized by the Rule.

(b) *Motion to Set Aside Verdict.* If the jury returns a verdict of guilty, the court may, on motion of the accused made not later than 21 days after entry of a final order, set aside the verdict for error committed during the trial or if the evidence is insufficient as a matter of law to sustain a conviction.

(c) *Judgment of Acquittal or New Trial.* The court shall enter a judgment of acquittal if it strikes the evidence or sets aside the verdict because the evidence is insufficient as a matter of law to sustain a conviction. The court shall grant a new trial if it sets aside the verdict for any other reason.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE A
CRIMINAL PRACTICE AND PROCEDURE

Rule 3A:16. Instructions.

(a) *Giving of Instructions.* In a felony case, the instructions shall be reduced to writing. In all cases the court shall instruct the jury before arguments of counsel to the jury.

(b) *Proposed Instructions.* If directed by the court the parties shall submit proposed instructions to the court at such reasonable time before or during the trial as the court may specify and, whether or not proposed instructions have been submitted earlier, the parties may submit proposed instructions at the conclusion of all the evidence.

(c) *Objections.* Before instructing the jury, the court shall advise counsel of the instructions to be given and shall give counsel the opportunity to make objections thereto. Objections shall be made out of the presence of the jury, and before the court instructs the jury unless the court grants leave to make objections at a later time.

(d) *Alternative Forms of Verdicts; Separate Verdicts.* The court may submit alternate forms of verdicts to the jury. The jury shall be instructed to return a separate verdict on each count of an indictment or presentment.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE A
CRIMINAL PRACTICE AND PROCEDURE

Rule 3A:17. Jury Verdicts.

(a) *Return.* In all criminal prosecutions, the verdict shall be unanimous, in writing and signed by the foreman, and returned by the jury in open court.

(b) *Several Accused.* If there are two or more accused, the jury may return a verdict as to any of them as to whom it can agree.

(c) *Conviction of Lesser Offense.* The accused may be found not guilty of an offense charged but guilty of any offense, or of an attempt to commit any offense, that is substantially charged or necessarily included in the charge against the accused. When the offense charged is a felony, the accused may be found not guilty thereof, but guilty of being an accessory after the fact to that felony.

(d) *Poll of Jury.* When a verdict is returned, the jury shall be polled individually at the request of any party or upon the court's own motion. If upon the poll, all jurors do not agree, the jury may be directed to retire for further deliberations or may be discharged.

RULES OF SUPREME COURT OF VIRGINIA
PART THREE A
CRIMINAL PRACTICE AND PROCEDURE

Rule 3A:17.1. Proceedings in Bifurcated Jury Trials of Non-Capital Felonies and Class 1 misdemeanors.

(a) *Application.* This Rule applies in cases of trial by jury upon a finding that the defendant is guilty of a non-capital felony or a Class 1 misdemeanor.

(b) *Bifurcated Proceedings.* In any jury trial in which the jury returns a verdict of guilty to one or more non-capital felony offenses, or Class 1 misdemeanor a separate proceeding limited to the ascertainment of punishment shall be held as soon as practicable before the same jury.

(c) *Instruction at Guilt Phase.* At the conclusion of all of the evidence in the guilt phase of the trial, the court shall instruct the jury as to punishment with respect to any Class 2, 3 or 4 misdemeanor being tried in the same proceeding or any lesser-included Class 2, 3 or 4 misdemeanor of any charged felony offense which may be properly considered by the jury. The jury shall not be instructed until the punishment phase with reference to the punishment for any charged or lesser-included felony offense or Class 1 misdemeanor.

(d) *Opening Statements at Penalty Phase.* Both the Commonwealth and the defense shall be entitled if they choose, to make an opening statement prior to the presentation of any evidence to the jury relevant to the penalty to be imposed. The Commonwealth shall give its statement first.

(e) *Presentation of Evidence at Penalty Phase.* If the jury convicts the defendant of one or more non-capital felony offenses, or a Class 1 misdemeanor the penalty phase shall proceed in the following order:

(1) The Commonwealth may present any victim impact testimony pursuant to § [19.2-295.3](#) and shall present the defendant's prior criminal history, including prior convictions and the punishments imposed, by certified, attested, or exemplified copies of the final order(s) as provided by law. As a prerequisite to the introduction of such evidence, the Commonwealth shall have advised the defense, in accord with the requirements of law, of its intention to introduce such evidence.

(2) The defense may introduce relevant admissible evidence related to punishment. The defense shall have the opportunity to present such evidence irrespective of whether or not the Commonwealth presents evidence of previous criminal history.

(3) The Commonwealth may introduce relevant admissible evidence related to punishment in rebuttal.

(4) The defense may introduce relevant, admissible evidence related to punishment in rebuttal.

(f) *Closing Arguments at Penalty Phase.* Both the Commonwealth and defense shall be entitled to make a closing argument on the subject of punishment if they elect to do so. The Commonwealth shall be given the opportunity to argue first, followed by the defense. Rebuttal argument may be made by the Commonwealth.

(g) *Change of Plea.* The accused may enter a plea of guilty to the whole of the indictment at any time until the jury returns a verdict on the issue of the defendant's guilt or innocence.

(h) *Mistrial Upon a Non-Unanimous Jury at the Penalty Phase.* Should the jury fail to reach unanimous agreement as to punishment on any charge for which it returned a verdict of guilty, a mistrial shall be declared as to that count and that charge shall be retried as to guilt or innocence as to the offense for which a verdict of guilty was returned. If the original jury returned a guilty verdict to a lesser-included offense, but failed to be unanimous in determining punishment, retrial shall be upon the lesser-included offense. If the defendant, the attorney for the Commonwealth and the court agree, rather than declare a mistrial, the court shall fix punishment in the manner provided in Section [19.2-257](#), for the offense upon which the jury unanimously returned a verdict of guilty.

 - (c) If the defendant answers "Yes," the court may, but need not, accept the plea; if the court accepts the plea, the court should note that there is substantial evidence

against the defendant. Otherwise the court should not accept the plea. (See North Carolina v. Alford, 400 U.S. 25 (1970).]

(3) If the court rejects the agreement, you will not be bound by the agreement and you will be given an opportunity to withdraw your plea of guilty, and if you do, your trial may be conducted by another judge of this court?

(4) If you still plead guilty after the court rejects the plea agreement, the sentence in the case may be more severe than the disposition contained in the plea agreement?
.....

(b) [To be used if the Commonwealth's attorney merely recommends, or agrees not to oppose a request for, a specific sentence.] Do you understand that this agreement only provides for the Commonwealth's attorney (to make a recommendation) (to agree not to oppose a request for) a particular sentence, that this recommendation or request is not binding on the court, and if the court does not accept the recommendation or does not go along with the request, you have no right to withdraw your plea of guilty unless the Commonwealth fails to perform its part of the agreement? RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:1. General Provisions Governing Discovery.

(a) *Discovery Methods.* Parties may obtain discovery by one or more of the following methods: depositions upon oral examination or written questions; written interrogatories; production of documents, electronically stored information, or things or permission to enter upon land or other property, for inspection and other purposes; physical and mental examinations; and requests for admission.

(b) *Scope of Discovery.* Unless otherwise limited by order of the court in accordance with these Rules, the scope of discovery is as follows:

(1) *In General.* Parties may obtain discovery regarding any matter, not privileged, which is relevant to the subject matter involved in the pending action, whether it relates to the claim or defense of the party seeking discovery or to the claim or defense of any other party, including the existence, description, nature, custody, condition and location of any books, documents, or other tangible things and the identity and location of persons having knowledge of any discoverable matter. It is not ground for objection that the information sought will be inadmissible at the trial if the information sought appears reasonably calculated to lead to the discovery of admissible evidence. Subject to the provisions of Rule 4:8 (g), the frequency or extent of use of the discovery methods set forth in subdivision (a) shall be limited by the court if it determines that: (i) the discovery sought is unreasonably cumulative or duplicative, or is obtainable from some other source that is more convenient, less burdensome, or less expensive; (ii) the party seeking discovery has had ample opportunity by discovery in the action to obtain the information sought; or (iii) the discovery is unduly burdensome or expensive, taking into account the needs of the case, the amount in controversy, limitations on the parties' resources, and the importance of the issues at stake in the litigation. The court may act upon its own initiative after reasonable notice to counsel of record or pursuant to a motion under subdivision (c).

(2) *Insurance Agreements.* A party may obtain discovery of the existence and contents of any insurance agreement under which any person (which includes any individual, corporation, partnership or other association) carrying on an insurance business may be liable to satisfy part or all of a judgment which may be entered in the action or to indemnify or reimburse for payments made to satisfy the judgment. Information concerning the insurance agreement is not by reason of disclosure admissible in evidence at trial. For purposes of this paragraph, an application for insurance shall not be treated as part of an insurance agreement.

(3) Trial Preparation: Materials. Subject to the provisions of subdivision (b)(4) of this Rule, a party may obtain discovery of documents and tangible things otherwise discoverable under subdivision (b)(1) of this Rule and prepared in anticipation of litigation or for trial by or for another party or by or for that other party's representative (including his attorney, consultant, surety, indemnitor, insurer, or agent) only upon a showing that the party seeking discovery has substantial need of the materials in the preparation of his case and that he is unable without undue hardship to obtain the substantial equivalent of the materials by other means. In ordering discovery of such materials when the required showing has been made, the court shall protect against disclosure of the mental impressions, conclusions, opinions, or legal theories of an attorney or other representative of a party concerning the litigation.

A party may obtain without the required showing a statement concerning the action or its subject matter previously made by that party. Upon request, a person not a party may obtain without the required showing a statement concerning the action or its subject matter previously made by that person. If the request is refused, the person may move for a court order. The provisions of Rule 4:12(a)(4) apply to the award of expenses incurred in relation to the motion. For purposes of this paragraph, a statement previously made is (A) a written statement signed or otherwise adopted or approved by the person making it, or (B) a stenographic, mechanical, electrical, or other recording, or a transcription thereof, which is a substantially verbatim recital of an oral statement by the person making it and contemporaneously recorded.

(4) Trial Preparation: Experts; Costs - Special Provisions for Eminent Domain Proceedings. Discovery of facts known and opinions held by experts, otherwise discoverable under the provisions of subdivision (b)(1) of this Rule and acquired or developed in anticipation of litigation or for trial, may be obtained only as follows:

(A) (i) A party may through interrogatories require any other party to identify each person whom the other party expects to call as an expert witness at trial, to state the subject matter on which the expert is expected to testify, and to state the substance of the facts and opinions to which the expert is expected to testify and a summary of the grounds for each opinion. (ii) A party may depose any person who has been identified as an expert whose opinion may be presented at trial, subject to the provisions of subdivision (b)(4)(C) of this Rule concerning fees and expenses. (iii) Upon motion, the court may order further discovery by other means, subject to such restrictions as to scope and such provisions, pursuant to subdivision (b)(4)(C) of this Rule, concerning fees and expenses as the court may deem appropriate.

(B) A party may discover facts known or opinions held by an expert who has been retained or specially employed by another party in

anticipation of litigation or preparation for trial and who is not expected to be called as a witness at trial, only upon a showing of exceptional circumstances under which it is impracticable for the party seeking discovery to obtain facts or opinions on the same subject by other means.

(C) Unless manifest injustice would result, (i) the court shall require that the party seeking discovery pay the expert a reasonable fee for time spent and expenses incurred in responding to discovery under subdivisions (b)(4)(A)(ii), (b)(4)(A)(iii), and (b)(4)(B) of this Rule; and (ii) with respect to discovery obtained under subdivision (b)(4)(A)(iii) of this Rule the court may require, and with respect to discovery obtained under subdivision (b)(4)(B) of this Rule the court shall require, the party seeking discovery to pay the other party a fair portion of the fees and expenses reasonably incurred by the latter party in obtaining facts and opinions from the expert.

(D) Notwithstanding the provisions of subdivision (b)(4)(C) of this Rule, the condemnor in eminent domain proceedings, when it initiates discovery, shall pay all costs thereof, including without limitation the cost and expense of those experts discoverable under subdivision (b) of this Rule. The condemnor shall be deemed to have initiated discovery if it uses, or gives notice of the use of, any discovery method before the condemnee does so, even though the condemnee subsequently engages in discovery.

(5) Limitations on Discovery in Certain Proceedings. In any proceeding (1) for separate maintenance, divorce, or annulment of marriage, (2) for the exercise of the right of eminent domain, or (3) for a writ of habeas corpus or in the nature of coram nobis; (a) the scope of discovery shall extend only to matters which are relevant to the issues in the proceeding and which are not privileged; and (b) no discovery shall be allowed in any proceeding for a writ of habeas corpus or in the nature of coram nobis without prior leave of the court, which may deny or limit discovery in any such proceeding. In any proceeding for divorce or annulment of marriage, a notice to take depositions must be served in the Commonwealth by an officer authorized to serve the same, except that, in cases where such suits have been commenced and an appearance has been made on behalf of the defendant by counsel, notices to take depositions may be served in accordance with Rule 1:12.

(6) Claims of Privilege or Protection of Trial Preparation Materials.

(i) When a party withholds information otherwise discoverable under these rules by claiming that it is privileged or subject to protection as trial preparation material, the party shall make the claim expressly and shall describe the nature of the documents, communications, or things not produced or disclosed in a manner that, without revealing information

itself privileged or protected, will enable other parties to assess the applicability of the privilege or protection.

(ii) If a party believes that a document or electronically stored information that has already been produced is privileged or its confidentiality is otherwise protected the producing party may notify any other party of such claim and the basis for the claimed privilege or protection. Upon receiving such notice, any party holding a copy of the designated material shall sequester or destroy its copies thereof, and shall not duplicate or disseminate such material pending disposition of the claim of privilege or protection by agreement, or upon motion by any party. If a receiving party has disclosed the information before being notified of the claim of privilege or other protection, that party must take reasonable steps to retrieve the designated material. The producing party must preserve the information until the claim of privilege or other protection is resolved.

(7) *Electronically Stored Information.* A party need not provide discovery of electronically stored information from sources that the party identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the party from whom discovery is sought must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 4:1(b)(1). The court may specify conditions for the discovery, including allocation of the reasonable costs thereof.

(8) *Pre-Motion Negotiation.* A motion under this Rule must be accompanied by a certification that the movant has in good faith conferred or attempted to confer with other affected parties in an effort to resolve the dispute without court action.

(c) *Protective Orders.* Upon motion by a party or by the person from whom discovery is sought, accompanied by a certification that the movant has in good faith conferred or attempted to confer with other affected parties in an effort to resolve the dispute without court action, and for good cause shown, the court in which the action is pending or alternatively, on matters relating to a deposition, the court in the county or city where the deposition is to be taken, may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following: (1) that the discovery not be had; (2) that the discovery may be had only on specified terms and conditions, including a designation of the time or place; (3) that the discovery may be had only by a method of discovery other than that selected by the party seeking discovery; (4) that certain matters not be inquired into, or that the scope of the discovery be limited to certain matters; (5) that discovery be conducted with no one present except persons designated by the court; (6) that a deposition after being sealed be opened only by order of the court; (7) that a trade secret or other confidential research, development, or commercial information not

be disclosed or be disclosed only in a designated way; (8) that the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the court.

If the motion for a protective order is denied in whole or in part, the court may, on such terms and conditions as are just, order that any party or person provide or permit discovery. The provisions of Rule 4:12(a)(4) apply to the award of expenses incurred in relation to the motion.

(d) *Sequence and Timing of Discovery.*

(1) Unless the court upon motion, for the convenience of parties and witnesses and in the interests of justice, orders otherwise, methods of discovery may be used in any sequence and the fact that a party is conducting discovery, whether by deposition or otherwise, shall not operate to delay any other party's discovery.

(2) Discovery shall continue after a demurrer, plea or dispositive motion addressing one or more claims or counter-claims has been filed and while such motion is pending decision – unless the court in its discretion orders that discovery on some or all issues in the action should be suspended.

(e) *Supplementation of Responses.* A party who has responded to a request for discovery is under a duty to supplement or correct the response to include information thereafter acquired in the following circumstances.

(1) A party is under a duty promptly to amend and/or supplement all responses to discovery requests directly addressed to (A) the identity and location of persons having knowledge of discoverable matters, and (B) the identity of each person expected to be called as an expert witness at trial, the subject matter on which the expert is expected to testify, and the substance of the expert's testimony, when additional or corrective information becomes available.

(2) A party is under a duty promptly to amend and/or supplement all other prior responses to interrogatories, requests for production, or requests for admission if the party learns that any such response is in some material respect incomplete or incorrect and if the additional or corrective information has not otherwise been made known to the other parties during the discovery process or in writing.

(3) A court may order, or the parties may agree to provide, supplementation in addition to that required in subsections (1) and (2) of this subpart (e).

(4) A party may supplement a prior discovery response by filing an updated response labelled "Supplemental" or "Amended", or by otherwise

notifying all other parties of the updated information in writing, signed by counsel of record.

(f) *Service Under This Part.* Except for the service of the notice required under Rule 4:2(a)(2), any notice or document required or permitted to be served under this Part Four shall be served as provided in Rule 1:12 except that any notice or document permitted to be served with the initial pleading shall be served (or accepted) in the same manner as such pleading.

(g) *Signing of Discovery Requests, Responses, and Objections.* Every request for discovery or response or objection thereto made by a party represented by an attorney shall be signed by at least one attorney of record in the attorney's individual name, whose address shall be stated. A party who is not represented by an attorney shall sign the request, response, or objection, and state the party's address. The signature of the attorney or party constitutes a certification that the signer has read the request, response, or objection, and that to the best of the signer's knowledge, information, and belief formed after a reasonable inquiry it is: (1) consistent with these Rules and warranted by existing law or a good faith argument for extension, modification, or reversal of existing law; (2) not interposed for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation; and (3) not unreasonable or unduly burdensome or expensive, given the needs of the case, the discovery already had in the case, the amount in controversy and the importance of the issues at stake in the litigation. If a request, response, or objection is not signed, it shall be stricken unless it is signed promptly after the omission is called to the attention of the party making the request, response, or objection, and a party shall not be obligated to take any action with respect to it until it is signed.

If a certification is made in violation of the rule, the court, upon motion or upon its own initiative, shall impose upon the person who made the certification, the party on whose behalf the request, response, or objection is made, or both, an appropriate sanction, which may include an order to pay the amount of the reasonable expenses incurred because of the violation, including a reasonable attorney's fee.

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:2. Depositions Before Action or Pending Appeal.

(a) Before Action.

(1) Petition. A person who desires to perpetuate his own testimony or that of another person regarding any matter that may be cognizable in any court of this Commonwealth may file a verified petition in the circuit court in the county or city of the residence of any expected adverse party. The petition shall be entitled in the name of the petitioner and shall show: (A) that the petitioner expects to be a party to an action cognizable in a court of this Commonwealth but is presently unable to bring it or cause it to be brought; (B) the subject matter of the expected action and his interest therein; (C) the facts which he desires to establish by the proposed testimony and his reasons for desiring to perpetuate it; (D) the names or a description of the persons he expects will be adverse parties and their addresses so far as known; and (E) the names and addresses of the persons to be examined and the substance of the testimony which he expects to elicit from each, and shall ask for an order authorizing the petitioner to take the depositions of the persons to be examined named in the petition, for the purpose of perpetuating their testimony.

(2) Notice and Service. The petitioner shall thereafter serve a notice upon each person named in the petition as an expected adverse party, together with a copy of the petition, stating that the petitioner will apply to the court, at a time and place named therein, for the order described in the petition. At least 21 days before the date of hearing the notice shall be served either within the Commonwealth in the manner provided for service of a complaint or without the Commonwealth in the manner provided by Code § [8.01-320](#); but if such service cannot with due diligence be made upon any expected adverse party named in the petition, the court may make such order as is just for service by publication or otherwise, and shall appoint, for persons not so served, an attorney who shall represent them, and, in case they are not otherwise represented, shall cross-examine the deponent. If any expected adverse party is a person under a disability, a guardian ad litem shall be appointed to attend on his behalf.

(3) Order and Examination. If the court is satisfied that the perpetuation of the testimony may prevent a failure or delay of justice, it shall make an order designating or describing the persons whose depositions may be taken and specifying the subject matter of the examination and whether the depositions shall be taken upon oral examination or written interrogatories. The depositions may then be taken in accordance with these Rules. The attendance of witnesses may be compelled by subpoena, and the court may make orders of the character provided for by Rules 4:9 and 4:10. For the purpose of applying these Rules to depositions

for perpetuating testimony, each reference therein to the court in which the action is pending shall be deemed to refer to the court in which the petition for such deposition was filed.

(4) *Cost.* The cost of such depositions shall be paid by the petitioner, except that the other parties in interest who produce witnesses on their behalf or who make use of witnesses produced by others shall pay their proportionate part of the cost of the transcribed testimony and evidence taken or given on behalf of each of such parties.

(5) *Filing.* The depositions shall be certified as prescribed in Rule 4:5 and then returned to and filed by the clerk of the court which ordered its taking.

(6) *Use of Deposition.* If a deposition to perpetuate testimony is taken under these Rules or if, although not so taken, it would be admissible in evidence in the courts of the state in which it is taken, it may be used in any action involving the same subject matter subsequently brought in a court of this Commonwealth in accordance with the provisions of Rule 4:1.

(b) *Pending Appeal.* If an appeal has been taken from a judgment of a court of record or before the taking of an appeal if the time therefor has not expired, the court in which the judgment was rendered may allow the taking of the depositions of witnesses to perpetuate their testimony for use in the event of further proceedings in that court. In such case the party who desires to perpetuate the testimony may make a motion in the court in which the judgment was rendered for leave to take the depositions, upon the same notice and service thereof as if the action was pending therein. The motion shall show (1) the names and addresses of persons to be examined and the substance of the testimony which he expects to elicit from each; and (2) the reasons for perpetuating their testimony. If the court finds that the perpetuation of the testimony is proper to avoid a failure or delay of justice, it may make orders of the character provided for by Rules 4:9 and 4:10, and thereupon the depositions may be taken and used in the same manner and under the same conditions as are prescribed in these Rules for depositions taken in pending actions.

(c) *Perpetuation of Testimony.* This Rule provides the exclusive procedure to perpetuate testimony.

(c) *No Commission Necessary.* No commission by the Governor of this Commonwealth shall be necessary to take a deposition whether within or without this Commonwealth.

(d) *In Foreign Countries.* In a foreign state or country depositions shall be taken (1) before any American minister plenipotentiary, charge d'affaires, secretary of embassy or legation, consul general, consul, vice-consul, or commercial agent of the United States in a foreign country, or any other representative of the United States therein, including commissioned officers of the armed services of the United States, or (2) before the mayor, or other magistrate of any city, town or corporation in such country, or any notary therein.

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:5. Depositions Upon Oral Examination.

(a) *When Depositions May Be Taken.* After commencement of the action, any party may take the testimony of any person, including a party, by deposition upon oral examination. Leave of court, granted with or without notice, must be obtained only if the plaintiff seeks to take a deposition before the expiration of the period within which a defendant may file a responsive pleading under Rule 3:8, except that leave is not required (1) if a defendant has served a notice of taking deposition, or (2) if special notice is given as provided in subdivision (b)(2) of this Rule. The attendance of witnesses may be compelled by subpoena. The deposition of a person confined in prison may be taken only by leave of court on such terms as the court prescribes.

(a1) *Taking of Depositions.*

(i) *Party Depositions.* A deposition of a party, or any witness designated under Rule 4:5(b)(6) to testify on behalf of a party, shall be taken in the county or city in which suit is pending, in an adjacent county or city, at a place upon which the parties agree, or at a place that the court in such suit may, for good cause, designate. Good cause may include the expense or inconvenience of a non-resident party defendant appearing in one of the locations specified in this subsection. The restrictions as to parties set forth in this subdivision (a1)(i) shall not apply where no responsive pleading has been filed or an appearance otherwise made.

(ii) *Non-party Witness Depositions.* Unless otherwise provided by the law of the jurisdiction where a non-party witness resides, a deposition of a non-party witness shall be taken in the county or city where the non-party witness resides, is employed, or has a principal place of business; at a place upon which the witness and the parties to the litigation agree; or at a place that the court may, for good cause, designate.

(iii) *Taking Depositions Outside the State.* Within another state, or within a territory or insular possession subject to the dominion of the United States, or in a foreign country, depositions may be taken (1) on notice before a person authorized to administer oaths in the place in which the examination is held, either by the law thereof or, where applicable, the law of the United States, or (2) before a person appointed or commissioned by the court in which the action is pending, and such a person shall have the power by virtue of such appointment or commission to administer any necessary oath and take testimony, or (3) pursuant to a letter rogatory. A commission or letter rogatory shall be issued upon application and notice and on terms that are just and appropriate. It is not

requisite to the issuance of a commission or a letter rogatory that the taking of the deposition in any other manner is impracticable or inconvenient. A notice or commission may designate the person before whom the deposition is to be taken either by name or descriptive title. A commission or letter rogatory may be addressed "To the Appropriate Authority in (here name the state, territory, or country)." Witnesses may be compelled to appear and testify at depositions taken outside this state by process issued and served in accordance with the law of the jurisdiction where the deposition is taken or, where applicable, the law of the United States. Upon motion, the courts of this State shall issue a commission or letter rogatory requesting the assistance of the courts or authorities of the foreign jurisdiction.

(iv) Uniform Interstate Depositions and Discovery Act. Depositions and related documentary production sought in Virginia pursuant to a subpoena issued under the authority of a foreign jurisdiction shall be subject to the provisions of the Uniform Interstate Depositions and Discovery Act, Virginia Code §§ [8.01-412.8](#) through [8.01-412.15](#).

(b) Notice of Examination: General Requirements; Special Notice; Production of Documents and Things; Deposition of Organization.

(1) A party desiring to take the deposition of any person upon oral examination shall give reasonable notice in writing to every other party to the action. The notice shall state the time and place for taking the deposition and the name and address of each person to be examined, if known, and, if the name is not known, a general description sufficient to identify him or the particular class or group to which he belongs. If a subpoena duces tecum is to be served on the person to be examined, the designation of the materials to be produced as set forth in the subpoena shall be attached to or included in the notice.

(2) Leave of court is not required for the taking of a deposition by plaintiff if the notice (A) states that the person to be examined is about to go out of the Commonwealth, or is about to go out of the United States, or is bound on a voyage to sea, and will be unavailable for examination unless his deposition is taken before expiration of the period for filing a responsive pleading under Rule 3:8, and (B) sets forth facts to support the statement. The plaintiff's attorney shall sign the notice, and his signature constitutes a certification by him that to the best of his knowledge, information, and belief the statement and supporting facts are true.

If a party shows that when he was served with notice under this subdivision (b)(2) he was unable through the exercise of diligence to obtain counsel to represent him at the taking of the deposition, the deposition may not be used against him.

(3) The court may for cause shown enlarge or shorten the time for taking the deposition.

(4) [Deleted.]

(5) The notice to a party deponent may be accompanied by a request made in compliance with Rule 4:9 for the production of documents and tangible things at the taking of the deposition. The procedure of Rule 4:9 shall apply to the request.

(6) A party may in his notice name as the deponent a public or private corporation or a partnership or association or governmental agency and designate with reasonable particularity the matters on which examination is requested. The organization so named shall designate one or more officers, directors, or managing agents, or other persons who consent to testify on its behalf, and may set forth, for each person designated, the matters on which he will testify. The persons so designated shall testify as to matters known or reasonably available to the organization. This subdivision (b)(6) does not preclude taking a deposition by any other procedure authorized in these Rules.

(7) Unless the court orders otherwise, a deposition may be taken by telephone, video conferencing, or teleconferencing. A deposition taken by telephone, video conferencing, or teleconferencing shall be taken before an appropriate officer in the locality where the deponent is present to answer questions propounded to him.

(c) *Examination and Cross-Examination; Record of Examination; Oath; Objections.* Examination and cross-examination of witnesses may proceed as permitted at the trial. The officer before whom the deposition is to be taken shall put the witness on oath and shall personally, or by someone acting under his direction and in his presence, record the testimony of the witness. If requested by one of the parties, the testimony shall be transcribed.

All objections made at time of the examination to the qualifications of the officer taking the deposition, or to the manner of taking it, or to the evidence presented, or to the conduct of any party, and any other objection to the proceedings, shall be noted by the officer upon the deposition. Evidence objected to shall be taken subject to the objections. In lieu of participating in the oral examination, parties may serve written questions in a sealed envelope on the party taking the deposition and he shall transmit them to the officer, who shall propound them to the witness and record the answers verbatim.

(d) *Motion to Terminate or Limit Examination.* At any time during the taking of the deposition, on motion of a party or of the deponent and upon a showing that the examination is being conducted in bad faith or in such manner as unreasonably to annoy, embarrass, or oppress the deponent or party, the court in which the action is pending or the court in the county or city where the deposition is being taken may order the officer

conducting the examination to cease forthwith from taking the deposition, or may limit the scope and manner of the taking of the deposition as provided in Rule 4:1(c). If the order made terminates the examination, it shall be resumed thereafter only upon the order of the court in which the action is pending. Upon demand of the objecting party or deponent, the taking of the deposition shall be suspended for the time necessary to make a motion for an order. The provisions of Rule 4:12(a)(4) apply to the award of expenses incurred in relation to the motion.

(e) *Submission to Witness; Changes; Signing.* When the testimony is fully transcribed, the deposition shall be submitted to the witness for examination and shall be read to or by him, unless such examination and reading are waived by the witness and by the parties. Any changes in form or substance which the witness desires to make shall be entered upon the deposition by the officer with a statement of the reasons given by the witness for making them. The deposition shall then be signed by the witness, unless the parties by stipulation waive the signing or the witness is ill or cannot be found or refuses to sign. If the deposition is not signed by the witness within 21 days of its submission to him, the officer shall sign it and state on the record the fact of the waiver or of the illness or absence of the witness or the fact of the refusal to sign together with the reason, if any, given therefor; and the deposition may then be used as fully as though signed unless on a motion to suppress under Rule 4:7(d)(4) the court holds that the reasons given for the refusal to sign require rejection of the deposition in whole or in part.

(f) *Certification and Filing by Officer; Exhibits; Copies; Notice of Filing.*

(1) The officer shall prepare an electronic or digitally imaged copy of the deposition transcript, including signatures and any changes as provided in subsection (e) of this Rule, and shall certify on the deposition that the witness was duly sworn by him and that the deposition is a true record of the testimony given by the witness. In a divorce or annulment case, the officer shall then promptly file the electronic or digitally imaged deposition in the office of the clerk, notifying all other parties of such action. In all other cases, the officer shall then lodge the deposition with the attorney for the party who initiated the taking of the deposition, notifying the clerk and all parties of such action. Depositions taken pursuant to this Rule or Rule 4:6 (except depositions taken in divorce and annulment cases) shall not be filed with the clerk until the court so directs, either on its own initiative or upon the request of any party prior to or during the trial. Any such filing shall be made electronically unless otherwise ordered by the judge.

Documents and things produced for inspection during the examination of the witness, shall, upon the request of a party, be marked for identification and annexed to and returned with the deposition, and may be inspected and copied by any party, except that (A) the person producing the materials may substitute copies to be marked for identification, if he affords to all parties fair opportunity to verify the copies by comparison with the originals, and (B) if the person producing the materials requests their return, the officer shall mark them, give

each party an opportunity to inspect and copy them, and return them to the person producing them, and the materials may then be used in the same manner as if annexed to and returned with the deposition. Any party may move for an order that the original be annexed to and returned with the deposition to the court, pending final disposition of the case.

(2) Upon payment of reasonable charges therefor, the officer shall furnish a copy of the deposition to any party or to the deponent.

(3) The party taking the deposition shall give prompt notice of its filing to all other parties.

(g) Failure to Attend or to Serve Subpoena; Expenses.

(1) If the party giving the notice of the taking of a deposition fails to attend and proceed therewith and another party attends in person or by attorney pursuant to the notice, the court may order the party giving the notice to pay to such other party the reasonable expenses incurred by him and his attorney in attending, including reasonable attorney's fees.

(2) If the party giving the notice of the taking of a deposition of a witness fails to serve a subpoena upon him and the witness because of such failure does not attend, and if another party attends in person or by attorney because he expects the deposition of that witness to be taken, the court may order the party giving the notice to pay to such other party the reasonable expenses incurred by him and his attorney in attending, including reasonable attorney's fees.

PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:6. Depositions Upon Written Questions.

(a) *Serving Questions; Notice.* After commencement of the action, any party may take the testimony of any person, including a party, by deposition upon written questions. The attendance of witnesses may be compelled by the use of subpoena. The deposition of a person confined in prison may be taken only by leave of court on such terms as the court prescribes.

A party desiring to take the deposition upon written questions shall serve them upon every other party with a notice stating (1) the name and address of the person who is to answer them, if known, and if the name is not known, a general description sufficient to identify him or the particular class or group to which he belongs, and (2) the name or descriptive title and address of the officer before whom the deposition is to be taken. A deposition upon written questions may be taken of a public or private corporation or a partnership or association or governmental agency in accordance with the provisions of Rule 4:5(b)(6).

Within 21 days after the notice and written questions are served, a party may serve cross questions upon all other parties. Within 10 days after being served with cross questions, a party may serve redirect questions upon all other parties. Within 10 days after being served with redirect questions, a party may serve recross questions upon all other parties. The court may for cause shown enlarge or shorten the time.

(b) *Officer to Take Responses and Prepare Record.* A copy of the notice and copies of all questions served shall be delivered by the party taking the deposition to the officer designated in the notice, who shall proceed promptly, in the manner provided by Rule 4:5(c), (e), and (f), to take the testimony of the witness in response to the questions and to prepare, certify, and file the electronic or digitally imaged deposition or lodge the deposition with the attorney for the party who initiated the taking of the deposition, attaching thereto the copy of the notice and the questions received.

(c) *Notice of Filing.* When the deposition is filed, the party taking it shall promptly give notice thereof to all other parties.

Rule 4:6A. Number of Depositions.

There shall be no limit on the number of witnesses whose depositions may be taken by a party except by order of the court for good cause shown.

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:7. Use of Depositions in Court Proceedings.

(a) *Use of Depositions.* At the trial or upon the hearing of a motion or an interlocutory proceeding, any part or all of a deposition, so far as admissible under the rules of evidence applied as though the witness were then present and testifying, may be used against any party who was present or represented at the taking of the deposition or who had reasonable notice thereof, in accordance with any of the following provisions:

(1) Any deposition taken in a civil action may be used for any purpose in supporting or opposing an equitable claim; provided, however, that such a deposition may be used on an issue heard by an advisory jury empaneled pursuant to Code § [8.01-336\(E\)](#) or a hearing ore tenus only as provided by subdivision (a)(4) of this Rule.

(2) Any deposition may be used by any party for the purpose of contradicting or impeaching the testimony of deponent as a witness.

(3) The deposition of a party or of anyone who at the time of taking the deposition was an officer, director, or managing agent, or a person designated under Rule 4:5(b)(6) or 4:6(a) to testify on behalf of a public or private corporation, partnership or association or governmental agency which is a party may be used by an adverse party for any purpose.

(4) The deposition of a witness, whether or not a party, may be used by any party for any purpose in any action upon a claim arising at law, issue heard by an advisory jury empaneled pursuant to Code § [8.01-336\(E\)](#), or hearing ore tenus upon an equitable claim if the court finds: (A) that the witness is dead; or (B) that the witness is at a greater distance than 100 miles from the place of trial or hearing, or is out of this Commonwealth, unless it appears that the absence of the witness was procured by the party offering the deposition; or (C) that the witness is unable to attend or testify because of age, illness, infirmity, or imprisonment; or (D) that the party offering the deposition has been unable to procure the attendance of the witness by subpoena; or (E) that the witness is a judge, or is a superintendent of a hospital for the insane more than 30 miles from the place of trial, or is a physician, surgeon, dentist, chiropractor, or registered nurse who, in the regular course of his profession, treated or examined any party to the proceeding, or is in any public office or service the duties of which prevent his attending court provided, however, that if the deponent is subject to the jurisdiction of the court, the court may, upon a showing of good cause or sua sponte, order him to attend and to testify ore tenus; or (F) upon application and notice, that such exceptional circumstances exist as to make it desirable, in the

interest of justice and with due regard to the importance of presenting the testimony of witnesses orally in open court, to allow the deposition to be used.

(5) If only part of a deposition is offered in evidence by a party, an adverse party may require him to introduce any other part which ought in fairness to be considered with the part introduced, and any party may introduce any other parts.

(6) No deposition shall be read in any action against a person under a disability unless it be taken in the presence of the guardian ad litem appointed or attorney serving pursuant to § [8.01-9](#), or upon questions agreed on by the guardian or attorney before the taking.

(7) In any action, the fact that a deposition has not been offered in evidence prior to an interlocutory decree or order shall not prevent its thereafter being so offered except as to matters ruled upon in such interlocutory decree or order; provided, however, that such deposition may be read as to matters ruled upon in such an interlocutory decree or order if the principles applicable to after-discovered evidence would permit its introduction.

Substitution of parties does not affect the right to use depositions previously taken; and when there are pending in the same court several actions or suits between the same parties, depending upon the same facts, or involving the same matter of controversy, in whole or in part, a deposition taken in one of such actions or suits, upon notice to the same party or parties, may be read in all, so far as it is applicable and relevant to the issue; and, when an action in any court of the United States or of this or any other state has been dismissed and another action involving the same subject matter is afterward brought between the same parties or their representatives or successors in interest, all depositions lawfully taken and duly filed in the one action may be used in the other as if originally taken therefor.

(b) *Form of Presentation; Objections to Admissibility.* A party may offer deposition testimony pursuant to this Rule in stenographic or nonstenographic form. Except as otherwise directed by the court, if all or part of a deposition is offered, the offering party shall provide the court with a transcript of the portions so offered in either form or in electronic or digitally imaged form. Except as provided in Rule 1:18 and subject to the provisions of subdivision (d)(3) of this Rule, objection may be made at the trial or hearing to receiving in evidence any deposition or part thereof for any reason which would require the exclusion of the evidence if the witness were then present and testifying.

(c) *Effect of Taking or Using Depositions.* A party does not make a person his own witness for any purpose by taking his deposition. The introduction in evidence of the deposition or any part thereof for any purpose other than that of contradicting or impeaching the deponent makes the deponent the witness of the party introducing the deposition, but this shall not apply to the use by an adverse party of a deposition under

subdivision (a)(3) of this Rule. At the trial or hearing any party may rebut any relevant evidence contained in a deposition whether introduced by him or by any other party.

(d) Effect of Errors and Irregularities in Depositions.

(1) As to Notice. – All errors and irregularities in the notice for taking a deposition are waived unless written objection is promptly served upon the party giving the notice.

(2) As to Disqualification of Officer. – Objection to taking a deposition because of disqualification of the officer before whom it is to be taken is waived unless made before the taking of the deposition begins or as soon thereafter as the disqualification becomes known or could be discovered with reasonable diligence.

(3) As to Taking of Deposition. –

(A) Objections to the competency of a witness or to the competency, relevancy, or materiality of testimony are not waived by failure to make them before or during the taking of the deposition, unless the ground of the objection is one which might have been obviated or removed if presented at that time.

(B) Errors and irregularities occurring at the oral examination in the manner of taking the deposition, in the form of the questions or answers, in the oath or affirmation, or in the conduct of parties, and errors of any kind which might be obviated, removed, or cured if promptly presented, are waived unless seasonable objection thereto is made at the taking of the deposition.

(C) Objections to the form of written questions submitted under Rule 4:6 are waived unless served in writing upon the party propounding them within the time allowed for serving the succeeding cross or other questions and within 5 days after service of the last questions authorized.

(4) As to Completion and Return of Deposition. – Errors and irregularities in the manner in which the testimony is transcribed or the deposition is prepared, signed, certified, sealed, endorsed, transmitted, filed or otherwise dealt with by the officer under Rules 4:5 and 4:6 are waived unless a motion to suppress the deposition or some part thereof is made with reasonable promptness after such defect is, or with due diligence might have been, ascertained.

(e) Limitation on Use of Depositions. No motion for summary judgment in any action at law or to strike the evidence shall be sustained when based in whole or in part upon any depositions under Rule 4:5, unless such depositions are received in evidence under Rule 4:7(a)(4) or all parties to the suit or action shall agree that such deposition may be so used.

(f) *Record.* Depositions shall become a part of the record only to the extent that they are offered in evidence.

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:7A. Audio-Visual Depositions.

(a) *When Depositions May Be Taken by Audio-Visual Means.* Any depositions permitted under these Rules may be taken by audio-visual means including, but not limited to, videoconferencing and teleconferencing, as authorized by and when taken in compliance with law.

(b) *Procedure.*

(1) The deposition must begin with an oral or written statement on camera which includes (i) each operator's name and business address or, if applicable, the identity of the video conferencing or teleconferencing proprietor and locations participating in the video conference or teleconference; (ii) the name and business address of the operator's employer; (iii) the date, time and place of the deposition; (iv) the caption of the case; (v) the name of the witness; (vi) the party on whose behalf the deposition is being taken; (vii) with respect to video conferencing or teleconferencing, the identities of persons present at the deposition and the location of each such person; and (viii) any stipulations by the parties; and

(2) In addition, all counsel present on behalf of any party or witness shall identify themselves on camera. The oath for witnesses shall be administered on camera. If the length of a deposition requires the use of more than one recording unit, the end of each unit and the beginning of each succeeding unit shall be announced on camera. At the conclusion of a deposition, a statement shall be made on camera that the deposition is concluded. A statement may be made on camera setting forth any stipulations made by counsel concerning the custody of the audio-visual recording and exhibits or other pertinent matters; and

(3) All objections must be made as in the case of stenographic depositions.

(c) *Editing.* No audio-visual deposition shall be edited except pursuant to a stipulation of the parties or pursuant to order of the court and only as and to the extent directed in such stipulation and/or order. In any case where the parties stipulate or the court orders the audio-visual recording to be edited prior to its use, the original recording shall not be altered and the editing shall be done on a copy or copies.

(d) *Recording and Transcription.*

(1) Any deposition may be recorded by audio-visual means without a stenographic record. The audio-visual recording is an official record of the deposition. A transcript prepared by a court reporter shall also be deemed an official record of the deposition. Any party may make, at its own expense, a

simultaneous stenographic or audio record of the deposition. Upon request and at his own expense, any party is entitled to an audio or audio-visual copy of the audio-visual recording.

(2) If an appeal is taken in the case, the appellant must cause to be prepared and filed with the clerk a written transcript of that portion of an audio-visual deposition made a part of the record in the trial court to the extent germane to an issue on appeal. The appellee may designate additional portions to be so prepared by the appellant and filed.

(e) *Use.* An audio-visual deposition may be used for any purpose and under any circumstances in which a stenographic deposition may be used.

(f) *Submission to the Witness; Changes; Signing.* The provisions of Rule 4:5(e) shall not apply to an audio-visual deposition. The other provisions of Rule 4:5 shall be applicable to the extent practicable.

(g) *Filing.* Unless otherwise stipulated by the parties or ordered by the court, the original audio-visual recording of a deposition, any copy edited pursuant to stipulation or an order of the court, and exhibits shall be filed only in accord with Rule 4:5(f)(1).

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:8. Interrogatories to Parties.

(a) *Availability; Procedures for Use.* Any party may serve upon any other party written interrogatories to be answered by the party served or, if the party served is a public or private corporation or a partnership or association or governmental agency, by any officer or agent, who shall furnish such information as is available to the party. Interrogatories may, without leave of court, be served upon the plaintiff after commencement of the action and upon any other party with or after service of the complaint upon that party.

(b) *Form.* The party answering the interrogatories shall restate each question, by photocopying it or otherwise, then insert the word "Answer" and immediately thereafter state the response to that question. The answering party shall attach the necessary oath and certificate of service to the answers.

(c) *Filing.*

(1) Interrogatories and answers or objections thereto shall not be filed unless the court directs such filing on its own initiative or upon the request of any party prior to or during the trial.

(2) When the propriety or sufficiency of any interrogatory, answer or objection, or the service thereof, is challenged, or any other issue concerning such discovery is presented to the court for decision, copies of the relevant items, including any applicable certificates of service, shall be made available to the court by counsel.

(3) In an Electronically Filed Case, submission of interrogatories, answers, objections and certificates of service as provided in subdivisions (c)(1) and (c)(2) of this Rule shall be made by filing an electronic or digitally imaged copy thereof, unless the court directs otherwise.

(d) *Answers.* Each interrogatory shall be answered separately and fully in writing under oath, unless it is objected to, in which event the reasons for objection shall be stated in lieu of an answer. The answers are to be signed by the person making them, and the objections signed by the attorney making them. The party upon whom the interrogatories have been served shall serve a copy of the answers, and objections if any, within 21 days after the service of the interrogatories, except that a defendant may serve answers or objections within 28 days after service of the bill of complaint or motion for judgment upon that defendant. The court may allow a shorter or longer time. The party

submitting the interrogatories may move for an order under Rule 4:12(a) with respect to any objection to or other failure to answer an interrogatory.

(e) *Scope; Use.* Interrogatories may relate to any matters which can be inquired into under Rule 4:1(b), and the answers may be used to the extent permitted by the rules of evidence and for the purposes of Rule 3:20. Only such interrogatories and the answers thereto as are offered in evidence shall become a part of the record.

An interrogatory otherwise proper is not necessarily objectionable merely because an answer to the interrogatory involves an opinion or contention that relates to fact or the application of law to fact, but the court may order that such an interrogatory need not be answered until after designated discovery has been completed or until a pre-trial conference or other later time.

(f) *Option to Produce Business Records.* Where the answer to an interrogatory may be derived or ascertained from the business records, including electronically stored information, of the party upon whom the interrogatory has been served or from an examination, audit or inspection of such business records, or from a compilation, abstract or summary based thereon, and the burden of deriving or ascertaining the answer is substantially the same for the party serving the interrogatory as for the party served, it is a sufficient answer to such interrogatory to specify the records from which the answer may be derived or ascertained and to afford to the party serving the interrogatory reasonable opportunity to examine, audit or inspect such records and to make copies, compilations, abstracts or summaries. A specification shall be in sufficient detail to permit the interrogating party to locate and to identify, as readily as can the party served, the records from which the answer may be ascertained. A specification of electronically stored information may be made under this Rule if the information will be made available in a reasonably usable form or forms.

(g) *Limitation on Interrogatories.* No party shall serve upon any other party, at any one time or cumulatively, more than thirty written interrogatories, including all parts and sub-parts without leave of court for good cause shown.

Last amended by Order dated March 1, 2011; effective May 2, 2011.

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:9. Production by Parties of Documents, Electronically Stored Information, and Things; Entry on Land for Inspection and Other Purposes; Production at Trial.

(a) *Scope.* Any party may serve on any other party a request (1) to produce and permit the party making the request, or someone acting on his behalf, to inspect, copy, test, or sample any designated documents or electronically stored information (including writings, drawings, graphs, charts, photographs, and other data or data compilations stored in any medium from which information can be obtained, translated, if necessary, by the respondent into reasonably usable form), or to inspect, copy, test, or sample any designated tangible things which constitute or contain matters within the scope of Rule 4:1(b) and which are in the possession, custody, or control of the party upon whom the request is served; or (2) to produce any such documents or electronically stored information to the court in which the proceeding is pending at the time of trial; or (3) to permit entry upon designated land or other property in the possession or control of the party upon whom the request is served for the purpose of inspection and measuring, surveying, photographing, testing, or sampling the property or any designated object or operation thereon, within the scope of Rule 4:1(b).

(b) *Procedure.*

(i) *Initiation of the Request.* The request may, without leave of court, be served upon the plaintiff after commencement of the action and upon any other party with or after service of the complaint upon that party. The request shall set forth the items to be inspected either by individual item or by category, and describe each item and category with reasonable particularity. The request shall specify a reasonable time, place, period and manner of making the inspection and performing the related acts. The request may specify the form or forms in which electronically stored information is to be produced.

(ii) *Response.* The party upon whom the request is served shall serve a written response within 21 days after the service of the request, except that a defendant may serve a response within 28 days after service of the complaint upon that defendant. The court may allow a shorter or longer time. The response shall state, with respect to each item or category, that inspection and related activities will be permitted as requested, unless the request is objected to, including an objection to the requested form or forms for producing electronically stored information, stating the reasons for the objection. If objection is made to part of an item or category, the part shall be specified and production shall be permitted as to the remaining parts. If objection is made to the requested form or forms for producing electronically stored information /- or if no form was

specified in the request /- the responding party must state the form or forms it intends to use. The party submitting the request may move for an order under Rule 4:12(a) with respect to any objection to or other failure to respond to the request or any part thereof, or any failure to permit inspection as requested. A motion under this Rule must be accompanied by a certification that the movant has in good faith conferred or attempted to confer with other affected parties in an effort to resolve the dispute without court action.

(iii) Organization, Reasonable Accessibility, and Forms of Production. Unless the parties otherwise agree, or the court otherwise orders:

(A) Production of Documents. A party who produces documents for inspection either shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the request.

(B) Electronically Stored Information.

(1) Responses to a request for production of electronically stored information shall be subject to the provisions of Rules 4:1(b)(7) and 4:1(b)(8).

(2) If a request does not specify the form or forms for producing electronically stored information, or if a responding party objects to the requested form or forms of production, a responding party must produce the information as it is ordinarily maintained if it is reasonably usable in such form or forms, or must produce the information in another form or forms in which it is reasonably usable. A party need not produce the same electronically stored information in more than one form.

(iv) Proceedings Under the Uniform Interstate Depositions and Discovery Act. Production of documents and electronic records sought in Virginia pursuant to a subpoena issued under the authority of a foreign jurisdiction shall be subject to the provisions of the Uniform Interstate Depositions and Discovery Act, Virginia Code §§ [8.01-412.8](#) through [8.01-412.15](#).

(c) *Proceedings on Failure or Refusal to Comply*. If a party fails or refuses to obey an order made under section (b) of this Rule, the court may proceed as provided by Rule 4:12(b)(2).

(d) *Filing*. Requests to a party pursuant to this Rule and responses or objections shall be filed as provided in Rule 4:8(c).

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:9A. Production from Non-Parties of Documents, Electronically Stored Information, and Things and Entry on Land for Inspection and Other Purposes; Production at Trial.

(a) *Issuance of a Subpoena Duces Tecum.* Except as provided in paragraph (d) of this Rule, a subpoena duces tecum may be issued:

(1) By the clerk of court. Upon written request therefor filed with the clerk of the court in which the action or suit is pending by counsel of record for any party or by a party having no counsel in any pending case, with a certificate that a copy thereof has been served pursuant to Rule 1:12 upon counsel of record and to parties having no counsel, the clerk shall issue to a person not a party therein a subpoena duces tecum subject to this Rule.

(2) By an attorney. In a pending civil proceeding, a subpoena duces tecum may be issued by an attorney-at-law as an officer of the court if he or she is an active member of the Virginia State Bar at the time of issuance. An attorney may not issue a subpoena duces tecum in those civil proceedings excluded in Virginia Code § [8.01-407](#). An attorney-issued subpoena duces tecum must be signed as if a pleading and must contain the attorney's address, telephone number and Virginia State Bar identification number. A copy of any attorney-issued subpoena duces tecum must be mailed or delivered to the clerk's office of the court in which the case is pending on the day of issuance with a certificate that a copy thereof has been served pursuant to Rule 1:12 upon counsel of record and to parties having no counsel. If time for compliance with an attorney-issued subpoena duces tecum is less than fourteen (14) days after service of the subpoena, the person to whom the subpoena is directed may serve on the party issuing the subpoena a written objection setting forth any grounds upon which such production, inspection, copying, sampling or testing should not be had. If an objection is made, the party issuing the subpoena shall not be entitled to the requested production, inspection, copying, sampling or testing, except pursuant to an order of the court in which the civil proceeding is pending. If an objection is made, the party issuing the subpoena may, upon notice to the person to whom the subpoena is directed, move for an order to compel the production, inspection, copying, sampling or testing. Upon a timely motion, the court may quash, modify or sustain the subpoena as provided above in subsection (c) of this Rule.

(b) *Content of Subpoena Duces Tecum; Objections.* Subject to paragraph (d) of this Rule, a subpoena duces tecum shall command the person to whom it is directed, or someone acting on his behalf, to produce the documents, electronically stored information, or designated tangible things (including writings, drawings, graphs, charts, photographs, and other data or data compilations stored in any medium from which

information can be obtained, translated, if necessary, by the respondent into reasonably usable form) designated and described in said request, and to permit the party filing such request, or someone acting in his behalf, to inspect and copy, test, or sample any designated tangible things which constitute or contain matters within the scope of Rule 4:1(b) which are in the possession, custody or control of such person to whom the subpoena is directed, at a time and place and for the period specified in the subpoena. A subpoena may specify the form or forms in which electronically stored information is to be produced.

(c) Responding to a Subpoena; Objections; Production of Documents and Electronically Stored Information.

(1) Production of Documents. A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) Electronically Stored Information.

(A) A person responding to a subpoena need not provide discovery of electronically stored information from sources the responder identifies as not reasonably accessible because of undue burden or cost. On motion to compel production or to quash a subpoena, the person from whom production is sought under the subpoena must show that the information sought is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order production of responsive material from such sources if the subpoenaing party shows good cause, considering the limitations of Rule 4:1(b)(1). The court may specify conditions for the production of such information, including allocation of the reasonable costs thereof.

(B) If a subpoena does not specify the form or forms for producing electronically stored information, a person responding thereto must produce the information as it is ordinarily maintained if it is reasonably usable in such form or forms, or must produce the information in another form or forms in which it is reasonably usable. A person responding to a subpoena need not produce the same electronically stored information in more than one form.

(3) Objections and Procedures. The court, upon written motion promptly made by the person so required to produce, or by the party against whom such production is sought, may (1) quash or modify the subpoena, or the method or form for production of electronically stored information, if the subpoena would otherwise be unduly burdensome or expensive, (2) condition denial of the motion to quash or modify upon the advancement by the party in whose behalf the subpoena is issued of some or all of the reasonable cost of producing the

documents, electronically stored information, and tangible things so designated and described or (3) direct that the documents and tangible things subpoenaed, including electronically stored information (unless another location for production is agreed upon by the requesting and producing parties), be returned only to the office of the clerk of the court through which such documents and tangible things are subpoenaed in which event, upon request of any party in interest, or his attorney, the clerk of such court shall permit the withdrawal of such documents and tangible things by such party or his attorney for such reasonable period of time as will permit his inspection, photographing, or copying thereof.

(4) *Pre-Motion Negotiation.* A motion under this Rule must be accompanied by a certification that the movant has in good faith conferred or attempted to confer with other affected parties in an effort to resolve the dispute without court action.

(d) *Certain Officials.* No request to produce made pursuant to paragraph (b) above shall be served, and no subpoena provided for in paragraph (c) above shall issue, until prior order of the court is obtained when the party upon whom the request is to be served or the person to whom the subpoena is to be directed is the Governor, Lieutenant Governor, or Attorney General of this Commonwealth, or a judge of any court thereof; the President or Vice President of the United States; any member of the President's Cabinet; any Ambassador or Consul; or any Military Officer on active duty holding the rank of Admiral or General.

(e) *Certain Health Records.* Patient health records protected by the privacy provisions of Code Section [32.1-127.1:03](#) shall be disclosed only in accordance with the provisions and procedures prescribed by that statute.

(f) *Copies of Documents and Other Subpoenaed Information.*

(1) *Documents.* When one party to a civil proceeding subpoenas documents, the subpoenaing party, upon receipt of the subpoenaed documents, shall, if requested, provide true and full copies of the same to any party or to the attorney for any other party in accordance with Code § [8.01-417\(B\)](#).

(2) *Electronically stored information.* When one party to a civil proceeding subpoenas and obtains electronically stored information, the subpoenaing party shall, if requested, provide true and full copies of the same to any party or that party's attorney, in the form the subpoenaing party received the information, upon reimbursement of the proportionate cost of obtaining such materials.

(g) *Proceedings on Failure or Refusal to Comply.* If a non-party, after being served with a subpoena issued under the provisions of this Rule, fails or refuses to comply therewith, he may be proceeded against as for contempt of court as provided in § [18.2-456](#).

PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:10. Physical and Mental Examination of Persons.

(a) *Order for Examination.* When the mental or physical condition (including the blood group) of a party, or of a person in the custody or under the legal control of a party, is in controversy, the court in which the action is pending, upon motion of an adverse party, may order the party to submit to a physical or mental examination by one or more health care providers, as defined in § [8.01-581.1](#), employed by the moving party or to produce for examination the person in the party's custody or legal control. The order may be made only on motion for good cause shown and upon notice to the person to be examined and to all parties, shall specify the time, place, manner, conditions, and scope of the examination and the person or persons by whom it is to be made, and shall fix the time for filing the report and furnishing the copies.

(b) *Out-of-State Examiners.* Examiners named in such an order shall be licensed to practice in, and shall be residents of or have an office in, this Commonwealth. However, notwithstanding the reference to licensure by this Commonwealth in the definition of health care providers in § [8.01-581.1](#), the court may, in the exercise of its sound discretion and upon determining that the ends of justice will be served, order an examination by one who is not licensed to practice in, is not a resident of, and does not have an office in, this Commonwealth but who is duly licensed in his or her jurisdiction.

(c) *Report of Examiner.*

(1) A written report of the examination shall be made by the examiner to the court and filed with the clerk thereof before the trial and a copy furnished to each party. The report shall be detailed, setting out the findings of the examiner, including results of all tests made, diagnosis and conclusions, together with like reports of all earlier examinations of the same condition. In an Electronically Filed Case, the report of examination shall be filed in electronic or digital image form as provided in Rule 1:17.

(2) The written report of the examination so filed with the clerk may be read into evidence if offered by the party who submitted to the examination. A party examined who takes the deposition of any examiner who shall have conducted an examination ordered pursuant to this Rule, waives any privilege that might have been asserted in that action or in any other involving the same controversy, regarding the testimony of every other person who has examined or may thereafter examine the party in respect of the same mental or physical condition.

(3) This subdivision applies to examination made by agreement of the parties, unless the agreement expressly provides otherwise. This subdivision does not preclude discovery of a report of a health care examiner or the taking of a deposition of such examiner in accordance with the provisions of any other Rule.

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:11. Requests for Admission.

(a) *Request for Admission.* A party may serve upon any other party a written request for the admission, for purposes of the pending action only, of the truth of any matters within the scope of Rule 4:1(b) set forth in the request that relate to statements or opinions of fact or of the application of law to fact, including the genuineness of any documents described in the request. Copies of documents shall be served with the request unless they have been or are otherwise furnished or made available for inspection and copying. The request may, without leave of court, be served upon the plaintiff after commencement of the action and upon any other party with or after service of the complaint upon that party.

Each matter of which an admission is requested shall be separately set forth. The matter is admitted unless, within 21 days after service of the request, or within such shorter or longer time as the court may allow, the party to whom the request is directed serves upon the party requesting the admission a written answer or objection addressed to the matter, signed by the party or by his attorney, but, unless the court shortens the time, a defendant shall not be required to serve answers or objections before the expiration of 28 days after service of the complaint upon him. If objection is made, the reasons therefor shall be stated. The answer shall specifically deny the matter or set forth in detail the reasons why the answering party cannot truthfully admit or deny the matter. A denial shall fairly meet the substance of the requested admission, and when good faith requires that a party qualify his answer or deny only a part of the matter of which an admission is requested, he shall specify so much of it as is true and qualify or deny the remainder. An answering party may not give lack of information or knowledge as a reason for failure to admit or deny unless he states that he has made reasonable inquiry and that the information known or readily obtainable by him is insufficient to enable him to admit or deny. A party who considers that a matter of which an admission has been requested presents a genuine issue for trial may not, on that ground alone, object to the request; he may, subject to the provisions of Rule 4:12(c), deny the matter or set forth reasons why he cannot admit or deny it.

The party who has requested the admissions may move to determine the sufficiency of the answers or objections. Unless the court determines that an objection is justified, it shall order that an answer be served. If the court determines that an answer does not comply with the requirements of this Rule, it may order either that the matter is admitted or that an amended answer be served. The court may, in lieu of these orders, determine that final disposition of the request be made at a pretrial conference or at a designated time prior to trial. The provisions of Rule 4:12(a)(4) apply to the award of expenses incurred in relation to the motion.

(b) *Effect of Admission.* Any matter admitted under this Rule is conclusively established unless the court on motion permits withdrawal or amendment of the admission. Subject to the provisions of Rule 4:13 governing amendment of a pretrial order, the court may permit withdrawal or amendment when the presentation of the merits of the action will be subserved thereby and the party who obtained the admission fails to satisfy the court that withdrawal or amendment will prejudice him in maintaining his action or defense on the merits. Any admission made by a party under this Rule is for the purpose of the pending action only and is not an admission by him for any other purpose nor may it be used against him in any other proceeding.

(c) *Filing.* Except as provided in Rules 3:3 and 1:17, requests for admissions and answers or objections shall be served and filed as provided in Rule 4:8.

(d) *Part of Record.* Only such requests for admissions and the answers thereto as are offered in evidence shall become a part of the record.

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:12. Failure to Make Discovery; Sanctions.

(a) *Motion for Order Compelling Discovery.* A party, upon reasonable notice to other parties and all persons affected thereby, may apply for an order compelling discovery as follows:

(1) *Appropriate Court.* An application for an order to a party may be made to the court in which the action is pending, or, on matters relating to a deposition, to the court in the county or city where the deposition is to be taken. An application for an order to a deponent who is not a party shall be made to the court in the county or city where the deposition is being taken.

(2) *Motion.* If a deponent fails to answer a question propounded or submitted under Rule 4:5 or 4:6, or a corporation or other entity fails to make a designation under Rule 4:5(b)(6) or 4:6(a), or a party fails to answer an interrogatory submitted under Rule 4:8, or if a party, in response to a request for inspection submitted under Rule 4:9, fails to respond that inspection will be permitted as requested or fails to permit inspection as requested, the discovering party may move for an order compelling an answer, or a designation, or an order compelling inspection in accordance with the request. When taking a deposition on oral examination, the proponent of the question may complete or adjourn the examination before he applies for an order.

A motion under subdivision (a) of this Rule must be accompanied by a certification that the movant has in good faith conferred or attempted to confer with other affected parties in an effort to resolve the dispute without court action.

If the court denies the motion in whole or in part, it may make such protective order as it would have been empowered to make on a motion made pursuant to Rule 4:1(c).

(3) *Evasive or Incomplete Answer.* For purposes of this subdivision an evasive or incomplete answer is to be treated as a failure to answer.

(4) *Award of Expenses of Motion.* If the motion is granted, the court shall, after opportunity for hearing, require the party or deponent whose conduct necessitated the motion or the party or attorney advising such conduct or both of them to pay to the moving party the reasonable expenses incurred in obtaining the order, including attorney's fees, unless the court finds that the opposition to the motion was substantially justified or that other circumstances make an award of expenses unjust.

If the motion is denied, the court shall, after opportunity for hearing, require the moving party or the attorney advising the motion or both of them to pay to the party or deponent who opposed the motion the reasonable expenses incurred in opposing the motion, including attorney's fees, unless the court finds that the making of the motion was substantially justified or that other circumstances make an award of expenses unjust.

If the motion is granted in part and denied in part, the court may apportion the reasonable expenses incurred in relation to the motion among the parties and persons in a just manner.

(b) *Failure to Comply With Order.*

(1) Sanctions by Court in County or City Where Deposition Is Taken. If a deponent fails to be sworn or to answer a question after being directed to do so by the court in the county or city in which the deposition is being taken, the failure may be considered a contempt of that court.

(2) Sanctions by Court in Which Action Is Pending. If a party or an officer, director, or managing agent of a party or a person designated under Rule 4:5(b) (6) or 4:6(a) to testify on behalf of a party fails to obey an order to provide or permit discovery, including an order made under subdivision (a) of this Rule or Rule 4:10, the court in which the action is pending may make such orders in regard to the failure as are just, and among others the following:

(A) An order that the matters regarding which the order was made or any other designated facts shall be taken to be established for the purposes of the action in accordance with the claim of the party obtaining the order;

(B) An order refusing to allow the disobedient party to support or oppose designated claims or defenses, or prohibiting him from introducing designated matters in evidence;

(C) An order striking out pleadings or parts thereof, or staying further proceedings until the order is obeyed, or dismissing the action or proceeding or any part thereof, or rendering a judgment by default against the disobedient party;

(D) In lieu of any of the foregoing orders or in addition thereto, an order treating as a contempt of court the failure to obey any orders except an order to submit to a physical or mental examination;

(E) Where a party has failed to comply with an order under Rule 4:10(a) requiring him to produce another for examination, such orders as are listed in paragraphs (A), (B), and (C) of this subdivision, unless the

party failing to comply shows that he is unable to produce such person for examination.

In lieu of any of the foregoing orders or in addition thereto, the court shall require the party failing to obey the order or the attorney advising him or both to pay the reasonable expenses, including attorney's fees, caused by the failure, unless the court finds that the failure was substantially justified or that other circumstances make an award of expenses unjust.

(c) *Expenses on Failure to Admit.* If a party fails to admit the genuineness of any document or the truth of any matter as requested under Rule 4:11, and if the party requesting the admissions thereafter proves the genuineness of the document or the truth of the matter, he may apply to the court for an order requiring the other party to pay him the reasonable expenses incurred in making that proof, including reasonable attorney's fees. The court shall make the order unless it finds that (1) the request was held objectionable pursuant to Rule 4:11(a), or (2) the admission sought was of no substantial importance, or (3) the party failing to admit had reasonable ground to believe that he might prevail on the matter, or (4) there was other good reason for the failure to admit.

(d) *Failure of Party to Attend at Own Deposition or Serve Answers to Interrogatories or Respond to Request for Inspection.* If a party or an officer, director, or managing agent of a party or a person designated under Rule 4:5(b) (6) or 4:6(a) to testify on behalf of a party fails (1) to appear before the officer who is to take his deposition, after being served with a proper notice, or (2) to serve answers or objections to interrogatories submitted under Rule 4:8, after proper service of the interrogatories, or (3) to serve a written response to a request for inspection submitted under Rule 4:9, after proper service of the request, the court in which the action is pending on motion may make such orders in regard to the failure as are just, and among others it may take any action authorized under paragraphs (A), (B), and (C) of subdivision (b)(2) of this Rule. In lieu of any order or in addition thereto, the court shall require the party failing to act or the attorney advising him or both to pay the reasonable expenses, including attorney's fees, caused by the failure, unless the court finds that the failure was substantially justified or that other circumstances make an award of expenses unjust.

The failure to act described in this subdivision may not be excused on the ground that the discovery sought is objectionable unless the party failing to act has applied for a protective order as provided by Rule 4:1(c).

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:13. Pretrial Procedure; Formulating Issues.

The court may in its discretion direct the attorneys for the parties to appear before it for a conference to consider:

- (1) A determination of the issues;
- (2) A plan and schedule of discovery;
- (3) Any limitations on the scope and methods of discovery;
- (4) The necessity or desirability of amendments to the pleadings;
- (5) The possibility of obtaining admissions of fact and admissions regarding documents and information obtained through electronic discovery;
- (6) The limitation of the number of expert witnesses;
- (7) The advisability of a preliminary reference of issues to a master for findings to be used as evidence when the trial is to be by jury;
- (8) issues relating to the preservation of potentially discoverable information, including electronically stored information and information that may be located in sources that are believed not reasonably accessible because of undue burden or cost;
- (9) provisions for disclosure or discovery of electronically stored information;
- (10) any agreements the parties reach for asserting claims of privilege or of protection as trial-preparation material after production;
- (11) any provisions that will aid in the use of electronically stored or digitally imaged documents in the trial of the action; and
- (12) Such other matters as may aid in the disposition of the action.

The court shall make an order which recites the action taken at the conference, the amendments allowed to the pleadings, the agreements made by the parties as to any of the matters considered, and which limits the issues for trial to those not disposed of by

admissions or agreements of counsel; and such order when entered controls the subsequent course of the action, unless modified at the trial to prevent manifest injustice.

Rule 4:14. Disposition of Discovery Material.

Any discovery material not admitted in evidence filed in a clerk's office may be destroyed by the clerk after one year after entry of the final judgment or decree. But if the action or suit is the subject of an appeal, such material shall not be destroyed until the lapse of one year after receipt of the mandate on appeal or the entry of any final judgment or decree thereafter.

RULES OF SUPREME COURT OF VIRGINIA
PART FOUR
PRETRIAL PROCEDURES, DEPOSITIONS AND PRODUCTION AT TRIAL

Rule 4:15. Motions Practice.

All civil case motions in circuit court shall be scheduled and heard using the following procedures:

(a) Scheduling – All civil case motions in circuit court shall be scheduled and heard using the following procedures:

1. Presenting the motion on a day the court designates for motions hearings, or
2. Contacting designated personnel in the office of the clerk of the court or the chambers of the judge or judges of the court.

(b) Notice – Reasonable notice of the presentation of a motion shall be served on all counsel of record. Absent leave of court, and except as provided in paragraph (c) of this Rule, reasonable notice shall be in writing and served at least seven days before the hearing. Counsel of record shall make a reasonable effort to confer before giving notice of a motion to resolve the subject of the motion and to determine a mutually agreeable hearing date and time. The notice shall be accompanied by a certification that the movant has in good faith conferred or attempted to confer with other affected parties in an effort to resolve the dispute without court action. In an Electronically Filed Case, the notice provisions of this paragraph and the filing and service requirements of paragraph (c) of this Rule shall be accomplished in accord with Rule 1:17.

(c) Filing and Service of Briefs – Counsel of record may elect or the court may require the parties to file briefs in support of or in opposition to a motion. Any such briefs should be filed with the court and served on all counsel of record sufficiently before the hearing to allow consideration of the issues involved. Absent leave of court, if a brief in support of a motion is five or fewer pages in length, the required notice and the brief shall be filed and served at least 14 days before the hearing and any brief in opposition to the motion shall be filed and served at least seven days before the hearing. If a brief will be more than five pages in length, an alternative hearing date, notice requirement, and briefing schedule may be determined by the court or its designee. Absent leave of court, the length of a brief shall not exceed 20 pages, double spaced.

(d) Hearing – Except as otherwise provided in this subparagraph, upon request of counsel of record for any party, or at the court's request, the court shall hear oral argument on a motion. Oral argument on a motion for reconsideration or

any motion in any case where a pro se incarcerated person is counsel of record shall be heard orally only at the request of the court. A court may place reasonable limits on the length of oral argument. No party shall be deprived of the opportunity to present its position on the merits of a motion solely because of the unfamiliarity of counsel of record with the motions procedures of that court. A court, however, at the request of counsel of record, or in the judge's discretion, may postpone the hearing of the motion, or require the filing of briefs to assure fairness to all parties and the ability of the court to review all such briefs in advance of the hearing.

(e) Definition of Served – For purposes of this Rule, a pleading shall be deemed served when it is actually received by, or in the office of, counsel of record through delivery, mailing, facsimile transmission or electronic mail as provided in Rule 1:12.

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE
THE SUPREME COURT
A. GENERAL

Rule 5:5. Filing Deadlines; Post Trial Proceedings Below; Timely Filing by Mail; Inmate Filing; Extension of Time.

(a) *Filing Deadlines.* The times prescribed for filing the notice of appeal (Rules 5:9(a), 5:14(a) and 5:21(c)), a petition for appeal (Rules 5:17(a) and 5:21(g)), a petition for review pursuant to Code § [8.01-626](#) (Rule 5:17A) and a petition for rehearing (Rules 5:20 and 5:37), are mandatory. A single extension not to exceed thirty days may be granted if at least two Justices of the Supreme Court of Virginia concur in a finding that an extension for papers to be filed is warranted by a showing of good cause sufficient to excuse the delay.

(b) *Post-Trial Proceedings Below and Their Effect on the Notice of Appeal.* The time period for filing the notice of appeal is not extended by the filing of a motion for a new trial, a petition for rehearing, or a like pleading unless the final judgment is modified, vacated, or suspended by the trial court pursuant to Rule 1:1 or a timely petition for rehearing is filed in the Court of Appeals. In any such case, the time for filing the notice of appeal shall be computed from the date of final judgment entered following such modification, vacation, or suspension, or from the date the Court of Appeals refuses a timely petition for rehearing or enters final judgment following the granting of such a petition.

(c) *How to File by Mail in a Timely Manner.* Any document required to be filed with the clerk of this Court shall be deemed to be timely filed if (1) it is transmitted expense pre-paid to the clerk of this Court by priority, express, registered, or certified mail via the United States Postal Service, or by a third-party commercial carrier for next-day delivery, and (2) if the official receipt therefor be exhibited upon demand of the clerk of this Court or any party and it shows such transmission or mailing within the prescribed time limits. This rule does not apply to documents to be filed in the office of the clerk of the trial court or clerk of the Virginia Workers' Compensation Commission or clerk of the State Corporation Commission.

(d) *Inmate Filing.* A paper filed by an inmate confined in an institution is timely filed if deposited in the institution's internal mail system with first-class postage prepaid on or before the last day for filing. Timely filing of a paper by an inmate confined in an institution may be established by (1) an official stamp of the institution showing that the paper was deposited in the internal mail system on or before the last day for filing, (2) an official postmark dated on or before the last day for filing, or (3) a notarized statement signed by an official of the institution showing that the paper was deposited in the internal mail system on or before the last day for filing.

(e) *Extensions Generally.* Except as provided in paragraph (a) of this Rule, a motion for an extension of time is timely if filed either within the original filing deadline or within any extension period specified by the governing rule. Filing the motion within the original filing deadline or within the specified extension period does not toll the original filing deadline or further extend the period of extension.

(3) Specific Rules for the Appendix. The appendix may be printed using both sides of the page. Any transcript, including a deposition transcript, that is made a part of the appendix shall be in 12-point type or larger. A memorandum of law citing the relevant authorities shall accompany each responsive pleading.

(6) Length. Except by permission of a Justice of this Court, no petition, including the accompanying memorandum of law, or a response thereto, including its accompanying memorandum of law, shall exceed the longer of 50 printed pages or 8,750 words. (a) *Who may File a Petition.* A petition for a writ of actual innocence based upon previously unknown or untested human biological evidence may be filed by any person who has been convicted of a felony upon a plea of not guilty, or by any person, regardless of plea, who has been sentenced to death, or convicted of a class 1 felony, a class 2 felony or any felony for which the maximum penalty is imprisonment for life.

(b) *Time for Filing.* A petition under this Rule shall be filed in the office of the Clerk of this Court within 60 days after the date upon which exculpatory test results are obtained by the petitioner or his counsel of record from the Department of Forensic Science for any tests conducted on human biological evidence pursuant to Code § [19.2-327.1](#).

(c) *Contents of the Petition.* Each petition for a writ of actual innocence shall be filed on a form provided by this Court and shall be verified under oath. The petition must state categorically and with specificity: (i) the offense or offenses for which petitioner was convicted, including all previous records, applications, petitions, and appeals relating to these convictions, and their dispositions; (ii) that the petitioner is actually innocent of the crime or crimes for which he was convicted; (iii) an exact description of the human biological evidence and the scientific testing supporting the allegation of innocence, attaching a copy of the test results; (iv) that the human biological evidence was not known or available to the petitioner or his attorney at trial, or if it was known, why it was not subject to scientific testing; (v) the earliest date the test results described in the petition became known to the petitioner or any attorney of record; (vi) that the petitioner or his attorney has filed the petition within 60 days of obtaining the test results; (vii) an explanation of the reason or reasons the evidence will prove that no rational trier of fact could have found the petitioner guilty beyond a reasonable doubt of the offense or offenses for which the petitioner was convicted; and (viii) if the conviction became final in the circuit court after June 30, 1996, that the evidence was not available for testing under Code § [9.1-1104](#).

(1) Within 30 days after service of the petition, the Attorney General shall file with the clerk of this Court a pleading in the form of a declaration stating, in the opinion of the Attorney General, with an explanation of the reasons therefor, whether the record of any trial or appellate proceedings involving the conviction or convictions, or of any proceedings under Code § [19.2-327.1](#), is necessary for preparation of a response to the petition. If the Attorney General asserts that the record, or any part thereof, of any trial or appellate court proceedings is necessary, the Attorney General shall request the production of such record by this Court, and shall describe with specificity, including the court, docket number and date of judgment, each and every record or part thereof which is requested.

(2) If the Attorney General asserts in the declaration required by subparagraph (f)(1) of this Rule that no trial or appellate court record, or any part thereof, is necessary for the preparation of a responsive pleading to the petition, the Attorney General shall file with the clerk of this Court within 30 days thereafter a pleading in response to the petition. Any pleading in response filed by the Attorney General may include a motion to dismiss. The response shall include citation to any relevant legal authorities, and may contain a proffer of any evidence pertaining to the guilt of the petitioner that is not included in the record of the case, including any evidence that was suppressed at trial.

(3) If the Attorney General asserts in the declaration required by subparagraph (f)(1) of this Rule that a trial or appellate court record, or any part thereof, is necessary for the preparation of a response to the petition, the court shall issue the writ of certiorari described in Code § [19.2-327.3\(D\)](#) to the clerk of the respective court below for the production of the record forthwith to the clerk of this Court. Upon receipt of the record by the clerk of this Court, the clerk shall immediately notify in writing the petitioner, any attorney for the petitioner, the Attorney General, and the attorney for the Commonwealth of the jurisdiction where the conviction or convictions occurred, of the date of receipt of the record. Within 30 days after receipt of the record by the clerk of this Court, the Attorney General shall file the responsive pleading described in subparagraph (f)(2) of this Rule.

(g) *Reply.* Within 20 days after the Attorney General's responsive pleading is filed pursuant to subparagraph (f) of this Rule, the petitioner may file a reply.

(h) *Copies to be Filed.* Ten copies of the petition, and the Attorney General's responsive pleading, and the petitioner's reply, if any, shall be filed in the office of the clerk of this Court.

(i) *Further Proceedings by Order of this Court.* Further proceedings shall be conducted in accordance with the orders of this Court. The record and certified findings of fact of the circuit court shall be filed with the clerk of this Court within 30 days after the hearing is concluded.

(j) *Appointment of Counsel.* In any petition filed pursuant to and in compliance with this Rule, petitioner shall be entitled to the appointment of counsel subject to the provisions of Code § [19.2-157](#) et seq. Any request for counsel in this Court must be made on the form provided by this Court, entitled REQUEST FOR COUNSEL – PETITION FOR A WRIT OF ACTUAL INNOCENCE, and must include: (i) all the information required by the in forma pauperis affidavit attached to the request for appointment of counsel, and (ii) an attested copy of the order of the circuit court ordering that testing of human biological evidence on the petitioner's behalf be conducted by the Department of Forensic Science pursuant to Code § [19.2-327.1](#).

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE
THE SUPREME COURT
C. PROCEDURE FOR FILING AN APPEAL FROM A TRIAL COURT

Rule 5:8A. Appeal From Partial Final Judgment in Multi-Party Cases.

(a) *When Available.* When claims for relief are presented in a civil action against multiple parties – whether in a complaint, counterclaim, cross-claim, or third-party claim – the trial court may enter final judgment as to one or more but fewer than all of the parties only by entering an order expressly labeled "Partial Final Judgment" which contains express findings that (i) the interests of such parties, and the grounds on which judgment is entered as to them, are separate and distinct from those raised by the issues in the claims against remaining parties, and (ii) the results of any appeal from the partial final judgment cannot affect decision of the claims against the remaining parties, and (iii) decision of the claims remaining in the trial court cannot affect the disposition of claims against the parties subject to the Partial Final Judgment if those parties are later restored to the case by reversal of the Partial Final Judgment on appeal.

(b) *Time to Appeal.* Entry of an order of Partial Final Judgment as provided in subparagraph (a) of this Rule commences the period for filing a notice of appeal from such Partial Final Judgment under Rule 5:9 and a petition for appeal under Rule 5:17, subject to the provisions of Rule 1:1 and these Rules.

(c) *Refusal of Partial Final Judgment.* No appeal shall lie from a refusal by the trial court to enter a Partial Final Judgment under this Rule.

(d) *Other Dispositions Adjudicating Claims Against Fewer than All Parties.* In the absence of the entry of a Partial Final Judgment order as provided in subparagraph (a) of this Rule, any order which adjudicates fewer than all the claims or the rights and liabilities of fewer than all the parties in the action is not a final judgment.

THE SUPREME COURT
C. PROCEDURE FOR FILING AN APPEAL FROM A TRIAL COURT

Rule 5:9. Notice of Appeal.

(a) *Filing Deadline; Where to File.* No appeal shall be allowed unless, within 30 days after the entry of final judgment or other appealable order or decree, or within any specified extension thereof granted by this Court pursuant to Rule 5:5(a), counsel for the appellant files with the clerk of the trial court a notice of appeal and at the same time mails or delivers a copy of such notice to all opposing counsel. A notice of appeal filed after the court announces a decision or ruling – but before the entry of such judgment or order – is treated as filed on the date of and after the entry.

(b) *Content.* The notice of appeal shall contain a statement whether any transcript or statement of facts, testimony and other incidents of the case will be filed. In the event a transcript is to be filed, the notice of appeal shall certify that a copy of the transcript has been ordered from the court reporter who reported the case.

(c) *Separate Cases.* Whenever two or more cases were tried together in the trial court, one notice of appeal and one record may be used to bring all of such cases before this Court even though such cases were not consolidated by formal order.

(d) *Special Provision for Cases Involving a Guardian Ad Litem.* No appeal shall be dismissed because the notice of appeal fails to identify a guardian ad litem or to provide notice to a guardian ad litem. Upon motion for good cause shown or by sua sponte order of this Court, the notice of appeal may be amended to identify the guardian ad litem and to provide notice to such guardian.

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE
THE SUPREME COURT
C. PROCEDURE FOR FILING AN APPEAL FROM A TRIAL COURT

Rule 5:11. Record on Appeal: Transcript or Written Statement.

(a) Effect of Non-compliance.

(1) *Obligation of the Petitioner/Appellant.* It is the obligation of the petitioner/appellant to ensure that the record is sufficient to enable the Court to evaluate and resolve the assignments of error. When the appellant fails to ensure that the record contains transcripts or a written statement of facts necessary to permit resolution of appellate issues related to the assignments of error, any assignments of error affected by the omission shall not be considered.

(2) *Obligation of the Respondent/Appellee.* It is the obligation of the respondent/appellee to ensure that the record is sufficient to enable the Court to evaluate and resolve any assignments of cross-error. When the respondent/appellee who assigns cross-error fails to ensure that the record contains transcripts or a written statement of facts necessary to permit resolution of appellate issues related to the assignments of cross-error, any assignments of cross-error affected by the omission shall not be considered.

(b) Transcript. The transcript of any proceeding in the case that is necessary for the appeal shall be filed in the office of the clerk of the trial court within 60 days after entry of judgment.

(c) Notice of Filing Transcript.

(1) Within 10 days after the transcript is filed or, if the transcript is filed prior to the filing of the notice of appeal, within 10 days after the notice of appeal is filed, counsel for appellant shall (i) give written notice to all other counsel of the date on which the transcript was filed, and (ii) file a copy of the notice with the clerk of the trial court. There shall be appended to the notice either a certificate of counsel for appellant that a copy of the notice has been mailed to all other counsel or an acceptance of service of such notice by all other counsel.

(2) When multiple transcripts are filed, the 10 day period for filing the notice required by this Rule shall be calculated from the date on which the last transcript is filed, or from the date on which the notice of appeal is filed, whichever is later. The notice of filing transcripts shall identify all transcripts filed and the date upon which the last transcript was filed. If the notice of appeal states that no additional transcripts will be filed and identifies the transcripts that have been filed, if any, then no additional written notice of filing of transcripts is required and the notice of appeal will serve as the notice of filing transcripts for purposes of this Rule.

(3) Any failure to file the notice required by this Rule that materially prejudices an appellee will result in the affected transcripts being stricken from the record on appeal. For purposes of this Rule, material prejudice includes preventing the appellee

from raising legitimate objections to the contents of the transcript or misleading the appellee about the contents of the record. The appellee shall have the burden of establishing such prejudice in the brief in opposition or, if no brief in opposition is filed, in a written statement filed with the clerk of this Court within the time fixed by these Rules for the filing of a brief in opposition.

(d) *Supplementation, Correction, or Modification of Transcript.* If anything material to any party is omitted from or misstated in the transcript, or if the transcript or any portion thereof is untimely filed, by omission, clerical error, or accident, the filing may be supplemented, corrected, or modified at any time within 70 days from the entry of judgment appealed from. Notice as provided in paragraph (c) of this Rule must be given for any such supplementation, correction, or modification. Thereafter, such supplementation, correction, or modification may be made, by order of this Court sua sponte or upon motion of any party, if at least two Justices of this Court concur in a finding that any such supplementation, correction, or modification is warranted by a showing of good cause sufficient to excuse the deficiency.

(e) *Written Statement in Lieu of Transcript.* A written statement of facts, testimony, and other incidents of the case, which may include or consist of a portion of the transcript, becomes a part of the record when:

(1) within 55 days after entry of judgment a copy of such statement is filed in the office of the clerk of the trial court. A copy must be mailed or delivered to opposing counsel on the same day that it is filed in the office of the clerk of the trial court, accompanied by notice that such statement will be presented to the trial judge no earlier than 15 days nor later than 20 days after such filing; and

(2) the statement is signed by the trial judge and filed in the office of the clerk of the trial court. The judge may sign the statement forthwith upon its presentation to him if it is signed by counsel for all parties, but if objection is made to the accuracy or completeness of the statement, it shall be signed in accordance with paragraph (g) of this Rule.

(f) The term “other incidents of the case” in subsection (e) includes motions, proffers, objections, and rulings of the trial court regarding any issue that a party intends to assign as error or otherwise address on appeal.

(g) *Objections.* Any party may object to a transcript or written statement on the ground that it is erroneous or incomplete. Counsel for the objecting party shall give the trial judge prompt notice of the filing of such objections. Within 10 days after the notice of objection is filed with the clerk of the trial court, the trial judge shall:

C. PROCEDURE FOR FILING AN APPEAL FROM A TRIAL COURT

Rule 5:13. Record on Appeal: Preparation and Transmission.

(a) *Preparation.* The clerk of the trial court, disciplinary board, or commission in which the proceeding originated shall prepare the record as soon as possible after notice of appeal is filed. In the event of multiple appeals in the same case, or in cases tried together, only one record need be prepared and transmitted.

(b) *Form of the Record.*

(1) The record shall be compiled in the following order:

(i) a front cover setting forth the name of the court and the short style of the case;

(ii) a table of contents listing each paper included in the record and the page on which it begins;

(iii) each paper constituting a part of the record in chronological order; and

(iv) the certificate of the clerk of the trial court that the foregoing constitutes the true and complete record, except omitted exhibits as hereinafter provided.

(2) Each page of the record shall be numbered at the bottom.

(3) Transcripts, depositions, and reports of commissioners may be included in separate volumes identified by the clerk of the trial court if referred to in the table of contents and at the appropriate place in the record.

(4) Exhibits, other than those filed with pleadings, may be included in a separate volume or envelope certified by the clerk of the trial court, except that any exhibit that cannot be conveniently placed in a volume or envelope shall be identified by a tag. Each such volume or envelope shall include, on its cover or inside, a descriptive list of exhibits contained therein. Reference shall be made to exhibits in the table of contents and at the appropriate place in the record referred to in paragraph (b)(1) of this Rule. The clerk of the trial court shall not transmit the following types of exhibits, unless requested to do so by the clerk of this Court: drugs, guns and other weapons, ammunition, blood vials and other bio-hazard type materials, money, jewelry, articles of clothing, and bulky items such as large graphs and maps. The omission of any such exhibit shall be noted on the descriptive list of exhibits. Upon motion by counsel, this Court may order the trial court to transmit any of these prohibited exhibits.

(5) Any transcript or statement of facts that the clerk of the trial court deems not a part of the record because of untimely filing shall be certified as such and transmitted with the record.

(c) *Transmission.* The clerk of the trial court shall retain the record for 21 days after the notice of appeal has been filed with him pursuant to Rule 5:9. If the notice of appeal

states that a transcript or statement will thereafter be filed, the clerk of the trial court shall retain the record for 21 days after the filing in his office of such transcript or statement or, if objection is made to the transcript or statement pursuant to Rule 5:11(g), the clerk of the trial court shall retain the record for 5 days after the objection is acted upon by the trial judge. The clerk of the trial court shall then forthwith transmit the record to the clerk of this Court; provided, however, that, notwithstanding that the foregoing periods of retention may not have expired, the clerk of the trial court shall transmit the record sooner if requested in writing by counsel for all parties to the appeal and shall, whether or not so requested, transmit the record in time for delivery to the clerk of this Court within three months after entry of the judgment appealed from. The failure of the clerk of the trial court to transmit the record as herein provided shall not be a ground for dismissal of the appeal by this Court.

(d) *Record Returned to Trial Court.* When the mandate is issued by this Court, the clerk of this Court shall return the record to the clerk of the trial court, disciplinary board, or commission in which the proceeding originated. The record shall be returned by that clerk upon the request of the clerk of this Court.

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE
THE SUPREME COURT
E. PERFECTING THE APPEAL

Rule 5:17. Petition for Appeal.

(a) *When the Petition Must be Filed.* Unless otherwise provided by rule or statute, in every case in which the appellate jurisdiction of this Court is invoked, a petition for appeal must be filed with the clerk of this Court within the following time periods:

(1) in the case of an appeal direct from a trial court, not more than three months after entry of the order appealed from; or

(2) in the case of an appeal from the Court of Appeals, within 30 days after entry of the judgment appealed from or a denial of a timely petition for rehearing.

(b) *Who Must Receive a Copy of the Petition.* When the petition for appeal is filed with the clerk of this Court, a copy of the petition shall be served on opposing counsel.

(c) *What the Petition Must Contain.* A petition for appeal must contain the following:

(1) Assignments of Error. Under a heading entitled “Assignments of Error,” the petition shall list, clearly and concisely and without extraneous argument, the specific errors in the rulings below upon which the party intends to rely. An exact reference to the page(s) of the transcript, written statement of facts, or record where the alleged error has been preserved in the trial court or other tribunal from which the appeal is taken shall be included with each assignment of error.

(i) Effect of Failure to Assign Error or Use Separate Heading. Only assignments of error assigned in the petition for appeal will be noticed by this Court. If the petition for appeal does not contain assignments of error, or if the assignments of error are not set forth under a separate heading as provided in subparagraph (c)(1) of this Rule, the petition shall be dismissed.

(ii) Nature of Assignments of Error in Appeals from the Court of Appeals. When appeal is taken from a judgment of the Court of Appeals, only assignments of error relating to assignments of error presented in, and to actions taken by, the Court of Appeals may be included in the petition for appeal to this Court.

(iii) Insufficient Assignments of Error. An assignment of error that does not address the findings or rulings in the trial court or other tribunal from which an appeal is taken, or which merely states that the judgment or award is contrary to the law and the evidence, is not sufficient. If the assignments of error are insufficient, the petition for appeal shall be dismissed.

(2) Required Statements When the Appeal is from the Court of Appeals.

When appeal is taken from a judgment of the Court of Appeals in a case in which judgment is made final under Code § [17.1-410](#), the petition for appeal shall contain a statement setting forth in what respect the decision of the Court of Appeals involves the following:

(i) a substantial constitutional question as a determinative issue, or

(ii) matters of significant precedential value.

If the petition for appeal does not contain such a statement, the appeal will be dismissed.

(3) Table of Contents and Table of Authorities. A table of contents and table of authorities with cases alphabetically arranged. Citations of all authorities shall include the year thereof.

(4) Nature of the Case and Material Proceedings Below. A brief statement of the nature of the case and of the material proceedings in the trial court or commission in which the case originated. This statement shall omit references to any paper filed or action taken that does not relate to the assignments of error.

(5) Statement of Facts. A clear and concise statement of the facts that relate to the assignments of error, with references to the pages of the record, transcript, or written statement of facts. Any quotation from the record should be brief. When the facts are in dispute, the petition shall so state. The testimony of individual witnesses should not be summarized seriatim unless the facts are in dispute and such a summary is necessary to support the appellant's version of the facts.

(6) Authorities and Argument. With respect to each assignment of error, the standard of review and the argument – including principles of law and the authorities – shall be stated in one place and not scattered through the petition. At the option of counsel, the argument may be preceded by a short summary.

(7) Conclusion. A short conclusion stating the precise relief sought.

(d) *Filing Fee Required With the Petition.* When it is filed, the petition for appeal must be accompanied by a check or money order payable to the "Clerk of the Supreme Court of Virginia" for the amount required by statute. The clerk of this Court may file a petition for appeal that is not accompanied by such fee if the fee is received by the clerk within 10 days of the date the petition for appeal is filed. If the fee is not received within such time, the petition for appeal shall be dismissed.

(e) *Number of Copies to File.* Seven copies of the petition shall be filed with the clerk of this Court.

(f) *Length.* Except by leave of a Justice of this Court, a petition shall not exceed the longer of 35 pages or 6,125 words. The page or word limit does not include the cover page, table of contents, table of authorities, and certificate.

(g) *Use of a Single Petition in Separate Cases.* Whenever two or more cases were tried together in the court or commission below, one petition for appeal may be used to bring all such cases before this Court even though the cases were not consolidated below by formal order.

(h) *Procedure for an Anders appeal.* If counsel for appellant finds appellant's appeal to be without merit, counsel must comply with the requirements of *Anders v. California*, 386 U.S. 738 (1967), and *Brown v. Warden of Virginia State Penitentiary*, 238 Va. 551, 385 S.E.2d 587 (1989). In compliance therewith, counsel is required to file (1) a petition for appeal which refers to anything in the record which might arguably support the appeal and which demonstrates to this Court counsel's conscientious examination of the merits of the appeal; (2) a motion for leave to withdraw as counsel; and (3) a motion for an extension of time to allow the appellant to file a supplemental petition for appeal. The

petition for appeal and the motion for leave to withdraw as counsel should specifically cite to *Anders*. All three pleadings must be served on opposing counsel and upon the client and must contain a certificate providing evidence of such service. This Court will rule upon the motion for extension of time upon its receipt, but will not rule on the motion to withdraw until this Court considers the case in its entirety, including any supplemental petition for appeal that may be filed.

(i) *What the Certificate Must Contain.* The appellant shall include within the petition for appeal a certificate stating:

(1) the names of all appellants and appellees, the name, Virginia State Bar number, mailing address, telephone number (including any applicable extension), facsimile number (if any), and e-mail address (if any) of counsel for each party, and the mailing address, telephone number (including any applicable extension), facsimile number (if any), and e-mail address (if any) of any party not represented by counsel;

(2) that a copy of the petition for appeal has been mailed or delivered on the date stated therein to all opposing counsel and all parties not represented by counsel;

(3) if a word count is used, the number of words (headings, footnotes, and quotations count towards the word limitation; the cover page, table of contents, table of authorities, and certificate do not count towards the word count);

(4) in a criminal case or habeas corpus appeal, a statement whether counsel for defendant has been appointed or privately retained; and

(5) whether the appellant desires to state orally to a panel of this Court the reasons why the petition for appeal should be granted, and, if so, whether in person or by conference telephone call.

(j) *Oral Argument.*

(1) Right to Oral Argument. The appellant shall be entitled to state orally, in person or by telephone conference call, to a panel of this Court the reasons why the petition for appeal should be granted. The appellee shall not be entitled to oral argument, whether in person or by telephone conference call. Any lawyer not licensed in Virginia who seeks to appear pro hac vice to present oral argument to the Court must comply with the requirements of Rule 1A:4.

(2) Waiver of Right to Oral Argument. The appellant may waive the right to oral argument on the petition for appeal before a panel by notifying the clerk of this Court and opposing counsel in writing, or by filing a reply brief.

(3) No Oral Argument on Pro Se Inmate's Petition. If an appellant is not represented by counsel and is incarcerated, the petition for appeal may be considered by this Court without oral argument.

(4) Notice of Oral Argument. If the appellant has requested oral argument, notice of the date and time of such argument shall be provided to counsel for the appellant or to any pro se appellant. If requested in writing, notice of the oral argument shall also be provided to counsel for the appellee or any pro se appellee.

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE
THE SUPREME COURT
F. SPECIAL RULES

Rule 5:21. Special Rules Applicable to Certain Appeals of Right.

(a) Appeals from the State Corporation Commission.

(1) Applicability. Paragraph (a) of this Rule applies to all appeals from the State Corporation Commission and supersedes all other Rules except as otherwise specified herein.

(2) Party. For the purposes of this Rule, the Commission, the Attorney General, the applicant or petitioner, and every person who made an appearance in person in a capacity other than as a witness or by counsel at any hearing in any proceeding before the Commission shall be the parties to such proceeding. Upon the request of any party, the clerk of the Commission shall prepare and certify a list of all parties (including their addresses and the names and addresses of their counsel) to a proceeding before the Commission. Initially, the parties to an appeal from an order in a proceeding shall be the parties to that proceeding, but the number of parties to an appeal may thereafter be limited as hereinafter provided. Service upon a party represented by counsel shall be made upon his counsel.

(3) Notice of Appeal. No appeal from an order of the Commission shall be allowed unless, within 30 days after entry of the order appealed from, counsel files in the office of the clerk of the Commission a notice of appeal. A copy of the notice of appeal shall be mailed or delivered to each party to the appeal, including the Attorney General of Virginia, and an acceptance of such service or a certificate showing the date of delivery or mailing shall be appended thereto. All petitions for appeal from the same order shall be deemed to be a consolidated case for the purpose of oral argument in this Court unless this Court shall order a severance for convenience of hearing.

(4) Record. The clerk of the Commission shall prepare and certify the record as soon as possible after the notice of appeal is filed and shall, as soon as it has been certified by him, transmit it to the clerk of this Court within 4 months after entry of the order appealed from. In the event of multiple appeals in the same case or in cases tried together below, only one record need be prepared and transmitted.

(5) Contents of Record. The record on appeal from the Commission shall consist of all notices of appeal, any application or petition, all orders entered in the case by the Commission, the opinions, the transcript of any testimony received, and all exhibits accepted or rejected, together with such other material as may be certified by the clerk of the Commission to be a part of the record. The record shall conform as nearly as practicable to the requirements of Rule 5:10.

(6) Alignment of Parties. Within 21 days after the notice of appeal shall have been filed in the office of the clerk of the Commission, each party who has not filed a notice of appeal and who intends to participate in the appeal shall file in the office of the clerk of the Commission and shall mail to every other party a notice that he

intends to participate as an appellant or as an appellee. Every party who seeks reversal or modification of the order appealed from shall be deemed an appellant, and every party who seeks affirmance of the order appealed from shall be deemed an appellee. Every party who does not file such a notice and every party who, having filed such a notice as an appellant, does not thereafter file a petition for appeal shall be deemed no longer to be a party to the appeal, and no further papers need be served on him. Notwithstanding the foregoing provisions, (i) a necessary party who does not file such a notice or petition for appeal shall be deemed an appellee, and (ii) the Commission need not file such a notice and shall be deemed an appellee.

(7) Petition for Appeal. The petition(s) for appeal, accompanied by the prescribed filing fee, shall be filed in the office of the clerk of this Court within 4 months after entry of the final order, judgment or finding by the Commission. Each party deemed to be an appellant shall file a petition for appeal, as limited hereafter, and shall, before the petition is filed, mail or deliver a copy to every other party to the appeal. Except as provided herein, the provisions of Rule 5:17 do not apply to a petition filed pursuant to this paragraph. The petition for appeal need only identify the order appealed from, with its date, contain a prayer that the appeal be granted, and include the certificate required by Rule 5:17(i). Oral argument on the petition shall not be allowed nor will a brief in opposition be received. If the petition prays for a suspension of the effectiveness of the order appealed from, it shall contain such statements of the facts and argument as shall be necessary for an understanding of the assignments of error. In that event, a brief in opposition will be received and oral argument may be granted.

(8) Award of Appeal. When the notice of appeal, the record, and the petition(s) for appeal appear to have been filed in the manner provided herein and within the time provided herein and by law, the clerk of this Court shall forthwith enter an order docketing the appeal, requiring such bond as the clerk shall deem proper. The clerk's action shall be subject to review by this Court.

(9) Assignments of Error. Within 10 days after the issuance by the clerk of this Court of the certificate pursuant to Rule 5:23, each party appellant shall file assignments of error in the office of the clerk of this Court and mail a copy thereof to every other party to the appeal. A clear and exact reference to the pages of the transcript, written statement of facts, or record where the alleged error has been preserved shall be included with each assignment of error. Only errors so assigned will be noticed by this Court and no error not so assigned will be considered as grounds for reversal of the decision below. Error will not be sustained to any ruling by the Commission unless the objection was stated with reasonable certainty at the time of the ruling, except for good cause shown or to enable this Court to attain the ends of justice. An assignment of error which merely states that the judgment is contrary to the law and the evidence is not sufficient.

(10) Further Proceedings. Further proceedings in this Court shall conform to Rules 5:23 through 5:38 provided that (i) the time within which the appellee may file with the clerk of this Court a designation of the additional parts of the record that the appellee wishes included in the appendix (Rule 5:32(b)) shall be extended to 30 days after the date of the certificate of the clerk of this Court pursuant to Rule 5:23 an appeal has been awarded; and (ii) the time within which the opening brief of the appellant shall be filed in the office of the clerk of this Court shall be extended to 50 days after such date.

(11) Additional Brief. An appellant who seeks relief different from that sought by another appellant may file an answering brief at the time prescribed for filing the brief of appellee.

(b) Appeals from the Virginia State Bar Disciplinary Board or a Three-Judge Circuit Court Determination.

(1) Applicability. Paragraph (b) of this Rule applies to appeals from the Virginia State Bar Disciplinary Board, pursuant to Part 6, § IV, Paragraph 13-26 of the Rules of the Supreme Court of Virginia, and to appeals from the decisions of a three-judge circuit court pursuant to Code § [54.1-3935](#). As used in this paragraph, “Respondent” is defined as the attorney who is appealing the decision of the disciplinary proceeding.

(2) Perfecting the Appeal.

(i) Provisions for Appeals from the Virginia State Bar Disciplinary Board. No appeal shall be allowed under this paragraph unless the Respondent files a notice of appeal and assignments of error with the clerk of the Disciplinary System within 30 days after the Memorandum Order is served on the attorney by certified mail, return receipt requested, at the attorney’s last address on record for membership purposes with the Virginia State Bar. At the same time the Respondent files a notice of appeal and assignments of error, a copy of the notice of appeal and assignments of error must be sent to the counsel for the Bar and the Attorney General of Virginia. The Respondent is responsible for filing a transcript in compliance with Rule 5:11. The date of the Memorandum Order shall be the date from which the time limits contained in Rule 5:11 shall run. This action within the time prescribed is mandatory. Upon timely compliance with these rules, the Clerk of the Supreme Court shall docket the appeal as provided in Rule 5:23.

(ii) Provisions for Appeals from a Three-Judge Circuit Court. No appeal shall be allowed under this paragraph unless the Respondent files a notice of appeal and assignments of error with the clerk of the three-judge circuit court within 30 days after the entry of the final judgment and, at the same time, mails a copy of the notice of appeal and assignments of error to counsel for the Bar and the Attorney General of Virginia. The Respondent is responsible for filing a transcript in compliance with Rule 5:11. The date of the judgment shall be the date from which the time limits contained in Rule 5:11 shall run. This action within the time prescribed is mandatory. Upon timely compliance with these rules, the Clerk of the Supreme Court shall docket the appeal as provided in Rule 5:23.

(3) Record on Appeal. The clerk of the Disciplinary System or the clerk of the three-judge circuit court shall compile and transmit the record as set out in Rules 5:10, 5:11, and 5:13. The clerk shall immediately notify by certified mail the Respondent, and the Respondent’s counsel, if any, and the Attorney General of the date the record is filed with the clerk of this Court. At the time the record is filed, the clerk shall also notify the clerk of this Court and the Respondent whether the Attorney General or Bar Counsel will represent the interests of the Commonwealth as appellee.

(4) Time for Filing Briefs and Appendix. The parties shall designate the contents of the appendix pursuant to the requirements of Rule 5:32 and the Respondent shall be responsible for filing the appendix pursuant to that Rule. The Respondent shall file the opening brief in the office of the clerk of this Court within 40 days after the date the record is filed. The opening brief shall contain assignments of error and references to the pages of the appendix, transcript, written statement, or record where each assignment of error was preserved. The brief of the appellee shall be filed in the office of the clerk of this Court within 25 days after the filing of the Respondent's opening brief. The Respondent may file a reply brief within 14 days after the filing of the appellee's brief. All briefs and the appendix shall conform to the provisions of Rules 5:26 through 5:32.

(5) Stay Pending Appeal. The Respondent may file a motion with the clerk of this Court requesting a stay pending appeal of an order suspending the Respondent's license. The Respondent must file four copies of the motion for stay along with a copy of the order imposing the suspension and a copy of the Respondent's notice of appeal, which must contain the date stamp of the clerk showing the date the notice of appeal was filed.

(6) Procedure on Appeal. Except as provided in this paragraph, further proceedings shall be as provided in this Court's procedure following the perfection of an appeal set out in Rules 5:23, 5:25, and Rules 5:33 through 5:38.

Promulgated by Order dated Friday, April 30, 2010; effective July 1, 2010.

F. SPECIAL RULES

Rule 5:22. Special Rule for Appeals in Death Penalty Cases.

(a) *Notice of Receipt of Record.* Upon receipt of a record pursuant to § [17.1-313 B](#), the clerk of this Court shall notify in writing counsel for the accused in the circuit court (who shall be deemed to be counsel for the appellant), the Attorney General (who shall be deemed to be counsel for the appellee), and the Director of the Department of Corrections of the date of its receipt. The date of the receipt of the record is the Filing Date and the case shall thereupon stand matured as if an appeal had been awarded to review the conviction and the sentence of death.

(b) *Stay of Sentence of Death.* Upon the Filing Date, the notice issued by the clerk of this Court shall be deemed to be the certificate of the clerk of this Court pursuant to Rule 5:23 that an appeal has been awarded, and the enforcement of the sentence of death shall thereby be stayed pending the final determination of the case by this Court.

(c) *Filing of Assignments of Error and of the Appendix.* Within 30 days after the Filing Date, counsel for the appellant shall file with the clerk of this Court assignments of error upon which the appellant intends to rely for reversal of the conviction or review of the sentence of death. Counsel for the appellant shall accompany the assignments of error with a designation of the parts of the record relevant to the review and to the assignments of error. Not more than 10 days after such assignments of error and designation are filed, counsel for the appellee may file with the clerk of this Court a designation of the additional parts of the record that he wishes included as germane to the review or to any assignments of error. Counsel for the appellant shall include in the appendix the parts so designated. The provisions of Rules 5:31 and 5:32 (except Rule 5:32(b)(1) and (b)(3)) shall apply to the appendix.

(d) *Assigning Error to the Sentence of Death.* With respect to the sentence of death, it shall be a sufficient assignment of error to state that the sentence was imposed under the influence of passion, prejudice, or other arbitrary factor or that the sentence is excessive or disproportionate to the penalty imposed in similar cases.

(e) *Requirements for Briefs.*

(f) *Compliance with Rules for Perfected Appeals.* Except to the extent that a conflict with this Rule may arise, in which case this Rule shall then be controlling, further proceedings in the case shall conform to the Rules relating to cases in which an appeal has been perfected.

(g) *Varying Procedure to Attain the Ends of Justice.* This Court may, on motion in a particular case, vary the procedure prescribed by this Rule in order to attain the ends of justice and the purpose of § [17.1-313](#).

G. PROCEDURE FOLLOWING PERFECTION OF APPEAL

Rule 5:26. General Requirements for All Briefs.

(a) *Applicability.* This Rule, along with Rule 5:6, sets forth the general requirements for all briefs filed in this Court. Rule 5:22 sets forth the special rule for appeals in death penalty cases.

(b) *Length.* Except by permission of a Justice of this Court, neither the opening brief of appellant, nor the brief of appellee, nor a brief amicus curiae shall exceed the longer of 50 pages or 8,750 words. No reply brief shall exceed the longer of 15 pages or 2,625 words. The page or word limits under this Rule do not include appendices, the cover page, table of contents, table of authorities, and certificate. There shall be no exception to these limits except by permission of this Court on motion for extension of the limits.

(c) *Filing Time.* In cases in which a petition for appeal has been granted by this Court, briefs shall be filed subject to the provisions of Rule 5:1(d), as follows:

(1) The appellant shall file the opening brief in the office of the clerk of this Court within 40 days after the date of the certificate of appeal issued by the clerk of this Court pursuant to Rule 5:23.

(2) The brief of appellee shall be filed in the office of the clerk of this Court within 25 days after filing of the opening brief.

(3) The appellant may file a reply brief in the office of the clerk of this Court within 14 days after filing of the brief of appellee.

(d) *Extension of Time.* Upon motion and with permission of a Justice of this Court, the time for filing any brief in this Court may be altered.

(e) *Copies for Filing.* One electronic version, in Adobe Acrobat Portable Document Format (PDF) format, must be filed with the clerk of this Court and served on opposing counsel, unless excused by this Court for good cause shown. Three copies of a brief amicus curiae shall be mailed or delivered to counsel for all parties and to any other counsel amicus curiae. All briefs shall contain a certificate evidencing such mailing or delivery and the method of transmission to the clerk for filing.

(f) *Reference to Parties.* In their briefs, counsel should avoid reference to parties by such designations as “appellant” and “appellee.” Clarity is promoted by the use of the names of the parties or descriptive terms such as “the employee,” “the injured person,” “the driver,” “the wife,” or the designations used in the lower court or commission.

(g) *Arguments Made by Reference.* Attempts to incorporate arguments made below by reference to pleadings, motions, memorandum, or other filings are prohibited.

If a word count is used, the certificate must also state the number of words (headings, footnotes, and quotations count towards the word limitation; the cover page, table of contents, table of authorities, and certificate do not count towards the word count).

(i) *Failure to File Complying Brief.* Any party who fails to file a brief in compliance with these Rules or otherwise fails to file a required brief will not be heard orally, except for good cause shown.

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE
THE SUPREME COURT
G. PROCEDURE FOLLOWING PERFECTION OF APPEAL

Rule 5:32. Appendix.

(a) Responsibility of the Appellant.

(1) Contents of the Appendix. The appellant must prepare and file an appendix. The appendix shall contain:

- (i) the initial pleading (as finally amended), unless other versions are necessary to consider the assignments of error;
- (ii) final judgments of all tribunals that have considered the case, including the judgment appealed from, and any opinion relating to such judgments;
- (iii) testimony and other incidents of the case germane to the assignments of error;
- (iv) exhibits necessary for an understanding of the case that can reasonably be reproduced;
- (v) the granted assignments of error and cross-error;
- (vi) other parts of the record to which the parties wish to direct this Court's attention; and
- (vii) a table of contents as described in paragraph (d) below.

(2) Assumptions and Excluded Material. It will be assumed that the appendix contains everything germane to the granted assignments of error and, if any, assignments of cross-error. Memoranda of law in the trial court should not be included in the appendix unless they have independent relevance. Parts of the record may be relied on by this Court or the parties even though not included in the appendix.

(3) Time to File; Number of Copies.

(i) Generally. The appellant must file 15 copies of the appendix with the appellant's brief, and must serve two copies on counsel for each party separately represented. This Court may by order require the filing or service of a different number.

(ii) Special Rule for Electronic Filing of the Appendix. In lieu of the 15 tangible copies required by paragraph (a)(3)(i) of this Rule, the appellant may file 10 tangible copies of the appendix and 10 electronic copies of the appendix as an Adobe Acrobat Portable Document Format (PDF) document on CD-ROMs. If the appellant files 10 electronic copies with this Court, then it must also serve one electronic copy on counsel for each party separately represented in addition to the one tangible copy required by paragraph (a)(3)(i) of this Rule.

(b) *Responsibility of All Parties.*

(1) *Determining the Contents of the Appendix.* The parties are encouraged to agree on the contents of the appendix. Within 15 days after the date of the certificate of the clerk of this Court issued pursuant to Rule 5:23, counsel for appellant shall file in the office of the clerk of this Court a written statement signed by all counsel setting forth an agreed designation of the parts of the record on appeal to be included in the appendix. In the absence of an agreement, the appellant must, within 15 days after the date of the certificate of appeal issued by the clerk of this Court pursuant to Rule 5:23, file with the clerk of this Court and serve on the appellee a designation of the parts of the record the appellant intends to include in the appendix. The appellee may, within 15 days after receiving the designation, file with the clerk of this Court and serve on the appellant a designation of additional parts of the record the appellee deems germane. The appellant must include the parts designated by the appellee in the appendix, together with any additional parts the appellant considers germane. The parties must not engage in an unnecessary designation of parts of the record, because the entire record is available to the Court.

(2) *Sealed Materials in the Appendix.* Appendices filed with this Court are a matter of public record. If counsel concludes it is necessary to include sealed material in the appendix, then, in order to maintain the confidentiality of the materials, counsel must designate the sealed material for inclusion in a supplemental appendix to be filed separately from the regular appendix, and must file a specific motion asking this Court to seal the supplemental appendix within the time stated for the designation of the appendix in paragraph (b)(1) of this Rule.

(3) *Costs of Appendix.* Unless the parties agree otherwise, the appellant must initially pay the cost of the appendix, but if the appellant in good faith considers that parts of the record designated by the appellee for inclusion are unnecessary for the determination of the assignments of error, the appellant initially preparing the appendix may so advise the clerk of this Court and the appellee, and the appellee who designated the challenged material shall advance the cost of including such parts. The cost of producing the appendix shall be taxed as costs in the case, but if any party shall cause unnecessary material to be included in the appendix this Court sua sponte or upon motion may impose the cost of including such parts upon that party.

(c) *Appeal on the Original Record Without an Appendix.* This Court may, sua sponte or on motion, enter an order dispensing with the appendix and permitting an appeal to proceed on the original record with any copies of the record, or relevant parts, that the Court may order the parties to file. A motion may be made under this rule within 10 days of the issuance of a writ. The making of a motion under this paragraph does not excuse the filing of the proposed contents of an appendix under paragraph (b)(1).

(d) *Table of Contents and Form of Presentation.* The appendix must begin with a table of contents identifying the page at which each part begins. When the testimony of witnesses is included, the name of each witness who is testifying must be in the table of contents with a page number at which each portion of the testimony begins (direct, cross, redirect, etc.). Parts of the record should be in the appendix in chronological order. Omissions in the text of papers or of the transcript must be indicated by asterisks. The index for exhibits should include a description of the exhibit sufficient to inform this Court of its nature rather than merely an exhibit number.

(e) *Effect of Non-Compliance with this Rule.* An appeal will not be dismissed for failure to file an appendix in compliance with this Rule. If an appendix is not filed within the time prescribed, or on its face fails to comply with this Rule, this Court may direct the filing of a proper appendix within a specific time and may require a non-complying attorney or unrepresented party to advance all or part of the cost of printing the appendix. This Court may dismiss an appeal for non-compliance with an order entered under this paragraph.

The request shall specify the amount of its allotted time the supported party is willing to yield to amicus curiae.

(e) *Waiver.* During oral argument, it shall not be necessary for any party to expressly reserve any argument made on brief, and the failure to raise any such argument shall not constitute a waiver. Any party may, without waiving the arguments made on brief, waive oral argument.

Rule 5:37. Petition for Rehearing After Consideration by the Full Court.

(a) *Scope.* This Rule does not apply to the refusal or dismissal of a petition for appeal, or the refusal or dismissal of an original jurisdiction petition. See Rules 5:20 and 5:20A.

(b) *Notice of Intent.* A party intending to apply for a rehearing shall file written notice with the clerk of this Court within 10 days after the date of the order or opinion of this Court deciding the case. If such notice is given, the clerk of this Court shall withhold certification of the mandate until time for filing the petition for rehearing has expired and, if the petition is filed, until it is disposed of.

(c) *Requirements for Pro Se Prisoners or By Leave of Court.* Unless the rehearing is abandoned, 20 copies of a petition for rehearing not to exceed the longer of 10 pages or 1,750 words in length shall be thereafter filed in the office of the clerk of this Court and 3 copies delivered or mailed to opposing counsel within 30 days after the date of the order of this Court deciding the case.

(d) *Requirements for All Others.*

(1) Except for petitions filed by pro se prisoners, or with leave of this Court, the petition for rehearing shall be filed as an Adobe Acrobat Portable Document Format (PDF) document attached to an e-mail addressed to scvpfr@courts.state.va.us and will be timely filed if received by the clerk's office on or before 11:59 p.m. within 30 days after the date of the order or opinion of this Court deciding the case. The petition must be formatted to print on a page 8 1/2 x 11 inches, must be in 14-point font or larger, must be double-spaced, and must not exceed the longer of 10 pages or 1,750 words. The petition must include a certificate of service to opposing counsel and the certificate shall specify the manner of service and the date of service. The petition must also include a certificate of compliance with the word count limit. The petition will be considered filed on the date and time that it is received by scvpfr@courts.state.va.us. If the petition does not meet the requirements of this rule as to format, the clerk shall so notify counsel and provide a specific amount of time for a corrected copy of the petition to be filed. A person who files a document electronically shall have the same responsibility as a person filing a document in paper form for ensuring that the document is properly filed, complete, and readable. However, if technical problems at this Court result in a failure to timely receive the electronically filed petition for rehearing, counsel shall provide to the clerk of this Court on the next business day all documentation which exists demonstrating the attempt to email the petition, any delivery failure notice received in response to the attempt, and a copy of the petition for rehearing.

(2) The e-mail message to which the petition is attached shall recite in the subject line the style of the case and the Supreme Court record number. The e-mail message

shall contain a paragraph stating that a petition for rehearing is being filed, the style of the case, the Supreme Court record number, the name and Virginia State Bar number of counsel filing the petition, as well as the law firm name, mailing address, telephone number, facsimile number (if any), and e-mail address (if any) of counsel. The message shall also state whether a copy of the petition has been served by e-mail or another means on opposing counsel and the date of such service. If the petition has been served on opposing counsel by e-mail, the e-mail address for opposing counsel shall also be included. Upon receipt of the petition for rehearing in the e-mail box of the clerk's office, an acknowledgment will automatically be sent to counsel seeking the rehearing.

(e) *Grounds for Granting.* No petition for rehearing shall be granted unless one of the Justices who decided the case adversely to the applicant determines that there is good cause for such rehearing. The proceedings upon such rehearing shall be in accordance with Code § [8.01-675.2](#). No oral argument will be permitted on applications for rehearing.

(f) *When a Rehearing is Granted.* When a rehearing is granted, the case will be placed on the privileged docket for oral argument. The petitioner may not file any brief in addition to the petition for rehearing. The respondent may file electronically, in compliance with paragraph (d) of this Rule, a brief in reply that shall not exceed the longer of 15 pages in length or 2,625 words within 21 days after the date of the order granting the rehearing. The respondent will be heard orally whether or not respondent files a brief in reply. The case will be called at the next session of the Court after the expiration of the 21 days unless counsel agree that it be called at a session of the Court commencing at an earlier time and the Court permits the case to be called at an earlier time.

(a) *Power to Answer.* This Court may in its discretion answer questions of law certified to it by the Supreme Court of the United States, a United States court of appeals for any circuit, a United States district court, or the highest appellate court of any state, territory, or the District of Columbia. Such answer may be furnished, when requested by the certifying court, if a question of Virginia law is determinative in any proceeding pending before the certifying court and it appears there is no controlling precedent on point in the decisions of this Court or the Court of Appeals of Virginia.

(b) *Method of Invoking.* This Rule may be invoked only by an order of one of the courts referred to in paragraph (a) of this Rule. No party litigant in the foregoing courts may file a petition or motion for certification in this Court.

(c) *Contents of Certification Order.* A certification order shall set forth:

- (1) the nature of the controversy in which the question arises;
- (2) the question of law to be answered;
- (3) a statement of all facts relevant to the question certified;
- (4) the names of each of the parties involved;
- (5) the name, Virginia State Bar number, mailing address, telephone number (including any applicable extension), facsimile number (if any), and e-mail address (if any) of counsel for each of the parties involved;
- (6) a brief statement explaining how the certified question of law is determinative of the proceeding in the certifying court; and
- (7) a brief statement setting forth relevant decisions, if any, of this Court and the Court of Appeals of Virginia and the reasons why such decisions are not controlling.

(d) *Preparation of Certification Order.* The certification order shall be prepared by the certifying court, signed by the presiding justice or judge, and forwarded to this Court by the clerk of the certifying court under its official seal. This Court may require the original or copies of all or of any portion of the record before the certifying court to be filed, if, in the opinion of this Court, the record or portion thereof may be necessary in answering the certified question. This Court may in its discretion restate any question of law certified or may request from the certifying court additional clarification with respect to any question certified or with respect to any facts.

(e) *Notification of Acceptance or Rejection.* This Court, in its discretion, may decide whether to answer any certified question of law. This Court will notify the certifying court and counsel for the parties of its decision to accept or to reject any certified

(f) *Revocation of Acceptance.* This Court, in its discretion, may revoke its decision to answer a certified question of law at any time. This Court will notify the certifying court and counsel for the parties of any such action.

(g) *Costs of Certification.* Fees and costs shall be the same as in civil appeals docketed in this Court and shall be paid as ordered by the certifying court in its order of certification.

(h) *Briefs.* The form, length, and time for submission of briefs shall comply with Rules 5:26 through 5:32 *mutatis mutandis*.

(i) *Opinion.* A written opinion or order of this Court stating the law governing each question certified will be rendered as soon as practicable after the submission of briefs and after any oral argument. The opinion or order will be sent by the clerk under the seal of this Court to the certifying court and to counsel for the parties and shall, if this Court so directs, be published in the Virginia Reports.

E. *Oral Argument.* The Court shall hold any oral argument in appeals under this rule in a manner so as to protect the health and safety of individuals subject to any such order or quarantine or isolation, court personnel, counsel, and the general public. To this end, the Court may take measures including, but not limited to, ordering any oral argument to be held by telephone or video conference or ordering those present to take appropriate precautions, including wearing personal protective equipment. (a) *Scope of Rules.* Part Five A governs all proceedings in the Court of Appeals of Virginia.

(b) *Citation.* These Rules may be cited generally as the “Rules of the Court of Appeals of Virginia” and specifically as “Rule 5A:___.”

(c) *Definitions.*

(1) "clerk of the trial court" means clerk of the trial court from which an appeal is taken to the Court of Appeals, and shall include a deputy clerk and the clerk of the Virginia Workers' Compensation Commission when the context requires;

(2) "clerk of the Court of Appeals" includes a deputy clerk;

(3) "counsel" has the definition given in Rule 1:5 for Counsel of Record and in this Part Five A includes a party not represented by counsel and any attorney appointed as a guardian ad litem;

(4) "counsel for appellant" means one of the attorneys representing each appellant represented by an attorney, and each appellant not represented by an attorney;

(5) "counsel for appellee" means one of the attorneys representing each appellee represented by an attorney, and each appellee not represented by an attorney and shall include a guardian ad litem, unless the guardian ad litem is the appellant;

(6) "opposing counsel" means, depending on the context, "counsel for the appellant" or "counsel for the appellee";

(7) "judge" means judge of the trial court, unless the context otherwise requires, or if he be not available, any judge authorized to act under Rule 5A:9;

(8) "judgment" includes an order or decree from which an appeal is taken;

(9) "File with the clerk" or "files with the clerk" or "filed with the clerk" means deliver to the clerk specified a paper, a copy of which has been mailed or delivered to opposing counsel, and appended to which is either acceptance of service or a certificate showing the date of mailing or delivery. "File in the office of the clerk" or "files in the office of the clerk" or "filed in the office of the clerk" means, on the other hand, deliver a paper to the clerk specified;

(10) "trial court" means the circuit court from which an appeal is taken to the Court of Appeals;

(11) the "date of entry" of any final judgment or other appealable order or decree shall be the date the judgment, order, or decree is signed by the judge.

of service or acceptance of service showing that a copy has been transmitted to all counsel and showing the date and manner of transmittal. If a word count limitation is required, the certificate must also state the number of words (headings, footnotes, and quotations count towards the word limitation; the cover page, table of contents, table of authorities, and certificate do not count towards the word count).

(e) *Notice of Change of Address and Other Contact Information.* If an attorney has a change in mailing address, telephone number, facsimile number, or e-mail address any time after the filing of the notice of appeal, the attorney must immediately notify the clerk of this Court and all other counsel of record in writing. RULES OF SUPREME COURT OF VIRGINIA
PART FIVE A
THE COURT OF APPEALS
A. GENERAL

Rule 5A:2. Motions and Responses; Orders.

(a) *Motions and Responses.*

(1) **Motions.** All motions shall be in writing and filed with the clerk of this Court. All motions shall contain a statement by the movant that the other parties to the appeal have been informed of the intended filing of the motion. For all motions in cases when all parties are represented by counsel – except motions to dismiss petitions for a writ of habeas corpus – the statement by the movant shall also indicate whether the other parties consent to the granting of the motion, or intend to file responses in opposition.

(2) **Responses.** Opposing counsel may have ten days after such motion is filed to file with such clerk a response to such motion, but this Court may act before the ten days expire, if necessary.

(3) **Number of Copies.** An original and three copies of all motions or responses must be filed.

(4) **Oral Argument.** No motion shall be argued orally except by leave of this Court.

(b) *Motion for Review of Pre-trial Bail Orders in Criminal Cases.* When a circuit court has granted or denied pre-trial bail or set a bond or terms of recognizance or revoked bail, either party may move this Court to review the order. With the motion for review, the party seeking review shall submit copies of: (1) the warrant(s) or indictment(s) in the case; (2) the order granting, denying, or setting bond; and (3) a transcript of the bond hearing or a stipulation between counsel stating the evidence introduced at the bond hearing and the ruling of the circuit court. An order setting or denying bail or setting terms of a bond or recognizance shall be reviewable for abuse of discretion.

(c) *Motion for Review of Post-trial Bail Pending Appeal Orders in Criminal Cases.* When a notice of appeal has been filed in a criminal case, an appellant other than the Commonwealth may move this Court to review the trial court's order denying bail pending appeal or setting an excessive bail pending appeal. With the motion for review, the appellant shall submit copies of: (1) the sentencing order entered by the trial court; (2) a pre-sentence report when available; (3) the trial court's decision setting or denying bail; and (4) a transcript of the bail hearing or a stipulation between counsel stating the evidence introduced at the bail hearing and the reason the trial court gave for the bail decision. An order setting or denying bail pending appeal in a criminal case shall be reviewable for abuse of discretion. If this Court overrules a trial court decision denying bail pending appeal, this Court shall set the amount of the bail pending appeal or remand the matter to the trial court with directions to set bail pending appeal.

(d) *Orders*. Promptly after this Court has entered an order, the clerk of this Court shall send a copy of the order to all counsel.

Promulgated by Order dated Friday, April 30, 2010; effective July 1, 2010.

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE A
THE COURT OF APPEALS
A. GENERAL

Rule 5A:3. Filing Deadlines; Post Trial Proceedings Below; Timely Filing by Mail; Inmate Filing; Extension of Time.

(a) *Filing Deadlines and Extensions.* The times prescribed for filing the notice of appeal (Rules 5A:6 and 5A:11), a petition for appeal (Rule 5A:12), and a petition for rehearing (Rule 5A:33) and a request for rehearing en banc (Rule 5A:34) are mandatory. Except for the petition for appeal which is addressed in Rule 5A:12(a) and Code § [17.1-408](#), a single extension not to exceed thirty days may be granted if at least three judges of the Court of Appeals concur in a finding that an extension for papers to be filed is warranted upon a showing of good cause sufficient to excuse the delay. The time period for filing the notice of appeal is not extended by the filing of a motion for a new trial, a petition for rehearing, or a like pleading unless the final judgment is modified, vacated, or suspended by the trial court pursuant to Rule 1:1, in which case the time for filing shall be computed from the date of the final judgment entered following such modification, vacation, or suspension.

(b) *Extensions Generally.* Except as provided in paragraph (a) of this Rule, the times prescribed in these Rules for filing papers, except transcripts (Rule 5A:8(a)), may be extended by a judge of the court in which the papers are to be filed upon a showing of good cause sufficient to excuse the delay.

(c) *Motions for Extension.* A motion for extension of time is timely if filed:

- (1) within the original filing deadline; or
- (2) within the specified extension period – see Rules 5A:3(a) and 5A:12(a); or
- (3) within any specific deadline governing motions to extend – see Rules 5A:8(a), 5A:13(a), 5A:14, 5A:19(b), and 5A:19(c).

Filing a motion for extension does not toll the applicable deadline or further extend the period of extension.

(d) *How to File by Mail in a Timely Manner.* Any document required to be filed with the clerk of this Court shall be deemed to be timely filed if (1) it is transmitted expense pre-paid to the clerk of this Court by priority, express, registered, or certified mail via the United States Postal Service, or by a third-party commercial carrier for next-day delivery, and (2) if the official receipt therefor be exhibited upon demand of the clerk or any party and it shows such transmission or mailing within the prescribed time limits. This Rule does not apply to documents to be filed in the office of the clerk of the trial court or clerk of the Virginia Workers' Compensation Commission.

(e) *Inmate Filing.* A paper filed by an inmate confined in an institution is timely filed if deposited in the institution's internal mail system with first-class postage prepaid on or

before the last day for filing. Timely filing of a paper by an inmate confined in an institution may be established by (1) an official stamp of the institution showing that the paper was deposited in the internal mail system on or before the last day for filing, (2) an official postmark dated on or before the last day for filing, or (3) a notarized statement signed by an official of the institution showing that the paper was deposited in the internal mail system on or before the last day for filing.

Last amended by Order dated March 1, 2011; effective May 2, 2011.

The use of condensed or multi-page transcripts is prohibited.

(b) *Binding and Cover.* All briefs, appendices, petitions for rehearing, and petitions for rehearing en banc shall be bound on the left margin in such a manner as to produce a flat, smooth binding. RULES OF SUPREME COURT OF VIRGINIA
PART FIVE A
THE COURT OF APPEALS
B. ORIGINAL JURISDICTION

Rule 5A:5. Original Proceedings.

(a) *Original Jurisdiction Proceedings Other Than Actual Innocence Petitions.* With the exception of petitions for the issuance of writs of actual innocence under paragraph (b) of this Rule, all proceedings before the Court of Appeals pursuant to its original jurisdiction shall be conducted in accordance with the procedure prescribed by Rule 5:7 of the Rules of the Supreme Court.

(b) *Petition for a Writ of Actual Innocence.*

(1) Scope. Any person convicted of a felony upon a plea of not guilty may file in this Court a petition under Code § [19.2-327.10](#) et seq. seeking a writ of actual innocence based on nonbiological evidence.

(2) Form and Contents of Petition. The petition must be filed using Form 12 in the Appendix of Forms following Part 5A and must include all allegations and documents required by subsections A and B of Code § [19.2-327.11](#). Under Code § [19.2-327.11](#)(B) “relevant documents” shall include, but not be limited to, any felony conviction and sentencing orders being challenged, any appellate dispositions on direct review or any habeas corpus orders (issued by any federal or state court), and any prior petitions filed under Code § [19.2-327.10](#) et seq. in the Court of Appeals or under Code § [19.2-327.2](#) et seq. in the Supreme Court.

(3) All pleadings shall name as the petitioner the person convicted of a felony who is seeking relief. The pleadings shall identify the Commonwealth, represented by the Attorney General, as the respondent.

(4) Filing Fee. The petition must be accompanied by either (i) a \$50.00 check or money order for the filing fee required by statute, or (ii) an in forma pauperis affidavit demonstrating that the petitioner cannot afford the filing fee. An affidavit seeking in forma pauperis status shall list all assets and liabilities of petitioner, including the current balance of any inmate account maintained by correctional facility.

(5) Appointment of Counsel. If this Court does not summarily dismiss the petition, this Court shall appoint counsel for any indigent petitioner who requests the appointment of counsel and satisfies the indigency criteria of Code § [19.2-159](#). In this Court’s discretion, counsel may be appointed at an earlier stage of the proceeding at the petitioner’s request upon a showing of requisite indigency. All requests for the appointment of counsel shall be made on the form provided by this Court.

(6) Service of Petition and Return of Service. Prior to filing a petition, the petitioner shall serve the petition, along with all attachments, on the Attorney General and on the Commonwealth’s Attorney for the jurisdiction where the conviction occurred. When represented by counsel, the petitioner shall file with the

petition either (i) a duly executed return of service in the form of a verification that a copy of the petition and all attachments have been served, or (ii) an acceptance of service signed by either or both of the parties to be served, or (iii) a combination of the two. When unrepresented by counsel, the petitioner shall file with the petition a certificate that a copy of the petition and all attachments have been sent, by certified mail, to the Attorney General and the Commonwealth's Attorney for the jurisdiction where the conviction occurred.

(7) Response. If the Court of Appeals does not summarily dismiss the petition, this Court will provide written notice to all parties directing the Commonwealth, within 60 days after receipt of such notice, to file a response to the petition pursuant to Code § [19.2-327.11](#)(C). For good cause shown, the 60-day deadline may be extended by this Court. The Commonwealth's response may include any information pertinent to the petitioner's guilt, including proffers of evidence outside the trial court record and evidence previously suppressed at trial.

(8) Reply. The petitioner may file a reply to the Commonwealth's response only if directed to do so by this Court.

(9) Copies. An original and four copies of the petition, the Commonwealth's response, and the petitioner's reply, if any, shall be filed with this Court. Attachments shall be included with the original petition, response, or reply, but not with any copies of the same.

(10) Evidentiary Hearing. The Court of Appeals may order the circuit court that entered the conviction to conduct an evidentiary hearing and to certify factual findings pursuant to Code § [19.2-327.12](#). Such findings, however, shall be limited to the specific questions addressed by the Court of Appeals in its certification order. In the circuit court, the petitioner and the Commonwealth shall be afforded an opportunity to present evidence and to examine witnesses on matters relevant to the certified questions.

(11) Oral Argument. Unless otherwise directed by this Court, oral argument shall only be allowed on the final decision whether to grant or deny the writ under Code § [19.2-327.13](#).

(12) Appeal. The petitioner or the Commonwealth may petition for appeal to the Supreme Court from any adverse final decision issued by the Court of Appeals under Code § [19.2-327.13](#) to issue or deny a writ of actual innocence. Such an appeal shall be initiated by the filing of a notice of appeal pursuant to Rule 5:14.

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE A
THE COURT OF APPEALS
C. PROCEDURE FOR FILING AN APPEAL FROM THE TRIAL COURT

Rule 5A:6. Notice of Appeal.

(a) *Filing Deadline; Where to File.* No appeal shall be allowed unless, within 30 days after entry of final judgment or other appealable order or decree, or within any specified extension thereof granted by this Court under Rule 5A:3(a), counsel files with the clerk of the trial court a notice of appeal, and at the same time mails or delivers a copy of such notice to all opposing counsel. A notice of appeal filed after the court announces a decision or ruling – but before the entry of such judgment or order – is treated as filed on the date of and after the entry. A party filing a notice of an appeal of right to the Court of Appeals shall simultaneously file in the trial court an appeal bond in compliance with Code § [8.01-676.1](#).

(b) *Content.* The notice of appeal shall contain a statement whether any transcript or statement of facts, testimony, and other incidents of the case will be filed.

(c) *Filing Fee.* A copy of the notice of appeal shall be filed in the office of the clerk of the Court of Appeals and, except as otherwise provided by law, must be accompanied by a check or money order in the amount of \$50 payable to the “Clerk of the Court of Appeals” for the filing fee required by statute. The fee shall be due at the time the notice of appeal is presented. The clerk of the Court of Appeals may file any notice of appeal that is not accompanied by such fee if the fee is received by the clerk within ten days of the date the notice of appeal is filed. If the fee is not received within such time, the appeal shall be dismissed.

(d) *Certificate.* The appellant shall include with the notice of appeal a certificate stating:

(1) the names and addresses of all appellants and appellees, the name, Virginia State Bar number, mailing address, telephone number (including any applicable extension), facsimile number (if any), and e-mail address (if any) of counsel for each party, and the mailing address, telephone number, facsimile number (if any), and e-mail address (if any) of any party not represented by counsel; and

(2) that a copy of the notice of appeal has been mailed or delivered to all opposing counsel; and

(3) in a criminal case, a statement whether counsel for defendant has been appointed or privately retained; and

(4) that in the event a transcript is to be filed a copy of the transcript has been ordered from the court reporter who reported the case.

(e) *Separate Cases.* Whenever two or more cases were tried together in the trial court, one notice of appeal and one record may be used to bring all of such cases before this Court even though such cases were not consolidated by formal order.

(f) *Special Provision for Cases Involving a Guardian Ad Litem.* No appeal shall be dismissed because the notice of appeal fails to identify a guardian ad litem or to provide notice to a guardian ad litem. Upon motion for good cause shown or by sua sponte order of this Court, the notice of appeal may be amended to identify the guardian ad litem and to provide notice to such guardian.

Promulgated by Order dated Friday, April 30, 2010; effective July 1, 2010.

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE A
THE COURT OF APPEALS
C. PROCEDURE FOR FILING AN APPEAL FROM THE TRIAL COURT

Rule 5A:8. Record on Appeal: Transcript or Written Statement.

(a) *Transcript.* The transcript of any proceeding is a part of the record when it is filed in the office of the clerk of the trial court within 60 days after entry of the final judgment. This deadline may be extended by a Judge of the Court of Appeals only upon a written motion filed within 90 days after the entry of final judgment. Timely motions will be granted only upon a showing of good cause to excuse the delay.

(b) *Notice of Filing Transcript.*

(1) Time for Filing. Within 10 days after the transcript is filed or, if the transcript is filed prior to the filing of the notice of appeal, within 10 days after the notice of appeal is filed, counsel for appellant shall:

(i) give written notice to all other counsel of the date on which the transcript was filed, and

(ii) file a copy of the notice with the clerk of the trial court.

There shall be appended to the notice either a certificate of counsel for appellant that a copy of the notice has been mailed to all other counsel or an acceptance of service of such notice by all other counsel.

(2) Multiple Transcripts. When multiple transcripts are filed, the 10-day period for filing the notice required by this Rule shall be calculated from the date on which the last transcript is filed or from the date on which the notice of appeal is filed, whichever is later. The notice of filing transcripts shall identify all transcripts filed and the date upon which the last transcript was filed.

(3) Notice of No Further Transcripts. If the notice of appeal states that no additional transcripts will be filed and identifies the transcripts that have been filed, if any, then no additional written notice of filing transcripts is required and the notice of appeal will serve as the notice of filing transcripts for purposes of Rule 5A:8(b).

(4) Effect of Non-compliance.

(i) Any failure to file the notice required by this Rule that materially prejudices an appellee will result in the affected transcripts being stricken from the record on appeal. For purposes of this Rule, material prejudice includes preventing the appellee from raising legitimate objections to the contents of the transcript or misleading the appellee about the contents of the record. The appellee shall have the burden of establishing such prejudice in the brief in opposition or, if no brief in opposition is filed, in a written statement filed with the clerk of this Court within twenty-one days after the record is received by the clerk.

(ii) When the appellant fails to ensure that the record contains transcripts or a written statement of facts necessary to permit resolution of appellate issues, any assignments of error affected by such omission shall not be considered.

(c) *Written Statement in Lieu of Transcript.* A written statement of facts, testimony, and other incidents of the case becomes a part of the record when:

(1) within 55 days after entry of judgment a copy of such statement is filed in the office of the clerk of the trial court. A copy must be mailed or delivered to opposing counsel on the same day that it is filed in the office of the clerk of the trial court, accompanied by notice that such statement will be presented to the trial judge no earlier than 15 days nor later than 20 days after such filing; and

(2) the statement is signed by the trial judge and filed in the office of the clerk of the trial court. The judge may sign the statement forthwith upon its presentation to him if it is signed by counsel for all parties, but if objection is made to the accuracy or completeness of the statement, it shall be signed in accordance with paragraph (d) of this Rule.

The term “other incidents of the case” in this subsection includes motions, proffers, objections, and rulings of the trial court regarding any issue that a party intends to assign as error or otherwise address on appeal.

(d) *Objections.* Any party may object to a transcript or written statement on the ground that it is erroneous or incomplete. Notice of such objection specifying the errors alleged or deficiencies asserted shall be filed with the clerk of the trial court within 15 days after the date the notice of filing the transcript (paragraph (b) of this Rule) or within 15 days after the date the notice of filing the written statement (paragraph (c) of this Rule) is filed in the office of the clerk of the trial court or, if the transcript or written statement is filed before the notice of appeal is filed, within 10 days after the notice of appeal has been filed with the clerk of the trial court. The clerk shall give prompt notice of the filing of such objections to the trial judge. Within 10 days after the notice of objection is filed with the clerk of the trial court, the judge shall:

- (1) overrule the objection; or
- (2) make any corrections that the trial judge deems necessary; or
- (3) include any accurate additions to make the record complete; or
- (4) certify the manner in which the record is incomplete; and
- (5) sign the transcript or written statement.

At any time while the record remains in the office of the clerk of the trial court, the trial judge may, after notice to counsel and hearing, correct the transcript or written statement.

The judge's signature on a transcript or written statement, without more, shall constitute certification that the procedural requirements of this Rule have been satisfied.

Rule 5A:10. Record on Appeal: Preparation and Transmission.

(a) *Preparation.* The clerk of the trial court shall prepare the record as soon as possible after notice of appeal is filed. In the event of multiple appeals in the same case, or in cases tried together, only one record need be prepared and transmitted.

(b) *Form of the Record.*

(1) The record shall be compiled in the following order:

(i) a front cover setting forth the name of the court and the short style of the case;

(ii) a table of contents listing each paper included in the record and the page on which it begins;

(iii) each paper constituting a part of the record in chronological order; and

(iv) the certificate of the clerk of the trial court that the foregoing constitutes the true and complete record, except omitted exhibits as hereinafter provided.

(2) Each page of the record shall be numbered at the bottom.

(3) Transcripts, depositions, and reports of commissioners may be included in separate volumes identified by the clerk of the trial court if referred to in the table of contents and at the appropriate place in the record.

(4) Exhibits, other than those filed with pleadings, may be included in a separate volume or envelope certified by the clerk of the trial court, except that any exhibit that cannot be conveniently placed in a volume or envelope shall be identified by a tag. Each such volume or envelope shall include, on its cover or inside, a descriptive list of exhibits contained therein. Reference shall be made to exhibits in the table of contents and at the appropriate place in the record referred to in paragraph (b)(1) of this Rule. The clerk of the trial court shall not transmit the following types of exhibits, unless requested to do so by the clerk of this Court: drugs, guns and other weapons, ammunition, blood vials and other bio-hazard type materials, money, jewelry, articles of clothing, and bulky items such as large graphs and maps. The omission of any such exhibit shall be noted on the descriptive list of exhibits. Upon motion by counsel, this Court may order the trial court to transmit any of these prohibited exhibits.

(5) Any transcript or statement of facts that the clerk of the trial court deems not a part of the record because of untimely filing shall be certified as such and transmitted with the record.

(c) *Abbreviated Record.* When the assignments of error presented by an appeal can be determined without examination of all the pleadings, facts, testimony, and other incidents of the case, all counsel with the approval of the trial court may prepare for submission an

abbreviated record, stating how the assignments of error in the case arose and were decided, and setting forth only so much of the pleadings, facts, testimony, and other incidents of the case as are essential to a determination of the issues on appeal. Such abbreviated record shall be signed by all counsel and the trial judge and filed in the office of the clerk of the trial court. It will be assumed that the abbreviated record contains everything germane to the assignments of error. The Court of Appeals may, however, consider other parts of the record to enable this Court to attain the ends of justice.

(d) *Transmission.* The clerk of the trial court shall retain the record for 21 days after the notice of appeal has been filed with him pursuant to Rule 5A:6. If the notice of appeal states that a transcript or statement will thereafter be filed, the clerk of the trial court shall retain the record for 21 days after the filing in his office of such transcript or statement or, if objection is made to the transcript or statement pursuant to Rule 5A:8 (d), the clerk of the trial court shall retain the record for five days after the objection is acted upon by the trial judge. The clerk of the trial court shall then forthwith transmit the record to the clerk of this Court; provided, however, that, notwithstanding that the foregoing periods of retention may not have expired, the clerk of the trial court shall transmit the record sooner if requested in writing by counsel for all parties to the appeal and shall, whether or not so requested, transmit the record in time for delivery to the clerk of this Court within three months after entry of the judgment appealed from. The failure of the clerk of the trial court to transmit the record as herein provided shall not be a ground for dismissal of the appeal by this Court.

(e) *Notice of Filing.* The clerk of this Court shall promptly notify all counsel of the date on which the record is filed in the office of the clerk of the Court of Appeals.

(f) *Disposition of Record.* When the mandate is issued by this Court, the clerk of this Court shall return the record to the clerk of the trial court. The record shall be returned by that clerk upon the request of the clerk of this Court.

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE A
THE COURT OF APPEALS
E. PROCEDURE ON PETITION FOR APPEAL IN CRIMINAL CASES AND
TRAFFIC INFRACTIONS

Rule 5A:12. Petition for Appeal.

(a) *When the Petition Must be Filed.* When an appeal to the Court of Appeals does not lie as a matter of right, a petition for appeal must be filed with the clerk of this Court not more than 40 days after the filing of the record with the Court of Appeals. An extension of 30 days may be granted on motion in the discretion of this Court upon a showing of good cause sufficient to excuse the delay.

(b) *Copy to Opposing Counsel.* At the time the petition for appeal is filed, a copy of the petition shall be mailed or delivered to the Commonwealth's attorney or the city, county, or town attorney, as the case may be.

(c) *What the Petition Must Contain.* A petition for appeal must contain the following:

(1) *Assignments of Error.* The provisions of Rule 5A:18 shall apply to limit those assignments of error which this Court will rule upon on appeal. Under a heading entitled "Assignments of Error," the petition shall list, clearly and concisely and without extraneous argument, the specific errors in the rulings below upon which the party intends to rely. An exact reference to the pages of the transcript, written statement of facts, or record where the alleged error has been preserved in the trial court or other tribunal from which the appeal is taken shall be included with each assignment of error.

(i) *Effect of Failure to Assign Error.* Only assignments of error assigned in the petition for appeal will be noticed by this Court. If the petition for appeal does not contain assignments of error, it shall be dismissed.

(ii) *Insufficient Assignments of Error.* An assignment of error which does not address the findings or rulings in the trial court or other tribunal from which an appeal is taken, or which merely states that the judgment or award is contrary to the law and the evidence is not sufficient. If the assignments of error are insufficient or otherwise fail to comply with the requirements of this Rule, the petition for appeal shall be dismissed.

(2) *Table of Contents and Table of Authorities.* A table of contents and table of authorities with cases alphabetically arranged. Citations of all authorities shall include the year thereof.

(3) *Nature of the Case and Material Proceedings Below.* A brief statement of the nature of the case and of the material proceedings in the trial court or commission in which the case originated. This statement shall omit references to any paper filed or action taken that does not relate to the assignments of error.

(4) *Statement of Facts.* A clear and concise statement of the facts that relate to the assignments of error, with references to the pages of the record, transcript, or written

statement of facts. Any quotation from the record should be brief. When the facts are in dispute, the petition shall so state. The testimony of individual witnesses should not be summarized seriatim unless the facts are in dispute and such a summary is necessary to support the appellant's version of the facts.

(5) *Authorities and Argument.* With respect to each assignment of error, the standard of review and the argument – including principles of law and the authorities – shall be stated in one place and not scattered through the petition. At the option of counsel, the argument may be preceded by a short summary.

(6) *Conclusion.* A short conclusion stating the precise relief sought.

(7) *Contact Information.* The signature of at least one counsel, counsel's name, Virginia State Bar number, mailing address, telephone number, facsimile number (if any), and email address (if any).

(8) *Certificate.* A certificate stating the date of mailing or delivery of the petition to opposing counsel and whether or not the appellant desires to state orally the reasons why the petition for appeal should be granted.

(d) *Number of Copies to File.* Four copies of the petition shall be filed with the clerk of this Court.

(e) *Length.* Except by leave of a Judge of this Court, a petition shall not exceed 12,300 words. The word limit does not include the cover page, table of contents, table of authorities, and certificate.

(f) *Single Petition in Separate Cases.* Whenever two or more cases were tried together in the trial court or commission below, one petition for appeal may be used to bring all such cases before the Court of Appeals even though the cases were not consolidated below by formal order.

(g) *Oral Argument.* When the appeal is not granted by the Judge of this Court to whom the petition for appeal is originally presented, the petitioner shall be entitled to state orally, in person or by conference telephone call, to a panel of this Court the reasons the petition for appeal should be granted. The appellant may waive the right to oral argument on the petition for appeal before a panel by notifying the clerk of this Court and opposing counsel in writing, or by filing a reply brief. Any lawyer not licensed to practice in Virginia who seeks to appear pro hac vice to present oral argument to this Court must comply with the requirements of Rule 1A:4.

(h) *Procedure for an Anders appeal.* If counsel for appellant finds his client's appeal to be without merit, he must comply with the requirements of *Anders v. California*, 386 U.S. 738 (1967), and *Akbar v. Commonwealth*, 7 Va. App. 611, 376 S.E.2d 545 (1989). In compliance therewith, counsel is required to file (1) a petition for appeal which refers to anything in the record which might arguably support the appeal and which demonstrates to the Court of Appeals counsel's conscientious examination of the merits of the appeal; (2) a motion for leave to withdraw as counsel; and (3) a motion for an extension of time to allow the appellant to file a supplemental petition for appeal. The petition for appeal and the motion for leave to withdraw as counsel should specifically cite to *Anders*. All three pleadings must be served on opposing counsel and upon the client and must contain a certificate providing evidence of such service. The Court of Appeals will rule upon the motion for extension of time upon its receipt, but will not rule

on the motion to withdraw as counsel until this Court considers the case in its entirety, including any supplemental petition for appeal that may be filed.

RULES OF SUPREME COURT OF VIRGINIA
PART FIVE A
THE COURT OF APPEALS
F. PROCEDURE FOLLOWING PERFECTION OF APPEAL

Rule 5A:25. Appendix.

(a) *When Required.* An appendix shall be filed by the appellant in all cases no later than the time of filing his opening brief.

(b) *Filing.* If the combined lengths of the appendix and the opening brief of the appellant do not exceed the limitation prescribed in Rule 5A:19, the appendix may be filed as an addendum to the opening brief and within the same cover. If the combined lengths of the appendix and the opening brief exceed the limitation prescribed in Rule 5A:19, the appellant shall file the appendix as a separate volume. The number of copies filed and mailed to opposing counsel shall conform to Rule 5A:19(f).

(c) *Contents.* An appendix shall include:

- (1) the basic initial pleading (as finally amended);
- (2) the judgment appealed from, and any memorandum or opinion relating thereto;
- (3) any testimony and other incidents of the case germane to the assignments of error;
- (4) the title (but not the caption) of each paper contained in the appendix, and its filing date;
- (5) the names of witnesses printed at the beginning of excerpts from their testimony and at the top of each page thereof; and
- (6) exhibits necessary for an understanding of the case that can reasonably be reproduced.

(d) *Determination of Contents.* Within ten days after the filing of the record with the Court of Appeals or, in a case in which a petition for appeal has been granted, within ten days after the date of the certificate of appeal issued by the clerk of the Court of Appeals, counsel for appellant shall file in the office of the clerk of the Court of Appeals a written statement signed by all counsel setting forth an agreed designation of the parts of the record to be included in the appendix. In the absence of such an agreement, counsel for appellant shall file with the clerk of the Court of Appeals a statement of the assignments of error and a designation of the contents to be included in the appendix within fifteen days after the filing of the record or, in a case in which a petition for appeal has been granted, within fifteen days after the date of the certificate of appeal; not more than ten days after this designation is filed, counsel for appellee shall file with the clerk of the Court of Appeals a designation of any additional contents to be included in the appendix. The appellant shall include in the appendix the parts thus designated, together with any additional parts he considers germane.

(e) *Table of Contents; Form of Presentation.* At the beginning of the appendix there shall be a table of contents, which shall include the name of each witness whose testimony is included in the appendix and the page number of the appendix at which each portion of the testimony of the witness begins. Thereafter, the parts of the record to be reproduced shall be set out in chronological order. When matter contained in the transcript of proceedings is set out in the appendix, the page of the transcript or of the record at which such matter may be found shall be indicated in brackets immediately before the matter which is set out. Omissions in the text of papers or of the transcript must be indicated by asterisks. Immaterial matters (such as captions, subscriptions and acknowledgements) shall be omitted. A question and its answer may be contained in a single paragraph.

(f) *Costs.* Unless counsel otherwise agree, the cost of producing the appendix shall initially be paid by the appellant, but if the appellant considers that parts of the record designated by the appellee for inclusion are unnecessary for the determination of the issue presented, he may so advise the appellee, and the appellee shall advance the cost of including such parts. The cost of producing the appendix shall be taxed as costs in the case.

(g) *Penalty.* Nothing shall be included in the appendix that is not germane to an assignment of error. As examples, no pleadings (other than the basic initial pleading as finally amended) shall be included unless an assignment of error is presented relating to it, and then only the portion thereof to which the assignment relates; and testimony relating solely to the amount of damages shall not be included unless error is assigned relating to the amount of damages. If parts of the record are included in the appendix unnecessarily at the direction of a party, this Court may impose the cost of producing such parts on that party.

(h) *Assumptions.* It will be assumed that the appendix contains everything germane to the assignments of error. The Court of Appeals may, however, consider other parts of the record.

All motions and responses may be in letter format addressed to the clerk of this Court. If this Court orders a settlement conference, it will ordinarily be held by telephone conference call and, in the discretion of the settlement judge, may be held in person at a convenient location.

(b) *Settlement Judge.* A senior or retired appellate judge will conduct all settlement conferences at no cost to the litigants.

(c) *Excluded Cases.* No settlement conference shall be conducted in appeals of criminal judgments or orders terminating parental rights or in any other case arising under this Court's original jurisdiction.

(d) *Conferences.* Prior to participating in a settlement conference, all counsel shall consult with their respective clients about settlement options and ask for express authority to settle within any parameters acceptable to the client. The settlement judge may conduct more than one conference if, in his discretion, he deems it advisable. During a conference, the settlement judge may consult ex parte with counsel, or with counsel and that counsel's client, but shall not consult ex parte with any represented client without counsel's agreement.

(e) *Conference Orders.* A settlement conference, if ordered in a case, shall not automatically affect any time deadline otherwise applicable. The settlement judge, however, may direct the clerk of court to enter orders tolling any non-mandatory time deadline before or after the deadline has passed. If any party advises the settlement judge that all or part of an appeal has been settled, the settlement judge shall direct the parties to prepare and sign a settlement agreement setting forth all agreed-upon terms. Upon receiving a copy of the settlement agreement, the settlement judge shall thereafter direct the clerk of court to enter an order dismissing with prejudice all or part of the appeal subject to the agreement.

(f) *Confidentiality.* The provisions of the settlement agreement shall not be considered confidential except to the extent the agreement specifically requires it. No confidentiality provision, however, shall prejudice any party's ability to seek judicial enforcement of a settlement agreement. In any case in which a settlement conference does not result in a settlement agreement, no statement made during a settlement conference or in motions requesting a settlement conference or responses to such motions shall be disclosed by the settlement judge, the parties, or counsel to any (i) appellate

judge who may be called upon to decide the merits of the appeal or any related appeal, or
(ii) lower court judge who may be called upon to decide the merits of the case if
remanded or the merits of any related case.

(g) *Cross-Appeals and Related Appeals.* Appeals and cross-appeals will ordinarily be
addressed in a single settlement conference. At the discretion of the settlement judge,
related appeals may be consolidated for settlement conference purposes.

Promulgated by Order dated Friday, April 30, 2010; effective July 1, 2010.

The mention in a pleading of an accompanying exhibit shall, of itself and without more, make such an exhibit a part of the pleading.

(b) *Denial, Admission, Objection.* A party respondent need not file a pleading or may file a pleading denying or admitting all or any facts alleged in the petition, motion, or summons, or the respondent may file a motion raising objections. Any allegation not admitted is deemed denied. If a respondent fails to file a pleading, the failure will be taken as a denial of the allegations in the petition, motion, or summons.

(c) *Amendment of Written Pleading.* Except as hereinafter provided, or as provided pursuant to §§ [16.1-129.2](#), [16.1-93](#) and [16.1-259](#), no amendment shall be made to any pleading after it is filed with the clerk, except by leave of court. Leave to amend a pleading shall be liberally granted in furtherance of the ends of justice. In granting leave to amend, the court may make such provision for notice thereof and opportunity to make response as the court may deem reasonable and proper. In delinquency, child in need of services, child in need of supervision, and status offense proceedings, the court may permit amendment of the written pleading at any time before adjudication, provided that the amendment does not change the nature or character of the matter alleged. If the amendment is made after the respondent pleads or is made after any evidence is heard, the amended pleading shall be read to him and he shall be allowed to change his plea. If the court finds that the amendment operates as a surprise to the respondent, it shall upon request grant a continuance for a reasonable time.

(d) *Bill of Particulars.* The court may direct the filing of a bill of particulars at any time before trial.

(e) *Copies of Pleadings to be Furnished.* Except as provided in subdivision (f) of this Rule, all pleadings not otherwise required to be served shall be served on each counsel of record by delivering, dispatching by commercial delivery service, transmitting by facsimile or mailing a copy to each on or before the day of filing. At the foot of such pleadings shall be appended either acceptances of service or a certificate that copies were served as this Rule requires, showing the date of delivery, dispatching, transmitting or mailing.

(f) *Electronic Filing*. In any juvenile and domestic relations district court which has established an electronic filing system pursuant to Rule 1:17:

(1) Any proceeding may be designated as an Electronically Filed Case upon consent of all parties in the case.

(2) Except where service and/or filing of an original paper document is expressly required by these rules, all pleadings, motions, notices and other instruments in an Electronically Filed Case shall be formatted, served and filed as specified in the requirements and procedures of Rule 1:17; provided, however, that when any document listed below is filed in the case, the filing party shall notify the clerk of court that the original document must be retained.

(i) Any pleading or affidavit required by statute or rule to be sworn, verified or certified as provided in Rule 1:17(e)(5).

(ii) Any contract or deed.

(iii) Any prenuptial agreement or written settlement agreement, including any property settlement agreement.

(iv) Any check or other negotiable instrument.

(v) Any handwritten statement, waiver, or consent by a defendant or witness in a criminal proceeding.

(vi) Any form signed by a defendant in a criminal proceeding, including any typed statements or a guilty plea form.

(vii) Any document that cannot be converted into an electronic document in such a way as to produce a clear and readable image.

Rule 8:14. Continuances.

(a) *Continuance Granted for Good Cause.* Continuances should not be granted except by, and at the discretion of, a judge for good cause shown, or unless otherwise provided by law. The judge may, by order, delegate to the clerk the power to grant continuances consented to by all parties under such circumstances as are set forth in the order. Such an order of delegation should be reasonably disseminated and posted so as to inform the bar and the general public.

(b) *All Parties Agree to Continuance.* If all parties to a proceeding agree to seek a continuance, the request may be made orally by one party as long as that party certifies to the judge that all other parties know of the request and concur. Such a request should be made as far in advance of the scheduled hearing or trial as is practicable. If granted, the moving party shall be responsible for assuring that notice of the continuance is given to all subpoenaed witnesses and that they are provided with the new court date. This obligation may be met by (i) an agreement between the parties that each side will notify its own witnesses; or (ii) any other arrangement that is reasonably calculated to get prompt notice to all witnesses.

(c) *All Parties Do Not Agree to Continuance.* If a request for continuance is not agreed to by all parties to a proceeding, such request should be made to the court prior to the time originally scheduled for the hearing or trial. If the court determines that a hearing on the request should be conducted prior to the time originally scheduled for the trial, all parties shall be given notice of such hearing by the requesting party.

(d) *Continuances Requested at the Time of Hearing.* Where a request for a continuance has not been made prior to the hearing or trial and other parties or witnesses are present and prepared for trial, a continuance should be granted only upon a showing that to proceed with the trial would not be in the best interest of justice.

(e) *Parties.* For purposes of this Rule, the term "parties" shall mean all plaintiffs, petitioners, the prosecution, defendants, respondents and any person who is the subject of the proceeding.

Rule 8:17. Notification and Waiver of Trial Rights of Parties.

Upon a juvenile's first appearance in court in a delinquency case, the juvenile shall be advised by the judge of the following trial rights: the right to counsel, to a public hearing, to the privilege against self-incrimination, to confront and cross-examine witnesses, to present evidence, and the right to appeal a final decision of the court. In determining whether a waiver of the right to counsel, of the right to a public hearing, and of the privilege against self-incrimination, is knowingly, voluntarily, and intelligently made, the court must find after a thorough inquiry that the juvenile is capable of making an intelligent and understanding decision in light of the child's age, mental condition, education, and experience, considering the nature and complexity of the case. Such waiver of trial rights shall be made orally in open court, and the waiver of the right to counsel shall also be reduced to writing, signed by the juvenile and filed with the court records of the case.

(b) *Determining Voluntariness, Understanding, and Intelligence of a Plea of Guilty by a Juvenile.* The court shall not accept a plea of guilty or nolo contendere to a charge of delinquency by a child without first determining that the plea is made voluntarily with an understanding of the nature of the allegations in the petition or summons and the consequences of the plea, including that such a plea constitutes a waiver of the right to confront one's accusers and the right against compulsory self-incrimination.

(c) *Determining Voluntariness, Understanding, and Intelligence of a Plea of Guilty by an Adult.* In any case involving an adult charged with a crime, the court shall not accept a plea of guilty or nolo contendere to a misdemeanor charge except in compliance with Rule 7C:6.
